POTENTATE'S MESSAGE

BILL STONER, POTENTATE

Hello to Al Kaly Shriners,

The month of January started with the installation of officers and a very wonderful program. Dan Caro, a former Shrine child, spoke to us about self-motivation and what you can do or be if you apply yourself. He told us about a paralyzed person he knew that wanted to play the drums but could not hold the drumsticks. Each time they got together Dan would hand him the drumsticks but he always dropped them. Dan suggested that he begin to think about holding them. They kept meeting and concentrating on holding the sticks and after many meetings his client started to hold them and then began to control them and now he is playing with a band; a great story about self-motivation. You see, Dan does not have hands either, because of severe burns he sustained as a child.

We also heard from Lacy Davis, also one of our Shrine Children. What an outstanding 4th grade teacher she will be! Knowing what our hospital care system can do for the young people that we send them should make each Shriner proud. We then heard from Gary Sears about the membership plan for the coming year. If you know a Shriner that is not going to meetings or does not belong to a unit, bring him and his wife to a dinner meeting at one of the clubs.

During our first Divan meeting we learned that the bus trip to Shriners Hospital Salt Lake City will cost over \$200 per person, plus hotel room and meals. This information was very disappointing. The cost is directly related to the cost of fuel for the bus. We will continue to look for a way to visit a hospital.

The East/West game and the activities around the game gave us a big boost for what Shriners do. While there we also visited the Houston Space Center. As you can see by the picture on the front of the Dust we enjoyed the visit. It is hard to believe that we have made 7 trips to the moon and that it started over 50 years ago.

For every first line signer that produces a new Al Kaly Shriner, an entry will be placed in the membership jar. At the last Stated Meeting in December 2008 there will be a drawing from the jar to select the winner of a free trip. The trip is a 7-night Mexican Riviera Cruise including round trip airfare from Colorado Springs to San Diego.

The last week in January and just before Burn Awareness Week an event happened in Colorado Springs that reinforces why we do what we do to support our Shriners Hospital System (see story elsewhere in this issue). It was gratifying and rewarding to be able to help the children who were so tragically affected by this terrible incident. We were able to interface with the Galveston Hospital to ensure that these children receive the quality and loving care that only Shriners Hospitals for Children offer.

By the time you receive this issue, Burn Awareness Week will be over, as will the February 12th National Pancake Day at IHOP;

Noble Doc Hathaway and I will have visited Lamar to meet their new hospital administrator and we will also have visited Cortez and Durango the weekend of Feb 22nd.

There is a Stated Meeting in Colorado Springs on March 7th, and the St. Patrick's Day Parade will be on March 15th, also in Colorado Springs.

The web site is looking great with the children's pictures and the reporting of events as they happen. See the web site, www.alkalyshrine.org to keep up with the happenings of Al Kaly Shriners.

NOTES FROM THE FIRST LADY

ROSE ENYEART, FIRST LADY

What a wonderful time to be involved with the Al Kaly Shriners! Out of the tragedy of the children burned in a fire, came an opportunity for Al Kaly Shriners to help and extend the loving care of no-cost treatment to children who really need our attention. The Shriners Hospital in Galveston was called immediately. Then we had to work out the details of transferring the children to Galveston's world-class burn treatment center which saved those children much suffering. We are rightly proud to be associated with the World's Greatest Philanthropy. Relatives of the children will be sent to Galveston to stay with the children by our Shriners.

I had told some women at the Pueblo Ladies Shriner Club lunch that I would put in some information about the No Call Registry. You can't stop calls from charities, politicians or companies that you've dealt with in the past 18 months. But you can stop most telemarketing calls by calling 888-382-1222 or going to www.donotcall.gov to register your phone number. You can go to www.optoutprescreen.com to get rid of those "preapproved" credit cards. To get rid of catalogs go to www.dmaconsumers.org/cgi/offmailing.

Now I realize that you need a computer for the last two, but the No Call Registry is just a phone call. I hope that some of you can take advantage of the information and have some peaceful time at dinner.

See you April 5th at the Ladies Luncheon at La Renaissance and at the Al Kaly Ball April 19th in Colorado Springs at the Crowne Plaza (the old Sheraton.) Hope to see you soon.

Rose

Thank you for the healing thoughts and expressions of support you have shown me and my family during Hank's illness and passing. I appreciate it so very much.

