# POTENTATE AND FIRST LADY'S MESSAGE

by *Ill. Sir Merv Terrill  
and Lady Glenda*

The leaves are turning and falling, temperatures are on the way down, the year-end holidays are on the way, and the world is beginning to slow for winter. Al Kaly, however, is like the teen-ager with a driver's license. This year's Potentate and Lady are going as fast as we can and in January we will come to a screeching halt all at once.

The next month holds the Basketball Tournaments, a Ceremonial accompanied by the 2014 Chili Cook-off, and the Potentate's Appreciation Event. There will then be a short break in which regular monthly meetings need attending, Thanksgiving will happen and Christmas parties will begin.

The Potentate's trip was wonderful and those of you who wanted to go but couldn't missed a supremely fun and entertaining event. Oxford and Iceland were our highlights, the rest was simply wonderful. Scrapbooks are available to peruse if you have a desire to see them...let us know if you do.

Pipes and Drums OV had the Potentate eating haggis (which he actually likes) and tasting Scotch (which he doesn't). He proclaimed them both fit for consumption and dinner went on.

The Elite OV is coming and will be a memory when this is published. Then we want to wish each of you individually and as families, the Happiest of Thanksgivings and upcoming Christmas holidays.

See you at the remaining events!

# JD Potter

by Rose Enyeart

### CREATING FUTURES FOR FAMILIES

Chief Rabban, soon to be Potentate of Al Kaly Shrine, JD Potter has deep roots in Pueblo, in fact he and his family live in his grandfather's house. First JD's dad bought the house and then JD purchased it from him and he and Stacey raised their family there. JD attended his grandfather's Masonic funeral and asked his dad, John, how you could become a Mason. "You just did," replied his dad. So in 1993, JD followed his great grandfather, his grandfather and his father, John, into the Masonic brotherhood. During this time, raising the family and working, he didn't really get very involved in the fraternity.

CR (Chief Rabban) JD has worked in and around construction and building most of his life. He currently is Supervisor of the Building Inspection for Pueblo County. He used to get to look and inspect the new beautiful housing and building in the area. Now he gets the problems and has to solve them. In fact, that is how he was introduced to the Shrine. In 2009, he was

invited to the Pueblo Shrine Club to address some of their building's issues. Noble Wayne McKee pointed out to the group that CR JD was, in fact a Mason. JD went home after filling out a petition to become a Shriner and helping them identify and solve some problems.

What moved CR JD from being a willing participant in Al Kaly, to being an active member, was when a woman approached him and asked if the Shriners could help her daughter who had scoliosis. He enthusiastically helped her get the medical attention she and her family needed. The Shriners changed that child and her family's life, but it changed his as well. He realized how important such help could be for families and how simply and graciously the Shriner Hospitals for Children, gave care and love to those who need their services.

Typical of CR JD's enthusiasm, he is in three units. He loves the Mule Team and when they take the mules to a Parade, he rides a mule in the parade. If his dad is going to parade, they take their Little Ts. Yes, he got John to join Al Kaly and they have Little Ts. If he attends the parade without his dad, he rides his motorcycle in the Potentate's Escort. Truth be known, JD loves the Little Ts where he can see and talk to the children on the parade route. IS Allan Ake appointed him to the line and he and Lady Stacey have just jumped in and gone to every possible

event they can. With their children pretty well grown, more time has been given to Shriner activities. They have three daughters, Shawna, Karlee and Taylor. Their son, Talon, is in high school and plays football. Talon's team has had a great season and was involved with post season games.

JD's enthusiasm for life and Shrinedom is inspiring and catching. He has discovered that the Shrine allows the family to participate in many things together. One way he plans to bring more closeness for the families is that he is going to have an Open Installation, which will certainly take place the second weekend in January. With the installation being held for all to see at the hotel, it will give much more of a family participation quality to the occasion. His Installation will include the Mule Team flag drill (without the mules). JD has a dream to involve more people in various activities. There will be numerous opportunities that are intended to draw more people to the possibilities that the Shrine offers.

Noble James Hinojosa has created a new fundraiser for Al Kaly Shrine, a Girls' Softball Tournament to be held

April 14-15. The girls will be on teams for 10 year olds, 12 year olds, and 14 year olds. It will be held at Ft. Carson and should be a great way for families of the girls to see what the Shrine can do. It could be a great way to recruit new members and have a great time.

