# GRATITUDE

Jared Maddox  
Potentate

Greetings to you my fellow Nobles of Al Kaly! I hope ya'll weathered the winter months well and are looking forward to a fun filled and busy Spring. We have a full schedule ahead of us as the year starts to ramp up, there will be plenty of opportunities for Nobles to be involved and help Al Kaly be a success in 2025. One major event that all need to be aware of is our Ceremonial and Stated Meeting on the 5th of April. Please plan on attending, and most importantly, be working on the Master Masons in your respective lodges that you feel would make a great Shriner and addition to our ranks. As you all know, the Shrine provides a wonderful way for all Masons to put our most noble cause, Charity, into practice.

I entitled my remarks, Gratitude, as I am writing this in the last week of my 40s. March is a significant month for me as it represents another completed lap around the Sun. I have spent a lot of time these past few weeks contemplating and reminiscing 50 years of life. Of all the major events I've seen and things I have experienced, I keep coming back to the feeling of gratitude

for all of it. Every moment of life that God gives us is precious, and all experiences we have, good and bad, are opportunities to learn and grow.

I am especially grateful for all the Nobles that do so much to help Al Kaly. I am grateful for your brotherhood and friendship. I have learned to appreciate men such as you, who strive to be their best and spend a significant amount of time, compared to much of the rest of society, working to help and lift up others. I encourage all of you to stop and take a moment, wherever you are at in life, to consider how much the Grand Architect has blessed you in your lives. Lastly, let us look for and seek opportunities to be the reason others have to feel gratitude themselves, especially "children, who cannot help themselves."

As we start to get busy, I look forward to seeing and serving with my fellow Nobles! Let's continue to make 2025 a great year for Al Kaly! I'll see you on the trail!

# MEMBERSHIP NOTES AND QUOTES

**Mark Giffin**  
Assistant Rabban

Last year Al Kaly had a membership goal of 15 new or restored members. We made the goal with some last-minute phone calls by our Potentate I.S. John Weed. I remember thinking that if we made our goal, then we should show positive growth in our total membership numbers. Well. I must be the most naïve Shriner in Al Kaly as we lost 25 members either to demit or to black camel.

This year, we have a goal of 20 new or restored members for Al Kaly. Even if we somehow manage to achieve this goal, there is no guarantee we will show positive growth. With the average age of a member being 72 years old, the chances are pretty good that we will need to bring in additional membership. How do we accomplish this feat?

To start with, our clubs of Escalante, Mon Ark, San Dunes, San Juan Basin, Southeastern, and Trinidad all need to bring in at least 2 new members. Why 2 new members? One for replacement and one for growth. That would give us 12 new members. Colorado Springs should be able to bring in at least 6 new members and Pueblo 4 new members. That would give our temple 22 new

members. That is how we get to positive growth in an ideal world.

If anyone needs membership literature, please reach out to me at 303-304-9115 or sign your prospective member up at beashrinernow.com. By signing up new prospects, our Divan can track our successes and failures. Also, as a reminder, our next ceremonial is scheduled for April 5th at the Colorado Springs Shrine Club at 6 South 33rd Street, Colorado Springs, CO. Please make the effort to attend and support Al Kaly Shriners.

**INDEPENDENT**

At Montgomery & Steward Funeral Directors, we're proud to be independent - just like you. We're owned and operated by lifetime Puebloans - not by any of the giant funeral home chains. This means we only answer to the families we serve, not to outside stockholders.

Your independence allows you to select which funeral home you will call at the time of need, or when considering a pre-need plan. That same independence allows you to choose a local funeral home where you know your wishes will be followed to the letter.

We honor most funeral plans made with other funeral homes. Just call us and we'll be happy to explain your options and handle the details for you.

Since 1922, we've worked hard to make a positive difference in the Pueblo community by providing service and care for families of all faiths and ethnic origins.

Please call us today. We never use high pressure sales tactics. And we'll be happy to answer your questions and discuss your options at your convenience at our funeral home or in the privacy of your home.

## Shriners Hospitals for Children is Dedicated to Spinal Cord Injury Rehabilitation

Sustaining a spinal cord injury (SCI) can be a frightening, overwhelming experience. A spinal cord injury can affect every function of the body.

There are 12,000 new cases of spinal cord injury in the U.S. each year, and approximately 10 percent affect children under age 16. Automobile crashes are the leading cause of spinal cord injury. In addition to providing expert

medical and rehabilitative care for a patient with a spinal cord injury, it is critically important for caregivers to be aware of and meet the developmental, social and educational needs of children and adolescents with these injuries in order to ensure they have the best opportunity for a full, satisfying life. Accordingly, in the mid-1980s, Shriners Hospitals for Children® established the nation's first spinal cord injury rehabilitation and management programs specifically designed for children and teenagers.

Shriners Hospitals for Children®

To learn more about Shriners Hospitals for Children, please visit [shrinershospitalforchildren.org](http://shrinershospitalforchildren.org)

Patients participating in these programs – available at the Shriners Hospitals for Children in Chicago, Philadelphia and Sacramento, Calif. – receive the complete range of services needed in order to recover to the fullest extent possible.

As is true of all care offered at Shriners Hospitals for Children, the SCI rehabilitation program is family-centered and interdisciplinary, offering each patient a complete, easily accessible care program. The treatment team includes a variety of surgeons and other physicians, nurses, therapists, therapeutic recreation specialists, psychologists, social workers, and dietitians.

Innovative therapy efforts include body-weight supported manual treadmill training or robotic treadmill training with the Lokomat, a device that automates movement therapy and improves the efficiency of treadmill training in patients with neurological movement disorders, such as spinal cord injury. Both of these therapies provide weight-bearing opportunities and can help stimulate muscles and build strength and stamina. Some of our hospitals also offer robotic assisted gait training via the ReWalk exoskeleton system.

In addition to therapy, exercise and activity-based rehabilitation, including aqua therapy, pet therapy and adaptive sports, is emphasized. These activities build strength and stamina and increase social interaction, confidence and independence. Some of the hospitals also offer specialty camps emphasizing aspects of health, fitness and independence.

In order to provide the best, most innovative care possible, Shriners Hospitals for Children is involved in several research efforts involving SCI. These include quality of life studies and studies to understand the complexities of regenerating the spinal cord.

Shriners Hospitals for Children shares its expertise in pediatric spinal cord injury rehabilitation through academic affiliations at prestigious nearby institutions, such as Rush Medical College in Chicago, University of California Davis and Temple University in Philadelphia, and through various medical outreach programs.

While the health care system provides this expert care regardless of a family's ability to pay, the organization depends on the generosity of donors to support its mission of caring for children. To learn how you can help, please visit [donate2SHC.org](http://donate2SHC.org).

"Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.