Bill Sheaves

By Charlotte Burrous

It was supposed to be an easy mission; fly over Paris, drop the bombs, then get out and return to their base in England but it turned into a nightmare. Bill Sheaves, a non-com flight engineer, was on his 14th mission with the Army Air Corps when his plane was shot down over Paris on Sept. 9, 1943. "We were at altitude," he said. "We had taken a hit from 88 mm anti-aircraft fire, which took out all our oxygen. We had no choice but to get down to a low level fast! You can't fly at 30,000 feet with no oxygen." However, as the B-17 attempted to make its way back to England, they encountered five German fighter planes that came up from behind. "After four of their planes were hit by our tail-guns, the fifth one abruptly left the area," Sheaves said.

Eventually, though, unable to continue on, his plane crash-landed in an open field near Beaumont-le-Roger, France. They were quickly surrounded by some 500 Germans who wisely kept their distance because of the 50-caliber machine guns on the plane. The Germans all stayed about 100 yards away from the plane until the Luftwaffe arrived in force to take the crew as prisoners of war. Unfortunately, the tail gunner was killed during the bombing raid and the ball turret gunner died in the crash-landing. As Sheaves stepped off the airplane, he saw that one of the crewmen was injured. Bill started to reach for the first aid kit that he had strapped to his shoulder but one of the Germans shot him in the right leg, knocking him to the ground. "I stood up and reached for the kit again and he shot me again," Sheaves said. "I finally realized that he thought I was reaching for a hand grenade so I stayed on the ground. By that time, I had to use the kit for myself, too."

The eight remaining members of the B-17 crew were taken to the field headquarters, treated for their wounds and given a meal. "We had German bread, cheese, bratwurst and hot tea, but no coffee," Sheaves said. "That was the last good meal I had in Germany." The next morning, the crew found themselves on a train, en route to Dulag Luft, near Frankfurt, Germany, where the four sergeants were separated from the officers. His new home was a solitary cell, about 4 X 8 X 6 feet high, where he was interrogated about his involvement with B-29s at Boeing Aircraft in Renton, Wash. After it was determined he did not know anything about the planes, he was sent to Stalag 7A. "No pillow, no eating utensils, no mess kit, NOTHING," Bill said.

This was the beginning of two long years where he was starved, froze in the winter, burned in the summer and was lonesome for his family, his country and his freedom. The end of September he and about 750 other POWs were again loaded on "40 and 8" rail cars on a cramped, crowded train, on their way to another prison camp,

Stalag 17B at Krems, Austria. After three or four days the train stopped on a siding to let a munitions and troop train pass on its way to the Russian front. Sheaves and two other POWs were sent to dump the sanitation facility (a honey bucket, of sorts) in the nearby woods. Unguarded, they escaped into the forest, only to be discovered three days later by two Austrians who took them to the Gestapo. They were severely punished before being sent on to Stalag 17B.

After the Allied Forces landed in Normandy they advanced eastward toward Berlin, liberating the countries along the way. The first part of April 1945, the Russians took Vienna, which was 40 kilometers east of the prisoner of war camp. "We saw lots of fighting going on east of us," Sheaves said. "At that particular time, the Allies had issued an unconditional surrender demand no discussion whatsoever. However, the German high command decided that they would move all the Americans, Canadians, Australians and British POWs back to Stalag 7A. The Germans planned to hold them as hostages in order to negotiate a truce with the Allied Forces other than unconditional surrender. As the prisoners marched toward Stalag 7A at Moosberg, near Munich, they learned that Patton's 3rd Army had liberated all the prisoners at Stalag 7A. Their guards turned the prisoners south to Braunau, which was Hitler's birthplace, on the Austria and Germany border.

"We were in a forest area," Sheaves said. "On April 26, there were about 40,000 prisoners in that area. We were the only Americans there. We were on the east side of the Inn River and the Allies were across the river." The prisoners were only guarded by old men in the wooded area that had no barbed wire fence. "They tried to move us out of the camp again, but we decided we weren't going," Sheaves said. After convincing the guards, who were greatly outnumbered, that they would be killed by the prisoners if any further attempt was made to move them, the POWs left the area on their own. They were then able to contact the Americans, who evacuated them to Camp Lucky Strike at Le Havre, France. Finally the long ordeal was over. Sheaves was returned to the U.S. in June 1945 and was discharged in October of that year.

After returning home, he worked part-time in the coal mines of West Virginia for about 4 years while attending College. Bill's primary interest was to get a degree in electronics; however, those courses not being available there, he re-entered the military, this time joining the Army, to study under Wernher Von Braun, the renowned German scientist. After completing the extensive course at White Sands, New Mexico, he served as an instructor at Ft. Bliss for a little over a year. Because of his highly specialized training, he received a direct commission and in the following years he served

in various fields related to Air Defense, Radar & Electronic Warfare at several bases throughout the world. Some of his many assignments included two tours with ARADCOM in Colorado Springs, Japan, Ft. Monmouth, NJ, then as an exchange officer in the British Army, Commanding Officer of the 63rd Signal Battalion in Viet Nam and The Defense Communications Engineering Center Washington, D.C. Sheaves retired in 1975 as a Lieutenant Colonel and returned to Colorado Springs where he formerly had a home. He worked for GTE for several years before retiring a second time.