In his planning for his year, CR JD put his calendar on the web site for people to view and correct if they need to, before it goes to print. He has put much thought and planning into the year so that hopefully he and Lady Stacey will be able to enjoy it and just hang on for the wonderful ride it will be.

CR JD's vision for his year is built around the slogan, Shriners Build the Future. He realizes that his time in Al Kaly has made him a better person, husband, father and friend. He realizes that when Al Kaly helps a child, they help a family and create a better future for the child. JD practices the phrases, Keep the tradition alive. Aren't you proud to be a Shriner?

## PHOTOGRAPHERS NEEDED

Al Kaly is looking for Nobles who are interested in photography. If you have a digital camera and an interest in taking pictures of Al Kaly events, we need you. If we get enough Nobles who would like to pursue this hobby, we can start a Photography Unit to increase our skills and learn how to become more proficient on the computer with digital technology. We would have picture-taking outings, and social events. Email Roger Mendenhall at [rogerm52@q.com](mailto:rogerm52@q.com) if you are interested.

# MARK YOUR CALENDARS

by *J.D. Potter*  
Chief Rabban

Lady Stacey and I would like to wish everyone a safe and peaceful holiday.

Upcoming events, the Stated Meeting and Elections will be on December 12th at the Pueblo Shrine Club.

Notice is hereby given that the Annual Meeting of the Ladies and Installation of Officers for the 2015 year will be an Open Installation (yes, I said Open Installation). Attire will still be formal/semi-formal as always. The meeting will be held at the Pueblo Convention Center on January 9, 2015, followed by the team breakfast on the 10th.

My Lady Stacey and I want to try something new this year. We are hoping that by the Nobles and their Ladies having dinner together with their spouse or significant other, the turnout might be greater and a little more enjoyable. Not saying that the ladies don't enjoy each other's company but the long wait for their spouses to return....Start by having a cocktail or cocktails and snacks with us in the hospitality room. Following with social time, cocktails, snacks at the Convention Center then the fun begins. We will be having some opening Entertainment, followed by dinner then the Introduction and Installation of Officers, followed by music.

My Lady Stacey and I hope to see you all in January to support us and all the 2015 Officers and their ladies.

# A NEW GOLFER, THANKS TO SHRINER HOSPITALS

by *Jim Eaches, Sr.*  
Assistant Rabban

Greetings,

I hope you are all enjoying this warm fall season. Some of the trees are trying their best to hold on to their leaves; however, they will soon all be bare and hopefully a lot of fluffy cold white flurries will settle in, Yeah -- my kind of weather.

So now for all you golfers here is a great story. It seems that the Philadelphia Shrine Hospital has been assisting a young golfer. Tommy Morrissey's right hand never developed below the elbow due to a blood clot. When they found out during an ultrasound, his parents were devastated. You would think that the little guy would be affected by this handicap, not in the least. At 13 months, Tommy started watching golf with his father Joe, his mother is also a golfer so what other sport would this little guy want to play, naturally golf. At 18 months old he started mimicking the golfers. Soon he started finding his own instructional golf videos to watch. His parents bought him a plastic golf club and ball, and the rest is history. Tommy has a natural gift – his swing, his set-up and especially his drive.

The doctors at Shriners Hospital for Children – Philadelphia told Mrs. Morrissey that her son would have exceptional hand - eye coordination. Without his right hand his body and his brain have to compensate in ways yours and mine would not.

So at three years old, this little golfer is out there with his parents using real equipment and turning a lot of heads as they watch him play. The golf pros are amazed as they watch Tommy drive a ball 100 yards. Tommy is proud of his small arm which he calls "Nemo" after the Disney character with a small fin. Recently a sports reporter asked Tommy for some advice on driving the ball. His reply was "Grip it and rip it." Now that's an awesome three years old. In closing, my Lady Rosa and I wish all of you the best of the Holiday Season. Enjoy your turkey, ham and hopefully a nice stocking stuffed with goodies.

Yours in Shrinedom

# THE YEAR'S END ALREADY

by **Ron Bowen**  
*High Priest and Prophet*

Greetings All,  
I just can't figure out what's happened to this year, it has all gone by so fast! We are already coming into December with plenty of O.V.s and Christmas parties, and visions of sugarplums soon to be dancing in our heads.

So, thanks to Ruhamah Temple No. 71, I became an alligator. Yes, that's right. It was a day that I will always remember. It was something. Not quite sure what... All joking aside, it was definitely a fun time!

