# POTENTATE'S MESSAGE

by Ill. Sir Jim Eaches, Sr.  
Potentate

## SIMPLY A GREAT YEAR

Greetings to All,

I am going to take a wild guess that winter is still on the calendar for 2016, I don't believe this weather; I am so ready for some cold and snow. We have been busy but the time to wind down has arrived, therefore, the events are slowing down and the schedule is getting thin.

The Masquerade Ball was a lot of fun and we are really proud of all the Ladies and Nobles who attended the event wearing masks. I know it was a little hard to see. I, myself, couldn't wear my glasses, but we did have fun and if you take the time to look at the pictures on the Al Kaly website, I know you will

agree. The cake cutting was, also, entertaining. I don't believe any two tables cut their cake in the same manner.

The DJ did a wonderful job at keeping the music going and playing a variety of songs. All-in-all it was a fun evening and Lady Rosa and I will have the memories in our heart and mind forever.

As this is my last article I would like to thank all the Nobility and their Ladies for a wonderful year. I stated early on we were not seeking a fantastic year but a successful year, we believe our goal was achieved. The parades were well attended, even the Florence Parade re-do for (hopefully) a cameo in an upcoming movie. The official visits were filled with fun and friendship, the golf tournament, pig roast, Al Kaly picnic, and the list goes

on and on were all successful and all due to those who participated.

If I wrote about all the memories my Lady Rosa and I have had through this year, I would definitely need one Dust edition of my own.

Nobles and Ladies, as I have reported throughout the year, Shrine is changing. We must embrace the changes and move forward. If we choose to stay stagnated in the past, we will die as a Temple. We must talk positive about the Shrine and not make negative comments about the Shrine going to hell.

The recent article from the Imperial Potentate stated we must make the Shrine more interesting for the Nobles,

Ladies and families. Instead of talking or writing about membership, embrace the fact we need members and it is everyone's responsibility, not just a committee of two or three, to get new members.

I love the Shrine and my Lady loves the Daughters of the Nile and together we support the WORLD's GREATEST PHILANTROPY, that of helping children around the globe. This is no greater feeling than helping a child fulfill their dreams.

In closing, we both wish all of you the very best of the holiday season. This is the time of the year to be merry and bright and we hope all your holiday wishes come true.

Es Selamu Alekum

Yours in Shrinedom

12 Day Castles and Legends - Munich to Budapest

Hosted by Chief Rabban Ron Bowen and Ladies

Ron is happy to offer an awesome, fun filled cruise tour to Europe. The trip will include four days on land beginning in Munich and the surrounding areas, including the Neuschwanstein Castle, the model for the Disneyland and Disneyworld castles, and the beautiful Hinderof Palace. We then travel to Salzburg to see Mozart's birthplace and the Salzburg Cathedral. There will be a walking tour of this beautiful city and a 'Sound of Music' tour.

Our next stop will be Passau, Germany where we will board the Viking Idun for a fabulous eight-day cruise down the scenic Blue Danube (not really blue) to Budapest. # TIME OFF FOR THE HOLIDAYS

by **Ron Bowen**  
Chief Rabban

Nobles, Ladies and Friends,

Well it's hard to believe, but here we are at the end of the year with the final article for 2016. I normally talk about how busy we've been, all the things that we've done, and maybe something about the need to focus on increasing membership. I don't want to do that this time. While it's true things have been busy and we need to focus on membership (there it is, I did get it in!), I don't want to sound like a broken record!

I've enjoyed this past year, getting to see and talk to all of you. I think we have accomplished some great things for the year and we'll need to keep the momentum going into next year. However, we are at the point where we are heading into the holiday season and that means we have some time off!

This is a time for us to enjoy the holidays in the many different ways we all celebrate. We have time to relax and regroup, refuel with whatever it is that makes us happy. For me, this means spending time with my friends and family, and enjoying all the wonderful tasty treats from Thanksgiving through Christmas, and then on through New Years'! And, I'll hopefully get some rest along the way so I'll be ready to take on 2017 with all of you! Next year is going to be my busiest and I'm looking forward to that adventure!

One thing Al Kaly has which makes me very proud is all the great people who come together for a common cause. It is my wish all of you great people have the best for your holidays, however you spend them! Be happy, be healthy, be safe!