Sheaves joined El Paso Lodge #13 in 2002 and later became a Shriner, where he is a member of the Drum Corps. Born in Lawton, West Virginia, Sheaves is married to the former Ruth Wilber. He had two sons, from his first marriage, four grandchildren and five great-grandchildren. Ruth has a daughter, one granddaughter and two great-granddaughters.

Those who have occasion to visit the Air Force Museum at Peterson Air Force Base will be most interested in seeing the 1:10 scale radio-controlled model of a B-17 hanging in the main entrance. This model, whose wingspan measures about 11 feet, was hand-built by Bill over a 7-1/2 year period. It is an exact replica of the "Tar Fly," his downed aircraft. After flying it one time (just to make sure it would) he donated it to the Air Force museum.

Thanks, Bill, for your courageous service to our country!

"THE F/STOPS HERE"

By Bob Bills Al Kaly Photos

Hi Everyone -

I've now set up an online photo gallery so the folks at the DUST can pick and choose from all the photos of each event that I cover. This availability also includes the Nobles and their Ladies from the Al Kaly and El Jebel Shrines.

The Gallery site can be accessed at:
<http://gallery.mac.com/rbills>

Don't use (WWW) as this is not a "real" web site. I will attempt to keep the album sizes small, and include only the best of the best in photos - and I would like to keep those Shrine-related albums online for only a month after the Shrine event.

If you would like to learn how to upload to a particular album on the Gallery site, you can always visit me or give me a call, and I'll walk you through the maze.

After I publish a new Shrine event to the Gallery please visit the site and download the photos you want. Again, I would like to delete the albums at the end of approximately 30 days, to keep the web gallery at a workable and somewhat minimum memory level.

Editor's Note

By Sean Holmes

By now you probably have seen the February Dust. I cannot believe it took the Editor so long to get these out to all of you. Yes, it is very different and, yes, it has some errors in it (Les told me I made over 34 of them, or so). Les is great to be working with. He keeps me in line and is always striving to make sure we have a better publication. To be honest, this is all new to me. I was asked if I would help out, and before I knew it I was leading the charge. I want to thank Tom Holmes for that (no relation to me, and he is the lucky one that we're not). He gave me a mission, and I will do my very best to carry it out. But coming out of the gate, we hit some speed bumps. But one does not realize how great the travels of life really are if the road isn't bumpy now and again.

I do agree with the Illustrious Sir that "We are Family". I think this should be a great communications tool for our Shrine Family. So with that said, I want to hear from all of you; I want your opinions, suggestions, comments, or you can call me just to say "Hi" (719-210-4366). And please forgive me for my 34 or so mistakes on this last issue; it will get better, I promise.

I also want to thank the following people for all their hard work and dedication. Ill. Sir Bob Burr, Tom Holmes, Bart Guthrie, Dave Bills, Steve & Deborah Jordan, Bob Bills, Linda Agresta, Kim Wickerink--our new Graphic Artist (Kim is a very talented and gifted artist), Janet Holmes--my mother (yes, I had her helping out, too), and my wonderful lady Stacey Dixon. Stacey has been there every step of the way. These are the real people behind the scenes that want us to have a great Dust. They are why I will continue to work harder with every issue to make the Dust better for my Shrine family.

PANCAKES, ANYONE?

TOM HOLMES, CHIEF RABBAN

I write this article the morning after the great IHOP activity. What was it? Very simply, we Shriners in the State of Colorado were given the opportunity of being the recipients of donations for our hospitals at every IHOP restaurant in the state. The pancakes were free to the guests and we reaped the benefits.

John Poole and I made it a point to visit each of the 3 restaurants in the Colorado Springs area. Each was overflowing with Shriners who proudly wore the fez of Al Kaly and, as such, drew many conversations with the patrons while watching as the donations poured into the collection box.

As I write this, I have no idea what was collected, but I know this--there was an enormous amount of pride on the faces of all the Shriners who participated. And I have to tell you, my heart swelled with that same pride - and a tear or two - to be a part of this great organization.

I have heard that the IHOP management was, and is, very pleased with the support that we showed last night and I suspect we will be given the opportunity next year to repeat the performance.

Thanks to Doc Hathaway for organizing this activity and making it a great success. Many thanks to all who participated. It was fun!