We attended the Pipe and Drum O.V. It was really a great evening. The Divan was piped into the dining room, and if you have never eaten haggis you really must try some! It really is not bad at all. Well, it was okay a la American style... but I wouldn't touch it with a ten foot pole, let alone attempt to eat some, if I happened to be in the old country and it was authentic haggis!!

We have three O. V.'s remaining for the year, and I hope you didn't forget the Basketball Tournament November 14 and 15. It would just be so fantastic if we had a large amount of Fez's there on top of Shriners' heads. It's always nice to have a sea of red!

By the way, in case you don't know, the 2015 Shriners Calendars are now in the office. If you haven't picked yours up yet, please call the office and let Chris know the number of calendars you would like to sell and the name of the individual who will pick them up. Chris has really been working very hard to get them ready for your pick up. Remember this is a fund raiser for the Temple and we need all your help and support in making this a great event. I've said it before; they make excellent gifts for Christmas and in return are a money maker for the Temple. Also, for each calendar sold, your Club or Unit will receive seven dollars so let's all of us get out and work hard selling them!

Well, until next month take care and I hope to see you at our upcoming events!

Take care.

# OUR WHIRLWIND TOUR

by **Jim Burger**  
*Oriental Guide*

First of all, my lady Mary and I wish every one of you a great and joyful Merry Christmas.

We have just returned from the AL Kaly Potentate's trip. What a Blast! Those that didn't make the trip, you missed a great time.

Scotland was beautiful and the historic buildings there are awesome. We especially enjoyed the tour of Edinburgh castle. We were able to find the Grand Lodge of Scotland in our wanderings around the town of Edinburgh. The Architecture of the town and the Masonic Hall were impressive. Mary & I were able take a tour of the Grand Lodge, and the history retold there was fantastic. Our guide pointed out a large painting of a Mason being raised back in the 1700's The Mason being raised was Robert Burns, a famous English Architect and Poet. There were over a hundred people in the painting and he was able to tell who they were and the history behind them. The stories he told of all the people in the painting made me understand the importance of verbal histories.

While in Scotland, we were also able to visit the Rosalyn Chapel, of 'The Da Vinci Code' fame. The chapel was constructed in the 1700s at the order of a local Duke. The Masonic craftsmanship is impressive. I doubt we could build such an impressive structure today. Mary and

# BRONCO PARTY

by James Hinojosa  
First Ceremonial Master

Nobles,  
The Pueblo Shrine Club will be hosting a Broncos party on December 7th at 2pm in conjunction with the all you can eat breakfast for the month. The party is open to all Nobles and guests all we ask is that you bring a food dish to share. There will be a cash bar and lots of fun, so invite a Noble you haven't seen for a while or someone you think might make a great Noble. There is no cost other than you bring a dish of food or snack to share. Let's make this a Bronco Party to talk about.

In closing I would like to say Ill. Sir Merv, what a great job you did this year you have gotten my Lady and me involved more than we could've imagined. The circuses, parades and the O.Vs., that we attended with you and Lady Glenda where absolutely fun! Thank you for your friendship and brotherly love and guidance from both of you. I look forward to the New Year.

# FROM THE DESK OF THE TREASURER

by Eugene Dobrzelecki  
Treasurer

The end of the year is fast approaching. You will not be reading this until December but the news it contains is very good. The financials that are presented to the right are as of November 1 but with only two months to go I do not see the bottom line changing very much. But a few reminders first.

To all clubs, units and club holding corporations. The annual report is due to the Shrine office no later than January 31. I know, I know – you have not routinely sent them in until March or April. Do you know what that does to the front office? It puts them into a state of confusion and a bit of anger. Because starting on the first of February Chris and I start putting things together to give to the Shrine auditor so she can prepare our tax returns. I cannot give the files to her until I get ALL the annual reports together because they are all reported in the Al Kaly tax returns.

Now for some instructions. The form and instructions will be on the Al Kaly web site for downloading. Using this source will give you a form that you can use in Excel and have the totals automatically entered for you. Just enter the amounts for the various accounts. For those who do not have Excel or cannot download the forms, you can use the hard copy forms that we mailed to each of you in late November. They went to all club and unit Secretaries. If you have not received your copy by now, please contact the Al Kaly office. Please remember that LAST YEAR'S ENDING BALANCE IS THIS YEAR'S BEGINNING BALANCE.

