Summer Days Are Here Again

POTENTATE AND FIRST LADY'S MESSAGE

by *Ill. Sir Larry Weed
and Lady Helen*

Greetings from the top of the view! The month of May hit my Lady Helen and I pretty hard with the Covid virus. We both tested positive, and I was quarantined for 10 days at the start of the month of May, getting cleared mid-month. Helen was down for more than a month, testing negative by the second week of June, and still gaining her strength back a month later. We are both looking forward to getting back to normal. I know a lot of you have also caught the bug, and I pray for you all to be healthy and be able to enjoy the rest of the year. It has been and still is a terrible pandemic!

Fifty of us were able to go on the 2022 Cruise on the Ohio River, starting in Louisville, KY, and ending in Pittsburg, PA. In Louisville, we were met at our first stop by Kosair Potentate Jon Dawson and his Lady Brenda, and Shriner Child "Super Sam" and his parents Noble Patrick and Lady Samantha at a Grand Reception at the Brown Hotel. The food, fun, and fellowship were truly Shriner quality throughout the whole trip over the 9+ days and the port stops in 5 states. Those that went said they all enjoyed it. Many thanks to Lady Cindy Stivers for doing an excellent job setting this up, and to all who participated.

We had two parades in May and June, starting with the Canon City Music and Blossom Fest, and going to Salida for the Fun in Boating on the Arkansas River (FIB-Ark) Festival. Both were well supported, and we enjoyed the fellowship with Potentate Ken Jones and our El Jebel neighbors from the north participating in Salida! We have several more parades around the Fourth of July and throughout the remaining summer months. In June and July, we also had the Trinidad Shrine Club Official Visit (OV), the Band OV, and the Sand Dunes Shrine Club OV, with several more scheduled for August and September. We also had our third Stated Meeting in June, giving an update on Al Kaly happenings and updates from Shriner's International. Please check the Al Kaly calendar (<https://www.brownbearsw.com/cal/alkalyshrine>) and come out for our events as some dates have changed.

The Shriners International Imperial 150th Anniversary Session was in Minneapolis this year, and we had four couples attending, staying up on things. It really is a treat to see so many

Shriners having fun together, and taking care of business! The Central States Shriners Association (CSSA) session is coming up in Wichita, KS, August 25-27, and we are planning to have a great showing of Al Kaly there, participating in the events. Look for more information on Wichita and the outlying parades in the weekly "Nuts N Bolts".

I encourage all Nobles and their Ladies to promote the Shrine and all our events to their friends and neighbors and most especially to our Brothers in Blue Lodges who are not yet Shriners. I hope we continue showing the community what we do and who we are. Together let us celebrate our years of Fun, Fellowship and Philanthropy. If you are not associated with a unit, or a member of a club, find one and get active. So like me, "Fix your fez and get on the team!" Let's have more... "FUN IN TWENTY-ONE!" as we are working to be "Helping Shriner Children reach the Top!"; :)

Hope to see you soon!

ASK12B1

OFFICIAL CALL OF THE POTENTATE

Notice is hereby given that the next stated meeting will be held:

September 16th, 2022, at 7:30pm

Colorado Springs Shrine Club

6 S. 33rd Street, Colorado Springs, CO 80904

Social hour before the meeting, no dinner. If social distancing rules are active due to COVID-19, we will conduct a Zoom meeting.

I.S. Larry Weed

BOWL-A-THON 2022

We had a great turnout for the Bowl-A-Thon on April 24th, 2022. I want to thank my co captains WB Randy Sanger and WB Cliff Wieger for help in making the event a success. We had 20 bowlers who came out and had a great time.

The Bowl-a-thon raised \$3,005 for the Shriners Children. Thank you all who attended and made it a beautiful day of bowling. We had a few of the past Potentates attend to support our function, I.S. Jim Eaches and Lady Rosa, I.S. Ray Singmaster and Lady LorAnn, and of course the Potentate I.S. Larry Weed and Lady Helen. I.S. Larry Weed threw out the first bowling ball to start the event. Thank you all for attending. I would also like to thank Chuck, the owner of Pinheadz

Bowl for letting us use his house for the Bowl-A-Thon. This fund raiser will take place again on October 16th, 2022. We hope to see more people come out and enjoy a fun day of bowling. Thank you all for your support.