IHOP FUNDRAISER For The Shriners Hospitals for Children

February 12th was a spectacular day from Texas to Colorado, as IHOP (International House of Pancakes) hosted a fundraiser for the Shriners Hospitals for Children. Three IHOPs in Colorado Springs and two in Pueblo opened their doors from 7 am until 10 pm for free pancakes to everybody. All they asked was a donation to the Shrine Kids.

IHOP supplied the pancakes; waitresses and the Al Kaly Shrine supplied the manpower with clowns, Nobles and their Ladies. Patrons, staff and Nobles all enjoyed the day. Donations were plentiful at each IHOP. Even many of the waitresses donated their tips.

By the end of the day, groups of exhausted Nobles & IHOP staff were ready to tally up the results.

The total amount of donations was \$8,164.00. Not all of it came from IHOP, though. A little restaurant in Falcon also wanted to participate. Jill's Country Café was my initial planning of the IHOP adventure. I frequent the "Liars" table most every weekday morning and was working on the layout for February 12th. Jill helped me with some photography and asked what it was for. When I explained the Free Pancake day by IHOP, she asked if she could help raise funds for the Shriners Hospitals as well. I could not turn down such a generous offer so Jill opened her doors from 7 am until 1 pm and raised \$708.00, which became part of the total figure.

As I stated above, Colorado and Texas were involved in the IHOP Fundraiser. Our Northern Temple raised a whopping \$18,784.00. Don't forget that there are approximately thirty-three IHOPs in Denver area and El Jebel is a much larger Temple. The overall total amount from seventeen Temples in Colorado and Texas totaled \$181,983.00. Not bad for one day's fun!

Al Kaly wishes to thank all the managers, waitresses, cooks, Nobles, Clowns and our Ladies for their dedicated labor that made the day for all our Shriners Hospitals for Kids.

AL KALY READY WHEN DUTY CALLS

By Les Bailey

Reporter's Note: As Shriners, we all know that our primary mission is to help children. We know that we stand ready to admit qualifying children into the Shriners Hospital system to receive care as long as their needs exist, within certain age parameters. Beyond that, the children we help, and the specifics of their individual cases, typically don't hit so close to home or with such devastation to an entire family. The following story, however, illustrates the importance of our mission, especially in emergency situations, and how the Shriners (and Al Kaly) are always ready to get involved.

It was a cold Tuesday morning, January 29th, in Colorado Springs. Broadcasts of shocking news had broken that around 10:00 pm the previous evening, a 25-year old, widowed, despondent, stay-at-home mother of five had allegedly set all of her children afire.

The children, ages 9, 8, 5, 3 and 1, suffered varying degrees of burns, with the youngest being pronounced dead at the scene. The remaining four, all in critical condition, were transported to The Children's Hospital in Aurora. The most serious had burns over 85% of his body; another suffered cuts or stab wounds.

A representative of The Children's Hospital, recognizing the need for the exceptional burn treatment capabilities of the Shriners Hospital Burn Center in Galveston, Texas called, inquiring as to whether Shriners Hospital would accept these children. Shriners Hospital assured them that they would, provided that Flight for Life transportation could be provided. Shriners Hospital then called Ill. Sir Bart Guthrie, Recorder of Al Kaly Shriners, to see if we were adequately funded to cover the transportation costs, initially estimated at \$35,000, in the event that the family did not have insurance to cover it. If Al Kaly could not, a last resort possibility existed that Galveston could, perhaps, access an emergency contingency fund.

Ill. Sir Bart conferred with Potentate Bill Stoner and decided that, most importantly, the kids needed to get to Galveston as quickly as possible, and, yes, we would fund it, though it would be a tremendous drain on our transportation fund.

Later that night another call was received from Galveston. It had been determined that only the 3 and 9 year olds would be coming to the Burn Center. The Children's Hospital had decided that the lesser-burned child and the one with cut/stab wounds could be adequately cared for in Aurora. Also, most fortuitously, in light of the fact that the mother had been charged with murder, the children had become legal wards of the state. Consequently, Medicaid support through the Department of Health Services (DHS) became available to cover the air evacuation costs.

So it was, then, that the two children arrived in Galveston, in little more than twenty-four hours after they had been burned. Such a short period of time for all the conversations, decisions and activity to take place was certainly due to the paramount interest, concern and effort of all those involved, including our Al Kaly leaders, as well as personnel of the Children's Hospital of Denver, the Shriners Hospital, El Paso County's DHS office, and Flight for Life.