A final reminder and this is to the three Club Holding Corporations: use the same form that the club uses for the annual report. DO NOT include your information in the club return. [Please note: the holding corporation reports are reviewed by the Al Kaly Finance Committee and are not reported to Tampa]. Also remember that the annual filing of your 990-N is due BEFORE March 15. If you wish me to file it for you, please let me know but I must see your annual financial report before I can do that. Also please note that all rental income from the property MUST be reported by the Holding Corporation.

OK, enough Treasurer guidance. Here are the numbers as of November 1 (*continued right*).

## END OF THE YEAR

by *Bart Guthrie, P.P.*  
Recorder

It's that time again to gather in 2014 "stuff" and prepare for 2015. If you have a name tag "ladder" and fez strip that you will not be using in 2015 please turn it in to the Office by the end of the year. Ladders are not too bad; but, the cost of fez strips has increased dramatically. If we can reuse them, it saves our Shrine considerable money.

With all the activities going on, please get your reservations in to the Office early so that we can have accurate counts to our caterer for all meals.

That pretty well wraps it up for me. Remember our stated meeting and election of officers for 2015 on December 12, 2014. Please be there to welcome our newly elected officers. And... Rosemary and I wish all of you a blessed Christmas and a Happy and safe New Year. See you around campus!

*(Oriental Guide, continued from page 9)*

I wandered around the town of Rosalyn and were able to find the lodge there charted in 1800's. No one was home but we took pictures of the outside.

Next we went to London for a few days. Most of the group went on bus tours of London and other sites, Mary and I went off on our own to the Masonic Museum of London, another great place with a pile of history and great artifacts from back in the early times. We also visited the British Museum. Later, we took a tour of Oxford and were able to see Shakespeare's birth place and the area around it. The thatch covered cottages were nicely restored and had interesting gardens.

Off to Iceland for the last few days, what a beautiful place! Within 30 minutes of landing we were in the Blue Lagoon: a thermal pool in the lava rocks. It took all of the tension out of our bodies.

The next day we took a tour of the southwestern tip of Iceland from Reykjavik to see waterfalls, glaciers and geysers and the rift valley. Iceland has the clearest water and the best tasting I have had. You have to go there to experience it.

# ANOTHER SUCCESS STORY

by Rose Enyeart

When Erick Guiterrez was born, his family sought the help of the Shriners Hospital in Salt Lake City. For over fourteen years, Al Kaly Shriners have supported the on-going care of Erick. He is now fifteen years old and attends Atlas Academy, a Charter School where he is a sophomore. Erick was born with cerebral palsy which effected the right side of his body, his arm and leg, specifically. He also has epilepsy for which he takes medication. He is enjoying high school very much and is a handsome young man. His mother Nancy Rodriquez, investigated a school system that would open doors for her son and allow him more access to regular classes. He'd been confined, because of his disabilities, to classes for remedial students. Attending a school where he is challenged in his classes and allowed to succeed as a scholar has given him much confidence and a desire to continue schooling after high school graduation.

Salt Lake City Hospital has treated him by providing shoes that allow him to walk unaided. The brace built into the shoe was checked and replaced about every six months when he was younger and grew out of it regularly. They are now replaced as he needs them. The latest trip to the hospital also included Botox injections into the left arm that were intended to relax it and release and straighten the wrist. The injections allow him more movement in the wrist. The only option, surgery that would perhaps give more movement, is being considered. His mother wisely determined that Erick should make the decision because a less than perfect outcome could be hard to live with. He currently has some use of the arm which would perhaps be impeded if the surgery didn't go as planned. For now, the surgery is not being considered.

On other visits to the Hospital, Erick has had surgery on his leg to allow it to have more mobility with the shoe brace he wears. He gets around independently with the shoe and brace. What he'll do once he ages out of the Shriners is a question that needs to be pursued.

The remarkable story of Erick's schooling is due to Nancy's persistence. She was not satisfied with the education he was receiving. He was helping other students by translating for the Spanish only speakers and being their helper. But he was not receiving the educational challenges he needed. She looked until she found a school that wouldn't put him with students who were intellectually and physically challenged which would allow him the opportunity to really start to grow academically. At Atlas, he attends regular classes and his English has improved as has his ability to study and get homework finished and classwork done. His transition to the high school program has brought him the opportunity to grow up and start planning for his future.

At home Erik loves to listen to music and to sing. He also loves sports and plays basketball with his cousins. Like all teenagers, he loves the computer and computer games. He is very good in math and computers and wants to continue to learn more about computers. His school guidance counselors have suggested that he study x-ray technology because it would be a good fit with his limited arm use. What the Shriners have done for Erik gives him the mobility and confidence to continue learning and maturing.