# WHERE DID THE YEAR GO?

by **Jim Burger**  
Assistant Rabban

It seems just last month I was writing an article on the end of the year, 2015, and the upcoming New Year; but it already has been a whole year. If anybody knows where it went; please let me know. Actually, I do remember, it is just that it was so much fun it flew past. What a great year it was.

We traveled around Southern Colorado seeing all the fine people with our great fraternal family. My Lady Mary and I look forward to many more years traveling and seeing you.

We just finished our Fall Ceremonial for the Shrine. Welcome new Noble's! May you have the joy of the Shrine I have enjoyed and still do.

Parade Season is done for the year and we all enjoyed it immensely. One of the more memorable parades was the Florence Parade. How often do you get a chance to be in a Hollywood movie with Robert Redford and Jane Fonda? I hear the retakes were a load of fun, too. All of the parades were great, even when 'someone' checked all of the other fluids in his vehicle, but forgot to check the gas. Motors don't run without gas. They were not even trying to be a clown! Good times were had by all in the parades. And the hospitality by all the various units and clubs was heartwarming.

Now is the time for Christmas parties and installations of new Officers for the next year, I wish all of the officers the best in the upcoming year. Thank you for stepping up to the leadership of our group. And, we look forward to traveling more of the state for visits with all of the Shrine groups.

The Colorado Springs Shrine Club will be having their annual Kid's Christmas Party on December 17th, starting around 11 A.M. with Santa showing up about noon and the Clowns will be there to wind up the kids. Please call for reservations with the youngsters age and gender @ 719-632-3881 and leave a message.

Our stated meeting in December will be on the 9th at the Pueblo Shrine Club. We will be electing new officers for the year and discussing other items. Please, plan on attending. Your input is important to our organization!

My Lady Mary and I wish everyone a Great and Joyous Holiday Season.

See you soon! As always, participation is the key ingredient of having FUN!

# THE YEAR IS ALMOST OVER

by *Brian Carter*  
*Oriental Guide*

It seems like just yesterday I was elected to be your Oriental Guide for the 2016 year, and now it's almost over - only one or two Official Visits left to attend and some club and unit Christmas parties. I hope you all have a wonderful holiday season.

The Shrine Basketball Tournament at Colorado State University - Pueblo went very well, not quite as many games as normal, but very rewarding to all attending. A big THANK YOU to all who supported this fundraiser.

Our next stated meeting will be held on Friday, Dec. 9th, 2016 at the Pueblo Shrine Club for the election of officers for 2017. Please contact the Shrine Office as soon as possible at 719-544-0658 for your dinner reservations.

It has been great to be able to travel from border to border, east to west and north to south, to meet, EAT and spend quality time with the Nobles and their families at Official Visits, Shrine Club meetings and in the Blue Lodges.

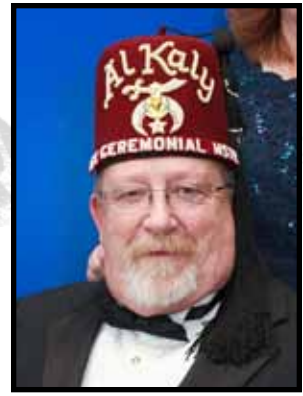

Always Remember, Membership is our #1 priority.

# ENJOY TIME WITH FRIENDS AND FAMILY

by *Ray Singmaster*  
*First Ceremonial Master*

Nobles, Ladies and Friends,  
Summer has come and gone, although you wouldn't know by the weather. As always it's time for my favorite season – FOOTBALL! Baseball is about wrapped up with the World Series between the Cubs and the Indians. The Potentate's Ball was a success with all in attendance enjoying the masquerade theme and fellowship.

The holidays rapidly approach, including Thanksgiving, Christmas, Hanukkah and the New Year. I encourage everyone to enjoy their families and friends and reflect on the blessings we enjoy, including the honor and privilege of living in the USA and the freedoms we enjoy.

"Shriners are a brotherhood of men committed to family, engaged in ongoing personal growth, and dedicated to providing care for children and families in need. Our backgrounds and interests are diverse, but we are bound together by our shared values and a desire to have fun, do good works and build relationships that can last a lifetime."