With the best of care for the children notwithstanding, theirs will be a long, grueling and painful journey back to some semblance of normalcy and good health, but we know that, for the two in Galveston, they could be in no better place than a Shriners Hospital for the treatment, rehabilitation and love they will need. It is a rule of thumb in the Burn Center system that each one-degree

HAVE A "DANDY" TIME

STEVE JORDAN, ASSIST. RABBAN

In the DUST last month we welcomed seven new Nobles and their ladies into our wonderful fraternity. Wouldn't it be great if we could do that every month!

Let's all make sure that each new member feels welcome and wanted at every event. Soon they will be telling their friends and family how we made them feel a part of our wonderful organization and what fun they are having, which could lead them to ask others to join.

At the next meeting/dinner see how many people in the room you can greet with a handshake or hug, and a smile. That is one of the greatest joys Deborah and I share - meeting and greeting as many folks as we can each evening. It's fun. Give it a try. Pretty soon everyone will just be having a Dandy time.

AL KALY READY (continued)

of body burn requires approximately one day's hospital treatment, recovery and rehab. Therefore, it can be reasonably expected that the child with 85% burn coverage will need about three months of care!

Severely burned patients often face many reconstructive surgeries and skin grafts over a long period of time. And the physical trauma is only half of the story. The emotional aspects can be equally debilitating when a child looks in the mirror and sees a scarred and disfigured person looking back at him that he does not recognize.

Because of the long-term hospitalization necessary for this courageous 4th grader, certified teachers at the Shriners Hospital will work with the local school district to help keep up with his education as best they can while he is away.

Throughout this whirlwind of events, our Public Relations representative, Dr. Ralph Hathaway, has been point man for disseminating information to our local and Denver media, resulting in some positive coverage by Channel 5/30, Channel 13, Denver's Channel 9, and a nice front-page article with good exposure for the Shrine by reporter Brian Newsome of the Gazette. At this writing, the 5 and 8-year old children in Aurora have both been upgraded from their initial critical condition status.

Unfortunately, until DHS gives Shriners Hospital authorization to release medical information about the two children in the Galveston hospital, HIPAA privacy laws prevent them from giving any information as to their conditions. We can all only hope and pray for their well-being and steadily improving conditions as they fight their long and painful battle.

Nobles, if you have ever wondered about the value of your involvement in this great organization called Shriners you need wonder no more. These kids will know and appreciate the Shriners for the rest of their lives.

SHRINERS HOSPITALS FOR CHILDREN

By Bob Burr, PP
Hospital Board of Governors

This article is directed at the new Nobles, but it's for all Nobles.

When you make your vacation plans take a second look at the locations of all of our Hospitals throughout the United States, Canada and Mexico.

As I visit the various Hospitals, I find the Staff and their active volunteers are quick to show you their facilities and tell you why they are unique to our system.

The Honolulu Unit took their first patient in 1923, when they were using the rear wing of the Kauaikeolani Children's Hospital to treat Shriner children. They were later bequeathed property with the buildings that were converted to the present Hospital (1930). The latest activity is the modification of the Hospital started this past year. This Unit is the only hospital in our system supported by a single Temple. That is Aloha Temple and they are doing a fantastic job as they support the children across the Pacific Rim.

A huge accomplishment they are very proud of is the application of the Ilizarov Leg Lengthening Technique to a young lady in their care. They were able to extend her leg seventeen inches. The process took three visits with the leg being lengthened ten inches, and on the second visit an additional five inches and on the last visit the final two inches. The Honolulu Unit was the first of our Hospitals to successfully perform this technique, and have done many more over the years.

This is representative of what goes on every day in our Hospitals. In summary, Nobles, take the opportunity to visit and make yourself proud of what you are doing for these children.

VERY BUSY SHRINERS & THEIR LADIES

ALLAN AKE, ORIENTAL GUIDE

Regrettably, we had to cancel the Salt Lake City Hospital Trip, which was scheduled for May 24th. The cost for transportation (bus), hotel, and meals is simply too expensive to make the trip a viable one.

As always, the Shriners and their Ladies have been very busy. We produced a successful gun show at the Colorado Springs Shrine Club on January 26th and 27th. We had some 40 tables filled with merchandise for sale, not all of which was gun related. Two ladies displayed fine leather purses and beautiful artwork on their tables. Thanks to Swede Hanson and the Shrine Club staff for all their hard work. Noble Howard Sylvester and Lady Jo also worked long, hard hours to make the gun show a success.

There is an ongoing debate among Divan members as to why men and women join the Shrine. Some say we join because the Shrine offers a social outlet. Others say we join to help the hospitals and the children. There probably are many, many reasons why people join: camaraderie, hospitals, travels with good friends, and so on. One huge benefit I've found is that my Lady and I have made very good and lasting friendships with a number of people from all over the country. We have met several of the Shriner Children, which has been an incredibly rewarding experience for us. All this to say, there is something for everyone in the Shrine, so let your friends, acquaintances, and family members know that the Shrine is a wonderful organization. We need the members!