He will be able to find a good job and one that will allow him to keep learning and growing.

When asked what he was most grateful for regarding the care from the Shriner's Hospitals, he quickly said, "They helped me even without a passport." The Shriner Hospitals are for Children who need help. In all these year of care at the Salt Lake City Shriners Hospital for Children, the support never wavers. He goes for check-ups and new leg braces, consultations for improving his mobility, and whatever surgeries are required. He is one of the children whose lives have been changed and enhanced by the quiet work of the Shriner Hospitals Network. All that the local Shrine affiliates do and contribute to their mission to help children live fuller lives is done with no thought of reward. A job well done and quietly carried out by many has given new lives and continued hope to thousands of children. Keep the tradition alive. Aren't you proud to be a Shriner?

# The Roving Ambassador

by Richard Mills

After a great Summer culminating with a fun filled trip to England, Scotland and Iceland, we are back to normal duties. The "Blue Lodges" are going strong after their Summer break and I have had the pleasure of visiting with some. The Potentate started a program this year of giving recognition to a Brother who has reached a milestone in his Masonic career, such as becoming a Master Mason, fifty year pins as a Mason and as Mason of the year and any achievements. We have given several of these awards this year and they have been well received by the Brothers. This is good publicity for the Shrine and it lets the blue lodges know that Al Kaly is interested in their function.

We are looking for methods to engage our brother Masons in Shrine functions. If you have any ideas or with to help, please contact me. When you visit a blue lodge, invite the brothers to a unit meeting, basketball game or whatever. We need to engage more.

Each year the Potentate assigns nobles to be ambassadors for Al Kaly. Their duties are not just to interact with the blue lodges but ambassadors in general. We are the salesmen for the Shrine and are on duty every day. The Shrine is running a very good ad on T.V. and this provides a good opportunity to "sell" the Shrine while it is fresh in people's minds. Remember, every Noble is an ambassador.

## In Memoriam as of October 31, 2014

Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.

# Ruhamah Temple No. 71 - Daughters of the Nile

by **LorAnn Singmaster**  
Queen

Greetings,  
Ruhamah Temple is breathing a sigh of relief. On November 3rd we had our Supreme Official visit from our Supreme Queen Marsha Sowers. I must say that all the ladies and their Noble's made the day and evening "shine". We can't remember when we had so many Supreme Elective and Supreme Appointed officers and Supreme Appointees from all over. There were Past Queens from as far away as Tampa, Florida and Atlanta, Georgia. We welcomed three new Princesses into Ruhamah Temple: Rosa Cavanee, Terese Ellis and Shayla Gardner during a beautiful initiation ceremony. At our evening banquet, Past Queen Deborah Jordan was our Mistress of Ceremonies, where Illustrious Sir Merv Terrill, Potentate of Al Kaly and

Worshipful Brother Michael McMillin, Grand Master of the Grand Lodge of the State of Colorado both brought greetings. Past Supreme

*Supreme Queen's visit.*

Queen Hulene "Mickey" Fitzpatrick and First Lady of Al Kaly Glenda also enjoyed visiting at the head table. Supreme Queen Marsha told us all about her visits to the Shriners Hospitals for Children and what wonderful things they are doing for the children, the new hospitals opening up in St. Louis, Missouri and Montréal, Canada. Several of the ladies went up the next day to El Mejdal Temple No 47 in Denver to support them in their Official visit. As I was escorting the Supreme Queen up to Denver, she paid a very dear complement to Ruhamah Temple, she mentioned that she felt the warmth and caring among all the members! I was bursting with PRIDE. A few of us continued on to Albuquerque and had a great time.

Please remember our "High Tea" on February 7th. Remember to save all those can tabs. We now have an "Adopt a Bag" account, where every check you write to this account is tax deductible. We had to apply to the Supreme Temple to open this account and every penny goes to the children. Ask us about this account, anyone or business can contribute to this account. Now that the holidays are right around the corner...where has this year gone? Remember to count your blessings.

## AL KALY PR COMMITTEE

by **Richard Mills**  
President

First and foremost, I'd like to take a few words to thank those Nobles and their Ladies who attend these monthly meetings of the Public Relations Committee. For those of you who have other commitments, if you have the opportunity to attend, you are welcome. We meet the second Tuesday of the month alternating between the Denny's Restaurant in Pueblo and Cokes Diner in Fountain, where we will meet on December 9th at 10:00 AM. Please come and join us.