# 2016 IS NEARLY OVER!

by **Larry Newman**  
Treasurer

I can't believe 2016 is nearly over. It's been a great year, full of lots of fun and plenty of friends in Al Kaly to share those good times with.

Financially, Al Kaly is still strong. Those of you who were at the annual meeting back in January will remember our original budget for 2016 was showing a deficit. I promised you back then, the Divan and I were committed to doing better than the plan called for. And, barring some unforeseen circumstance, we will beat our budget projection by finishing in the black for the year.

I want to thank all of the Nobles and Ladies who supported our fundraisers and other activities throughout the year. I, also, want to extend a special "Thank you!" to the clubs, units, Nobles, Ladies and friends who have generously donated to and supported Al Kaly Shrine this past year.

As usual, we've still got money so I've still got a job. Thank you again for letting me serve you and Al Kaly Shrine. Hope to see you at the stated meeting in December. See you on the streets!

# ARE YOU ON WEB FEZ?

by **Bart Guthrie, P.P.**  
Recorder

Web Fez is now well into its second year. The folks in Tampa make improvements to it daily and add new components.

By now all that are registered should be able to access information on yourselves and update personal information, i.e. address, phone number, email, etc.

OK, how do you register? The easiest is to go to the Al Kaly site, [alkalyshrine.org](http://alkalyshrine.org), click on the link for Web Fez and follow the instructions. Also, you can view information relating to your dues card and you can print a dues card! Speaking of dues, all of you have received your 2017 dues notification. Remember your check comes to Al Kaly but your dues card or sticker will come from Tampa. For the first few months they will be doing two mailings per month. After that, only one mailing. The sooner you get your payment to us, the sooner you'll get your card or sticker. If you have any questions on this, please don't hesitate to ask.

With the Holiday season approaching, Rosemary and I (plus Rusty I of Briargate), would like to extend a most Merry Christmas and a very Happy New Year to all of you.

# Importance of Selecting Qualified Candidates for the Position of Oriental Guide

by **Bart Guthrie, P.P.**

Recorder

From the Office of the Imperial Recorder: When the members of a Shrine elect a Noble to the office of Oriental Guide, they are virtually starting that Noble through the Divan line on the assumption he will prove qualified for any merit achievement to the high office of Potentate.

Hence, it's quite evident the nominations for Oriental Guide should be based upon a thorough and accurate evaluation of character, ability, and interest.

A Noble can be a good fellow, a hard worker, and a loyal Shriner...and yet lack the basic qualifications which make a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to his temple in seeking the office or in permitting his fellow nobles to support and promote his candidacy.

The normal starting point of Shrine leadership is the office of Oriental Guide. The following checklist may prove helpful in evaluating potential candidates for the office of Oriental Guide. However, no thinking man would be so naïve or presumptuous as to all the virtues, talents, and qualifications which are set forth in this checklist for advance evaluation of potential candidates by the voting members.

- Leadership
- Executive ability
- Business sense
- Community standing and influence
- Financially secure
- Free to donate ample time
- Capable of building good public relations
- Good habits and moral character
- Interest in Shrinedom
- Ability to give and get cooperation
- Diplomacy

Many temples have placed a definite limitation upon their progress as a result of hasty judgment in connection with nominations for the office of Oriental Guide. Every Noble is not fitted to meet the rigorous demands imposed upon Potentates.

So let's be fair, honest, and wise in the all-important matter of electing to office only men who are eminently qualified for the job. We all know with honor comes responsibility. And while there is high honor associated with a Divan office, the ensuing responsibilities entail a lot of time-consuming, energy-consuming WORK! Eternal vigilance must be wisely and thoughtfully exercised by the voting membership in order to perpetuate a high caliber of leadership!

## *In Memoriam* *as of October 31, 2016*

Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.

# *A Great Publicity Opportunity... and LOTS of Fun!!*

by Glenda Terrill

We have all been in or been to local parades, and those at CSSA meetings and Imperial have seen a parade in Washington DC or the Rose Bowl or Macy's Thanksgiving shindig.

THIS parade was different. On October 8th Al Kaly was notified we should show up in Florence the morning of October 10th to be filmed (AGAIN) for the Robert Redford and Jane Fonda Netflix film, "Our Souls at Night".