EAST/WEST GAME 2008

Submitted by Bob Burr

Al Kaly was well represented at the East/West game this year. Illustrious Sirs Dave Stevens and Bill Stoner, and Chief Rabban Tom Holmes and their ladies led a group of seventeen to the game. The weather wasn't as good as it could have been but it wasn't raining, as we all expected. Whenever they move to a different venue it seems to take a year or two to get the crowd built up again. This was the first year at the University of Houston and the crowd was light.

The host Temple did a great job of making us feel welcome and they put together a great pre-game tailgater, with food and refreshments for all.

The day started off with all of the pomp and ceremony that goes with an activity of this sort, as they introduced the Imperial Officers and the Potentates from the various Temples that were in attendance. Later, they introduced the players who were being installed in the East/West Game Hall of Fame. Then the Clowns lined up and made a tunnel for the players to enter the field as they were introduced.

Clowns. Did I say Clowns? There were patients there from the Houston and the Galveston Hospitals and, of course, that got the clowns attention right away, so they spent plenty of time entertaining the children. You might like to know that five Clowns from Al Kaly were there to entertain the crowd. We had our Assistant Rabban, Steve "Dandy" Jordan; First Ceremonial Master, Allan "Derby" Ake; Garnie "Pockets" Kidwell; Wayne "Howdy" Mc Key; and Bob "Nickels" Burr. That's pretty good since there were only about fifteen clowns total in attendance this year. Lest we forget to mention the other two who were there from Al Kaly -- they were Noble Brian Bate and his Lady, representing the Elite.

As we do every year when attending the East/West game, we visited the Shrine Hospitals in the area. The group went to the Galveston Burns Center on Friday and the Houston Orthopedic Hospital on Saturday morning. In both cases Noble Steve "Dandy" Jordan and Lady Deborah delivered items sent by the ladies of Ruhamah Temple #71, Daughters of the Nile.

Nobles, if you have never been to an East/West game, start planning for next year. It's generally the third weekend of January. It's a great show and it's also a great opportunity to visit our orthopedic Hospital at Houston and Burns Center at Galveston.

WELL,
IT'S ALMOST
SPRING...

BART GUTHRIE, RECORDER

.....And you know the old saying "Springtime is when a young man's fancy turns to thoughts of baseball!" It's true for Al Kaly, too. Springtime is when our summer activities kick into gear. Remember, Units, when you participate in unofficial parades you must submit the required permission slip to participate in the parades. It is an Imperial requirement and also required for our insurance.

By now you have had a chance to peruse the new Dust. In order to determine if members are reading the Dust we are placing a randomly selected Al Kaly member number (located on your dues card) somewhere in the Dust. If the number is yours, contact the office and we'll send you a cool \$25.00.

Many of the clubs and units have not submitted their annual report. This is needed for tax purposes and must be done by each club and unit. If you have not done yours, please get it in to the office as soon as possible. It is easier to fill out this form than to do a separate tax return for your unit or club.

I have been emailing significant events or items to one addressee for each club or unit. It was my wish that the recipient of the emails forwards them on to members. This doesn't appear to be working well because nobles are not receiving them. I am working on building an email address file for all Al Kaly members. When completed, I plan on emailing these events or items to all Al Kaly members who have provided their address to the office. Since the addresses may not be current, you may send your email address to me at recorder@alkalyshrine.org.

See you at the Saint Patty's Day parade!

THANK
YOU!

JERRY SUBE, TREASURER

III. Sir Sube says Thank You!

Though still in the hospital as of this writing, Illustrious Sir Jerry Sube P.P. wishes to convey a big "Thank You" to everyone for their visits, flowers, cards, and well wishes. He especially wants to express his thanks and gratitude for the support you have shown to his Lady JoAnne. Jerry is recovering slowly but, with the thoughts and prayers of all, perhaps he will soon be back home again.

MULE TRAIN

By President Torry Krutzke

Several of the Al Kaly Mule Train riders are already practicing their riding skills as weather permits, and plan to ride with the "Long Ears" Association on their first trail ride February 24th. By the time you read this, we'll have seen if the weather held.

We have new owners of mules: Noble Ray Clark bought Hi Jinx from Noble Bob Zyer. He also bought a new mule, Hank, for his Lady Merry; Noble L. D. Younts bought a new mule, Sally; and Noble Bob Colegrove bought Reno from Ill Sir Jim Rodeen.

The Team is getting ready. Noble Gale Fortney, Drill Captain, said practices will be held when the temperature is 45 degrees or better.