Last month a member of the Committee asked if there was a decal or other item Al Kaly Nobles might display on their cars, relating to membership in the Shrine. After a few phone calls we came up blank on decals but did find that Imperial had a 3 3/4 inch rubber magnetized disc with a fez and the following words-"Shriners International-Join US!-beashrinernow.com". We were able to appropriate a dozen of them and handed them out at the last meeting. Imperial doesn't have any more in stock right now and a Committee member

asked if we, Al Kaly, should purchase them. They cost \$.68 each with a minimum buy of 500. Maybe we can suggest something like that in next years budget.

Copies of the quarterly Care Magazine were brought to the October meeting and handed out to those interested. This is a great magazine put together by our Salt Lake City Hospital and sent to the Shrine Centers.

Noble Guy Hammerland stated that he has been working with State Farm Insurance to improve on the new HIPPA requirements and asked about the impact on the Shrine getting kids to the hospitals. IS Bob Burr stated that the Shrine pays very close attention to the HIPPA (Health Information Portability and Accountability Act) rules and stated that he did not believe there was a negative impact. Everyone recognizes their requirements and works within their rules.

IS Roger Mendenhall gave a very favorable report on the Brick Project being worked around the Silent Messenger statues at the Colorado Springs and Pueblo Shrine Clubs. A number of the Bricks are in place and more have been ordered. If you are interested give IS Mendenhall a call.

# CLOWNS OF AL KALY

by Noble Jerry “Dr. Mal Practice” Proctor  
Boss Clown

Is the holiday season fast approaching? You bet it is and you can see that from our schedule calendar and the many requests for our presence.

I believe the ones that really stand out are the requests from the Fort Carson USO to be there for special events for those soldiers and their wonderful families. We were there for a Halloween Event last week, and we are planning to be there for a Thanksgiving Dinner and a Christmas Dinner. Yes, we appreciate what they are doing for us and are proud to be there for them and their families.

This past Friday we had the opportunity to serve for what they called Organization Day and it was held at the CS Shrine Club. What a great turn out that was and again, we got to serve them.

Additionally, we had a call from the wife of one of our clowns from time past. Lady Rose Ocampo called to say her Company, MGA Homehealthcare, would like to have clowns present for a “Trick or Treat-Plus” activity to be held in their offices for their patients and their families. MGA is a company that provides for the children with special needs in the Colorado Springs area. MGA provides a range of in-home services that caters to each child’s unique needs; whether it is therapists going out to a home to work with an autistic child or to help provide palliative care for the kiddos that are struggling to survive on a day to day basis.

This group went all out to entertain these families, doing a wonderful job. It was a pleasure for our Clowns to support this event and we are here to serve them in the future.

We, the Clowns of Al Kaly, and our counterpart unit the Kalyklowns in Pueblo are thankful for and take great pride in that opportunity to serve the many families in our localities. Merry Christmas and a Happy New Year.

# AL KALY MULE TRAIN

by Ill. Sir Allan Ake  
President

Occasionally we in the Mule Train are asked to give a tour of the Mule Train facilities for a group or individual. Each of us handles a tour differently, but there are some elements of our tours that are common to all of us. Those are: a brief description of Masonry and what we do; a brief description of the Shriners and what we do; a brief description of the Hospitals and what they do for the children; a brief description and history of the Mule Train and what we do. Then we offer a visit to the corral to see, pet, and feed treats to the mules.

I recently was honored and pleased to give a tour to the Happy Travelers from Canon City. I didn’t know exactly who they were as I had only a couple of telephone conversations with my contact. It turned out to be group of eleven ladies who travel around the state to visit places in which they are interested. I was pleasantly surprised to field a number of questions about all the organizations mentioned above. They were very interested in the Masons, Shriners, Hospitals, and the Mule Train. Several of the ladies didn’t know about the connectivity between those organizations. And many didn’t know about mule parentage. We all shared some information and laughs.

The highlight of the tour, however, was the group of mules. They, of course, presented themselves well as always. They gathered at the corral fence and basked in the attention and tidbits the ladies fed them. At that point in the tour the most common questions are, “How do you

## FREMONT SHRINE CLUB

**by Richard Mills**  
*President*

This Summer the club just kind of "got lazy" and we did not do a lot. After a wonderful O.V. we relaxed too much but we have plans to come back with "VIGOR".