Now, never mind the story was written by a Pueblo man, Kent Haruf, who has since passed away. And never mind the fact we had already presented ourselves for the REAL Florence Parade a month earlier. We were ASKED SPECIFICALLY to be in the actual movie. One of the "movie people" I spoke with during the day put it best, "What's a parade without the Shriners?"

So, after 48 hours of spreading the word as far and as fast as possible among the parade units, there we were. At 7:30 a.m. our doorbell rang and, smiling as much as one can at that time of morning, there was Joe Clendaniel complete with Liz holding him up. Coffee was appreciated by all!!

If you ask Joe, he only came 'cuz Liz wanted to see Robert Redford. I'm not convinced that's totally true. Next thing I know we are at the Florence Fire Department parking asking where we are supposed to be. "Down the street a block at the school," said the pointing helper. Well, down the street a block are two schools but we found the open door with another "helper" and in we go. Once inside we lined up with the other 8 a.m. "extras". Somewhere around 9:30 we were glad to be early as the line then went waaaaaayyyy out into the parking lot and ours was very short by comparison. Eighteen Shriners and 2 Ladies (Liz and me obviously) were there to fill out the I-9 and the other mandatory forms. Oh... no photos of the actors or crew and no telling anyone what the movie is about until after it is released. Sign on this line to swear to that.

The Band trailer was being refurbished, so they were unavailable, and the Potentate had a living to make, but there were 4 Little T's, 3 Past Potentates (one with a Little Corvette and one a Pote's Escort), 4 clowns, 3 Flivvers, 4 Potentate's Escort Motorcycles, and Joe. The gals stayed on the sidelines and pretended to watch this pretend full length parade.

Everyone was guaranteed \$67 for the 8-hour day,

*Joe Clendaniel and Liz with Robert Redford's body double.*

which turned out to be 9-9½ hours before it was all done, and everyone who brought a "car" received another \$25 for the vehicle. The lady at the forms table said to be sure everyone with a car noted it as they were certain Shriners wouldn't show up without a lot of vehicles of one sort or another.

Lunch was provided and we were ushered to Main Street. Line up and smile was taught at 11:30 by Andrew, one of the Directors of the movie. If you have never been on the set of a movie you will love this one...during filming no one speaks, no one claps, no one makes ANY noise of ANY type...including the high school band. So, when they yell "action" you move, fake clap, lip sync to the person next to you, walk where they told you to go, and you do it all silently. All the audio is dubbed in later...including the band music. It's almost eerie.

Andrew spent 10 minutes getting the motorcycles around the "Pote" (P.P. Merv filled this position) and the Flivvers where he wanted them and the T's following closely and then realized no one understood a thing he was saying. Bless Joe!! He took the instructions from Andrew, walked the entire length of the Shriners and put everyone where they were supposed to be. Andrew loved it and the entire day he gave Joe directions and let him "herd the cats".

U-turning Flivvers mid-block became the expected and delivered action. Putting a little overheating behind us and back in formation with 30 tiny gymnasts in front and running

*(Publicity, continued at right)*

*Lining up for the 21 parades.*

*(Publicity, continued from left)*

around us to get back to the starting point and we were ready for 21, count them, 21 trips down the one-block parade route.

Water, pop, candy bars, an apple or two and the day was finally complete. Nothing stops production, so we were told. But, Joe found a way. Just threaten them with the need for an ambulance if we don't stop and voila..."Take a 5 minute break everyone." Five minutes later all was well and we were back on track.

I'm just afraid next year when someone says "Florence Parade" everyone is going to be too sick to make that particular event.

Good things of the day....we all had a ball...Liz had Robert Redford stand beside her for a while...Jane Fonda found out what kind of tree she was sitting under...the Flivvers got hot then got cooled and all made it through the parade...Don's Little T tow truck wasn't needed to tow...Joe got lots of exercise...Al Kaly Shrine will probably be in a full length Hollywood produced movie and the publicity didn't cost a penny, in fact we got paid a pittance for it!!

Bad things...I can't think of one...it was a great day! With very little notice we had enough Shriners show up to make a great showing...THANKS to all!!