A Memorial Service for Noble Henry G. "Hank" Cole was held at the Mule Train Tack Room on January 25th and there was a full house. It was an extremely nice and fitting tribute to Hank. His Life Celebration included the Masonic Rose Croix, remarks by an attorney whose life he touched, Hank's experiences with the Mule Train as told by Noble Gale Fortney, and a neat guitar and singing rendition of "This Old House." Lunch followed. Hank had to be proud.

As President of the Al Kaly Shrine Mule Train for 2008, I want to take this opportunity to invite all Shriners and their families to join us for our monthly breakfasts and dinners. Our breakfasts are held on the second Sunday of each month with a Social Hour beginning at 8:30 AM and Breakfast served at 9:30. Dinners take place on the third Thursday of each month with the Social Hour at 6:00 PM and the meal served at 7:00.

Because these meals are cooked by our membership, our only request is that you make your reservation a week in advance so that we can prepare enough to serve all in attendance. Reservations can be made by calling President Torry at 719-456-0888 (Pueblo), or Secretary Allan Ake at 719-495-9252. We look forward to your visit.

PIPES & DRUMS

By Sean Holmes
"Scribe" Unit Secretary & Historian

I want to thank the Editor for giving us an entire page in the February Dust! He let us do this, being we were a new Unit. And he also told me that this will be allowed for all new Units in the future.

We have a lot going on this month with the Pipes & Drums. We had the "Highland Degree" at El Jebel during their yearly Medieval Festival on March 1st. This degree has a rich heritage, coming from a far away land in its origin. We all had a lot of fun, and a really great time. I encourage people to participate in this in the future.

Also, on March 15th in downtown Colorado Springs, look for us in the Saint Paddy's Day Parade. El Jebel will be joining us, and there will be over 20 Pipes & Drums marching this year. We look forward to seeing you there!

CLOWNS OF AL KALY

By Boss Clown David "Reboot" Bills

Unit Officers for 2008:

Our Treasurer, Scott "PoPo" Hall joined the Shriners in 1993 and became a member of Al Kaly Shriners in 2005. Scott is Junior Warden at his Blue Lodge- Tejon Lodge #104, and Senior Warden at the Lodge of Perfection-Scottish Rite.

Our Secretary, Craig "Patches" Sparks joined the Shriners in 2005. Craig is Junior Warden at his Blue Lodge- Colorado Springs Lodge #76. Craig has three children and is married to his wife Christina.

Yes, we "Sent in the Clowns." If you were around Colorado Springs on February 12th, you may have visited one of the IHOP Restaurants. They were having their annual Pancake Day, where they serve free pancakes and ask for donations to a charity. This year the charity was the Shriners of North America and the clowns were out in force to support that activity. The Clowns of Al Kaly were at the IHOPs on Chelton, in Southgate and on North Academy with ten clowns spending a total of 35 hours entertaining the crowds and telling people who the Shriners are and what we do in our Community. Many thanks to the IHOP Restaurants organization for this wonderful opportunity and.....Thank you, Clowns!

DRUM CORPS

By Marvin Narragon

As may be known by now, the Drum Corps, one of the oldest units in Al Kaly, has had a serious loss of personnel in the last couple of years. Too many members have succumbed to the black camel, and no new Shriners seem to be interested in joining a marching unit. Despite these setbacks, the Corps fully intends to stay in existence, and to hope for an eventual turn-around. The big drum will be in as many parades as we can manage, and we will continue to hope that we will someday have enough members to field a respectable number of marching players. To any Shriner wishing to join a unit, we offer the following incentives:

- ▲ The Drum Corps is one of the oldest units in Al Kaly and has a proud history covering many decades. It was instrumental in the foundation of the Colorado Springs Shrine Club.
- ▲ You do not have to be rich to be in the Corps. Drums and marching uniforms are provided free to all members.
- ▲ Dues are currently only ten dollars a year.
- ▲ Experience is not needed. Instruction will be provided to help new members blend in. We are out to make a "joyful noise."
- ▲ History has shown that anyone can learn to play along and support the group effort.

If we sound like a unit that you would be interested in joining, call President Marvin Narragon at 719-597-8868 or send an e-mail to Marvjan@aol.com with any questions.

Please keep our Secretary/Treasurer Larry Crosby in your prayers as he continues his fight against cancer. Keep up the good fight, Larry. Thanks to all members who continue to attend meetings and our monthly dinners. 1424

AL KALY SHRINE BAND

President Norman Churchill
By Noble Lew McHone

The band had a very busy but enjoyable year. The following is a "Rewind" of activities in 2007:

- ▲ Participated in twelve parades and one county fair.
- ▲ German Ensemble performed in nine Octoberfest and other events.
- ▲ Played six special events (picnic, O.V., Ceremonials, installation, Christmas parties, etc.).
- ▲ Played at five Stated Meetings.
- ▲ Had six rehearsals.