Yours in the Faith
Richard "Swede" Hanson

Proud to be INDEPENDENT

Dian & Gerry J.
Montgomery

At Montgomery & Steward Funeral Directors, we're proud to be independent - just like you. We're owned and operated by lifetime Puebloans - not by any of the giant funeral home chains. This means we only answer to the families we serve, not to outside stockholders.

Your independence allows you to select which funeral home you will call at the time of need, or when considering a pre-need plan. That same independence allows you to choose a local funeral home where you know your wishes will be followed to the letter.

We honor most funeral plans made with other funeral homes. Just call us and we'll be happy to explain your options and handle the details for you.

Since 1922, we've worked hard to make a positive difference in the Pueblo community by providing service and care for families of all faiths and ethnic origins.

Please call us today. We never use high pressure sales tactics. And we'll be happy to answer your questions and discuss your options at your convenience at our funeral home or in the privacy of your home.

PARADE SEASON AND HEAT-RELATED ISSUES

By Matt Langley
Oriental Guide

Good day Ladies and Nobles. I would like to take a moment of your time to discuss heat related issues during parade season. We are currently in our lovely monsoon season in Colorado, but that as we all know will end soon. With that being said, the temperature is rising, and the humidity is dropping. Often when we travel to different events across the state, we start our day before sun up and may be out till almost sun down. The constant exposure to sun and heat can be a deadly combination.

There are three types of heat illness/injuries. In the order of least serious to most severe are heat cramps, heat exhaustion, and heat stroke. If these conditions go untreated serious medical conditions could arise.

Heat cramps are just that, cramps. Sudden cramps, most often in the larger muscle groups that may feel like the middle of the night charley horse that won't go away. The cramps may also be accompanied with tremor activity.

The next is heat exhaustion. This is a result of your body overheating. Heat exhaustion is your bodies attempt to

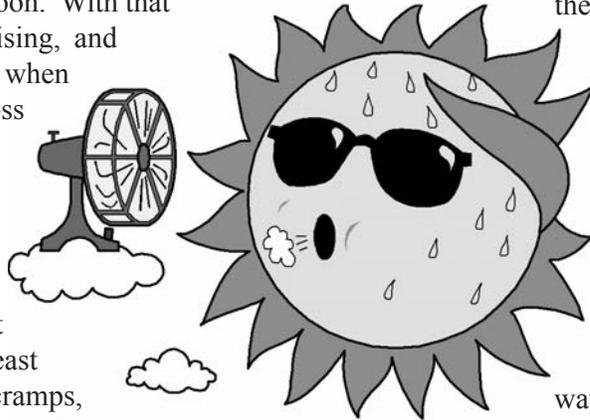

compensate for the environmental conditions. Often presents with heavy sweating and increased pulse rate.

The last condition is the most serious, heat stroke. Heat stroke occurs when the body is no longer able to control its temperature. Sweating stops and the individual becomes hot to the touch. Once the body's ability to compensate is shut down the internal body temperature can rise upwards to 106 degrees Fahrenheit in less than twenty minutes.

The things we need to watch for, not only on ourselves but those around us, are the common signs of heat related illness and injuries. These signs include headache, nausea, dizziness, weakness, thirst, heavy sweating, and hot to touch.

Other than avoiding hot temperatures the ways to help prevent these issues are simple. First **HYDRATE, HYDRATE, HYDRATE.** Drink water, not sugar filled soft drinks. The loss of water and electrolytes is the main contributor to heat related injuries and illnesses. Gatorade and Pedialyte are great for electrolyte replacement but try to drink zero sugar or mix 50% sports drink to 50% water. Remember the water you drink the night before is what is going to be in your system first thing in the morning. Hydration is a constant process. Alcohol is one of the worst things to drink prior to an event or out in the weather. Next wear loose fitting and lightweight clothes that are breathable and designed for sun protection and hot weather. Large hats to keep the sun off the face and head. These help prevent immediate evaporation of sweat and allows it to do its job of cooling the skin. Next is get out of the heat when at all possible. Short breaks in air conditioning allows the body to cool without stressing its compensation mechanisms. Cheat to win so to speak. Then finally if you start to feel bad let someone know. Steps can be taken to prevent serious incidents.

I hope to see everyone having fun at the summer events. As always everyone, have a great day and be safe.

In Memoriam

As of: June 19, 2022

"Do not stand at my grave and weep,
I am not there, I do not sleep,
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush.
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.