*Waiting to sign in.*

# A Reason to Go On

by Merv Terrill

Past Potentate

Sadly enough, the median age of the Al Kaly Shriners is well into the 60's and edging into the 70's daily. We find a reason to get out of bed daily, usually it's the "Call of Nature" but after that is done and our bellies are full many of us find nothing more to do during the day.

I have often said if not for the Shrine and its members I'd waste my day with the strongest Remote Operators Thumb in Colorado; but there is always a lunch, dinner, meeting, circus or some special event to go to.

Every Ceremonial we tell our newest members to "join a unit" and find something to do that's fun for you and your family. I followed my own advice and joined the Flivvers – and have had a wonderful time with them and "Tami" my 1967 Oldsmobile. She now needs some attention and we have put it on the back burner for a while. Shame on us, but it happened. Now we need to get her going again.

Then I joined the Racers and have found them (the guys and the machines) a lot of fun both in the parades and at meetings. My doctors and physical therapists have encouraged me to get a stationary bike (we have one) and use it (ugh!). But I find a few minutes on my Racer and my legs feel better, my therapist is happy and my lungs work better. Wow what a great unit I found there.

THEN...I outdid that one. Glenda and I bought 2 mini mules – Butch and Sundance. They were kept at Honored Lady Kathy Harris' place for a couple months while the mandatory veterinary items were taken care of and they were deemed healthy and taken to the Mule Train in Colorado Springs...thanks Joe, William and Jacob.

Just a couple days after that purchase I fell and broke my kneecap...you know the rest of the story there. BUT I managed to get out to see them after I got out of the hospital and have continued to visit them whenever we could in the Springs. Those little guys have given me a brand new reason to get it "up and going" on some of those days I'd rather just sit.

You drive into the property and you will see the mules in the pasture or walking in the corral but the minute you walk into the barn...there are the smiles and sparkling eyes of seven little mules (and the big ones slightly farther away) and all of them are talking to you in their hee-haw little way. And...right there in the front row pushing on the fence to get as close as possible are Butch and Sundance.

Holly, Joey, ChickaPee and Matilda

I'm sure they know our voices and I'm sure they are glad to see us but I'm convinced they really only want me 'cuz I come bearing mule candy.

But then, who cares what the reason... someone is glad to see me again and I'm a sucker for a big, bright pair of brown eyes.

Now some of the minis are learning to pull a small cart and the upcoming options are opening for the newest members of the Mule Train.

I'm just not sure how the 2017 parade season will go for me...how can I get a mule into the Oldsmobile while pulling a Racer with me on it? Or have him pull the Olds while peddling the Racer with me riding him? Or..... all help in this area gladly accepted.

Seriously, most of the newest members of the Mule Train came to us with few manners and have learned a lot from us, especially Joe and Liz. But in return they have been in a couple parades, attracted all sorts of attention, especially from kids, and have given all of us a lot of laughs and love, (and a few bruises and lumps) in return. Who can ask for any more than that?

Gimme a treat!

*With all the talk and disrespect shown to our country and our flag in the last few months, our Flag still ignites such a warm spot in the hearts of those of us who love this country and benefits we share while living in it. I received this heartfelt tribute to that flag we love and had to pass it on.*

## OUR FLAG

*by Jerry Proctor*

When we stand and pledge allegiance to our flag, I can't help but wonder just how many of you really think about that flag and the many places it's been and the things it has seen.

It's the same flag Betsy Ross stitched together all so many years ago. Oh, we've added some stars and, sad to say, we have also added some scars. But, it is still the same flag – OUR FLAG – and it stands for all the things which have made our nation great.

It has been to the moon, and it has covered those who have died defending its name. It has witnessed war in many faraway lands. Still that flag stands strong and proud.

It tells the world, "Every man has the right to be free."

## AL KALY MULE TRAIN

by *Allan Ake*  
Vice President/Secretary

### AIR FORCE ACADEMY COMMUNITY SERVICE PROGRAM

It was a glorious, sunny, blue-sky, Colorado day on October 14th and President Jim Johnson was addressing 30 Air Force Academy cadets in the Tack Room. Yup, 30 of 'em. This was somewhere around 7:00 in the morning. They were sharp looking in their fatigues.