We are moving our meeting to the Abbey Event Center. The meeting will still be on the 3rd Sunday with a 3:00pm Social and dinner/meeting at 4:00pm. We have appointed a committee to plan events for each meeting and will have a speaker or some other entertainment at each meeting. The club Christmas Party will be at the Abbey on the 14th of December.

Donna and Mary provided the food and refreshment booth at the Honda gun show and raised some money for the club's Salt Lake City Hospital project. The project is going very good and we have funds for the year 2015. Noble Joines and his Lady Lynette will take the 2014 funds to Salt Lake soon. We hope to have an Antique Show in April and that will help our cause.

The "old Man" birdhouse fund raised over \$225.00 to go in the "Kitty". The lucky winner was Paul Monohon. A great thanks to all that bought tickets. Noble Joines and Lady Lynette will be running the club for 2015, Please give them all the support that you can. They are great team players and will do a good job. The club has come a long way and so many of you have been great supporters. Lets have a fantastic year and increase our membership.

If anyone knows of a group that would enjoy a tour, have them contact any Mule Train member and we'll make that happen.

# POTENTATE'S MOTOR ESCORT

by **Dave C. Dickey**  
President

Here we are already into December. Putting a close to another amazing year. Hoping everyone celebrated a Wonderful Thanksgiving with friends and families. We do all have so very much to be thankful for.

Late in October the Motor Escort had a social at the Bass Pro Shop. For those of you who have not been there or do not know, they have a beautiful store, very nice restaurant and an awesome "Fish Bowl" Bowling Alley. It really is something to see. Some of our members came a bit early for a fun time of bowling and everyone else gathered for a very nice dinner. It was a very good time and again we have to give Terry Collinson a pat on the back for making the plans for us.

We are now looking forward to our annual OV dinner and meeting. The get together will be held at Bambinos on December 4th. Our new officers will be installed following the dinner.

Once again AlKaly is selling the Shriner Raffle Calendars. It is a great way for our unit to make a little money for our club. For each calendar sold by our Escort Unit, \$7.00 comes back to the unit. The calendars sell for \$25.00 each and there is an opportunity to win money every single day of the year. Consider a few for Christmas Gifts!!!

Our riders are all hoping for a beautiful evening the night of December 6th when we will have a chance to ride together in the downtown "Festival of Lights" Parade.

animals for the children. Thanks to Bob Burr for his time and talent once again. The club thanks our soldiers for their service.

The new club officers elected for 2015 are President Roger Mendenhall, Vice President Gino Romero, Secretary Paul Nigro, and Treasurer Leroy Lindsey. These officers and board members will be installed at the December meeting. The club owes a great big THANKS to Doc Hathaway for six years as Secretary of the club. We appreciate his time and leadership.

Club member monthly dinner meetings are held at the club every third Wednesday all year long. In December the Song Spinners will entertain us for a special Christmas evening. We invite new and returning members to join us for good food and camaraderie. Reservations must be made by the Monday before the event. Call the club at 719-632-3881 to get in on the fun or for more information.

# PIPE & DRUM CORPS

by **John Bourne**  
*Pipe Major*

## Dress of the Highland Pipe Band

The garb and gear of Highland Pipe Bands goes back over 200 years that included original or extensions of traditional Highland dress mixed with Regimental military dress. As part of the British Army, Regimental Scottish Highland Pipe Bands, bore more influence of military dress than of civilian Highland clothing.

During war time engagement, pipe bands wore almost the same uniform as regimental officers of Scottish Regiments that included the dress tunic, or doublet. They also wore the busby or feather bonnet headgear as well as the plaid, a long piece of kilted fabric attached to the shoulder with a large brooch. These items were worn to enhance their size and fierceness to the enemy, after all, pipers and drummers were considered fighting men of the British Army.

Inextricably linked to the military, pipe bands were part of daily routine playing tunes for reveille, meal time, lights out and other military maneuvers and exercises. Each Highland Regiment was known for its march past tune such as 'Heilin' Laddie' of the 48th Highlanders or "Cock of the North" of the Gordon Highlanders, to name a couple. Head gear of earlier bands as well as modern pipe bands include either the Glengarry or Balmoral which are throw backs to earlier highland wear. Now, both are embellished with a toorie, a small red ball atop the head gear as well as two silk tassles behind. They may be red and white diced but also have a rosette cockade where the clan crest or Regimental badge is placed.