A fitting end to this very busy year was a tremendous Christmas Party at the Sky Sox Stadium planned and organized by Noble Ron Bowen. Fifty-one attendees included seventeen band members and their guests, three Honored Wives and six Friends of the Band who joined us.

Seven band grandkids received gifts from Santa (Norm Churchill) and his Elf (Ron Bowen). A special treat was having the grandkids play with the band and entertain the group. Arianna Weisen, age 10, Larry Weed's granddaughter, played trumpet; Andy Churchill, age 10, Norm's grandson, played euphonium; Libby Churchill, age 7, Norm's granddaughter and Sabrynne Buchholtz, age 9, Ron Bowen's granddaughter, played the Christmas Bells. Sabrynne also played a violin solo.

A joyous Children's Christmas Party planned and organized by Ill Sir Bob Burr and Lady Betty was held at the Colorado Springs Shrine Club. Thirteen band members entertained with the playing of Christmas carols and music. Five band grandkids and five Friends of the Band joined in with the band.

Special mention and thanks is due the Friends of the Band who give their time and whole-hearted support to the band in so many ways.

LEGION OF HONOR

By Commander Billy Swartz

The Legion of Honor Official Visit By Illustrious Sir Bill Stoner was a great success and I thank everyone who supported our unit. There were about 90 Nobles, their Ladies and guests in attendance. It was nice to have the 2008 CSSA Commander Morris Sykes attend. Legion Noble Jerry Ragan received his 25-year pin for his faithful service.

This year presents several challenges to our unit including the International Legion of Honor Convention here in Colorado Springs from April 23-27, at the Doubletree Hotel. The International Commander, Garry Henderson, expects 400 - 500 Legion Nobles to enjoy our city. Our unit has already made 20 reservations for the convention. We are all looking forward to the Mule Train giving their flag presentation to add to the events. Our Bluebirds will be showing the ladies all about the doll making program for our Shriners Hospitals at the convention. Also remember the 6th of April is our Spaghetti Dinner Fundraiser and we appreciate everyone's support. Members are pleased with the new Legion of Honor shirts that add an attractive addition to our unit's appearance. Our unit actively supported the IHOP fundraiser on the 12th of February and Burn Awareness Week from February 3-9.

Welcome to our newest member, Legion Noble Bob Bills and his wife Barbara. The Legion is seeking more new members. If you are active duty military or an honorably discharged Veteran, a member of Al Kaly Shrine and seeking a unit to affiliate with, contact Commander Billy Swartz at 719-661-3862, or any member of the Legion. (See our Ad in the Dust). We meet at the Colorado Springs Shrine Club the second Wednesday monthly at 7:00 P.M.

ELITE

By Bob Bills

All of our members and their Ladies had so much fun at Giuseppe's for our dinner and meeting, that we thought we would have yet ANOTHER dinner meeting, this time at South Side Johnny's. We will meet at 6:00 PM for social, and dinner later. I'll be e-mailing a map to this obscure place so none will get lost. We welcome guests and folks that might be interested in piloting a scooter in one or all of our parades.

KALYKLOWNS

By Howard "Cuz'n Clem" Magan, Correspondent

The Kalyklowns started the year off with a bang, having our OV with Ill. Sir Bill Stoner and First Lady Rose. Also present were several members of the Divan. These were CR Noble Tom Holmes and Lady Sherry, AR Noble Steve Jordan and Lady Deborah, HPP Noble Rex Reid and Lady Jane, OG Noble Alan Ake and Lady Linda, 1st CM Noble Gary Sears and Lady Donna, Director Noble Larry Newman and Lady Mary. As our guest speaker for the evening, following a great feast prepared by the members of BPOE #90 at whose facility we were meeting, was Lacie Davis, who spoke of her experience as a Shriners' Child. Also present were several aides and other nobles for a total of 47 present.

We are currently preparing to get underway with the 2008 parade season. Our hospital visitation program continues to thrive and garners for the Kalyklowns some great exposure in the community. On February 12, many members of our Unit participated in the Shriners' Hospital Fundraiser at IHOP in Pueblo. Thanks to all the Kalyklowns and Nobility for their participation in this event. I am not sure of the amount raised at this event, but the South Side IHOP raised nearly \$1150 as of 10:00 PM that day, and donations were still being deposited in the receptacle at the time we were leaving. A great job was done by all!