Around the waist top kilt belt is the sporran (Gaelic for purse) that compliments the pocket less kilt. Today, there are three types of sporrans: the day sporran, made of dark, plain leather; the evening sporran made with animal fur such as rabbit, sealskin; and the dress sporran made of long black and white horse hair. Most pipe bands today

wear the long horsehair sporran to accentuate the band's color, swish and movement while marching.

Heavy woolen hose (socks), usually off-white in color, kept the highlander warm in cool highland temperatures. They are held up with garters to which were added two fabric flashes that matched the kilt tartan and added color to the uniform.

Another embellishment is the black knife or 'sgian dubh' that is worn just inside the top of the hose. Originally worn in the sleeve or chest area as a concealed weapon, the sgian dubh is usually adorned with a clan crest and or cairngorm gem for show.

Popular during the early 19th century, white spats were worn over marching footwear to add color as well. Spats have retained their popularity with nearly all military pipe bands as well as many civilian pipe bands.

The Ghillie brogue footwear has a long history going back to early Gaelic times but has changed over time for function, looks and performance. Called a tongueless shoe, it was designed to allow water from the boggy, wet terrain to drain easier. They were also laced to be attached to the wearer's ankle or leg so the shoe would not come off while walking on the soggy, wet ground.

If you would like to see the Highland dress of Al Kaly's Pipe and Drum Corps come down to the Piper's Cave and have a look. We would be more than pleased to show you what we wear and why we wear our uniform. Better yet, join us, become a piper or drummer and wear the dress of a Highland Pipe Band

## KALYKLOWNS

by Howard "Cuz'n Clem" Magan  
Dust Reporter

As autumn begins to fade into winter, the Kalyklowns begin to anticipate a long winter's nap. On November 1, about 20 or so family and friends of the clowns attended the annual hayride and wiener/bratwurst roast. As usual, Noble Vern "El Lobo" Wolf was the organizer of that event, and everyone had a great time of socializing together.

On November 14 and 15, we will once again be out in force as Al Kaly hosts the 31st Basketball Tournament at Colorado State University, Pueblo. More will be forthcoming in the next article on that event.

Our final parade of the season will be the Pueblo Parade of Lights on November 29. More news will be forthcoming on that event in the next article.

## BAND

by Larry Weed  
President

Merry Christmas and Happy New Year everyone! Always keeping on a positive note, the Band has been busy blowing our horns and making joyful music together this year. We celebrated this past year with many performances including Stated Meetings in Pueblo and Colorado Springs, parades throughout the area, the Potentate's Ball, the Al Kaly Classic Basketball Tournament, and parties – we love parties!

We've got the Kid's Christmas Party coming up at the Colorado Springs Shrine Club to round out the year, and we understand Santa will be there as usual! It's always a great time when we get together, and we have lots of opportunities!

We're starting 2015 out with a boom with the Stated Meeting in Pueblo and our traditional "Holiday" Party at Bambino's in Colorado Springs in January. If you're looking for a good time, contact a band member and let us know you're interested in coming to join us.

At our annual band meeting in late October, we reelected officers for this next year, the same as the last: Larry Weed as President, Kevin Churchill as Vice Pres, Jerry Campbell as Secretary, and Jim Hauck as Treasurer. We also have Mel Grainer as Music Director of the fez band (what a guy!), with Bob Hill leading the Swinging Shriners, Norm Churchill guiding the German Band, Elmo Gardner coordinating the activities of the Dixielanders, and Jerry Campbell and his lovely lady Sharon helping us as Quartermaster and Librarian.

Please contact any bandsman if you are interested in playing, if you have a gig you'd like us to play for, or if you just want to listen – we'd love to have you come and join us!

**BOWLING LEAGUE**

by Rich "Swede" Hanson  
President

We had a turnout of 25 bowlers on 2 November at Circle Lanes. It would be nice to get up to 30+ to be able to get our mission of helping the children at the end of the year a little higher than the past two years. It's a fun league and we all have a good time, good or not so good bowlers. We do this league to get to our last week when we have the Bowl-A-Thon which is when we are bowling for our Shrine Children's Hospitals. We then have a dinner to commemorate this Bowl-A-Thon and present our winnings to the Potentate. As I said, it is a fun league so come join us once a month for eight months, to help our children who are taken care of by the Shrine Hospitals. One of our bowlers who has bowled in this league for many years had to have one of his legs removed, which had him out for a year. He has come back to bowling this year in a wheelchair. The Shriner in question is Ed Schade. My love goes out to this individual along with the rest of the league.