"Ok," said Jim, "here's the way this will work. We have Mule Train leaders who will be in charge of a task and they will show you what needs to be done." He proceeded to introduce each of us so the cadets could associate a face with a name. "LD, will you give the safety presentation?"

LD did just that telling the cadets to be careful, safety is our number one concern. "Lift with your legs, not your backs. We have plenty of water on hand, so stay hydrated. Be extra careful with the tools. We have plenty of gloves on the table over there and eye protection, too. Any questions?"

Hearing none, he turned to me and asked, "How many do you need?"

"Seven," I said.

"Squad leader number one, pick six more for this detail."

The upper classman quickly picked six other cadets. My squad of seven, who were all taller than I, surrounded me and I said, "Ok, follow me – we'll tear down the announcer's booth. I have hammers, crowbars, and sledge hammers out there already."

*Cadets at the Mule Train breakfast table.*

Things moved quickly from there on. Geno oversaw cleaning out the garage and the storage area by the hay barn; Torry had a detail to remove or replace a couple of faucets; Jim's was to paint the fence; Debbie supervised kitchen cleaning; LD's team began picking up rocks from the corral, sledge-hammering some concrete from the feeding area, and moving hay from one end of the hay barn to the other.

My detail fairly quickly tore off the roof, the walls, and flooring of the announcer's booth. That left the four six-inch square wooden anchor pillars sticking out of the ground. I estimated there was about four feet of each in the ground.

# COLORADO SPRINGS SHRINE CLUB

by *Roger Mendenhall*  
President

The club's Christmas dinner has been moved up one week to December 14th rather than the third Wednesday, which is too close to Christmas.

After dinner and a short meeting, we will have a special treat. Frank Klein will entertain us with his professional magic act on the stage. Most of us know Frank as the Al Kaly Photographer, but he has become quite an accomplished magician, attending conferences around the country to develop his craft. You won't want to miss it. Even if you are not a member of the club, you are invited to come.

The Dinner is the usual \$14.00, and the show is a Christmas gift from the club. The main entrees are: Rosemary garlic stuffed roast beef with white truffle cream sauce or brown sugar glazed chicken breast. Call the club at 632-3881 and leave your reservation by Monday, December 12th. Please specify beef or chicken when you call.

On December 17th, the Board of Directors and Shriners' Ladies will hold the Children's Christmas Party at the club from 11:00 a.m. till 1:00 p.m. Santa will come at 12:00 noon. Club members are invited to bring their children and grandchildren. It is important for you to call the club to let us know numbers of boys or girls with their ages so we will be prepared. Milk and cookies will be served in keeping with the spirit of Santa (coffee, too, for us old folks). Clowns are invited to attend and entertain the kids.

Hope everyone plans to attend our Christmas events. See you there!

"Ok," I said, "I'll go get the tractor and we'll pull these posts with the front-end loader."

"If you'll get us a couple of picks and a shovel, we can get those out in about fifteen minutes," the squad leader said.

"Ok," I said and went to the garage. On my way, I smiled to myself, remembering the cockiness, strength, and self-confidence I had at that age. Or maybe it's machismo, but what the hey...and it took them longer than fifteen minutes, but they did, indeed, remove the posts by hand.

We knocked off at noon, had lunch and said our goodbyes to the cadets. They got more work done for us in four hours than we could have gotten done in two weeks on our own.

The cadets were there under the auspices of the Air Force Academy's "Community Service Leadership (CSL)" program. We understand it is intended to get the cadets out into the community, do some good work, and give them a more well-rounded education.

Seems like an excellent program to those of us in the Mule Train!

# POTENTATE'S MOTOR ESCORT

by **Dr. Terry Collinson**  
President

Just because winter is setting in, you might think the Escort bikes and trikes are put away with the covers on them. NO that is not the case. You never know when there will be a nice day and once we get used to cold winter weather, even 60 degrees seems like a warm day. And, then out come the bikes for a nice day trip for lunch. Hopefully, that will happen several times this winter.

A few of us did have a nice ride to Beulah, Colorado for lunch on October 23rd and got to see where some of the fire surrounded many houses as we caught a nice warm day in the 70's. We had a social at the Olive Garden on November 3rd and several of us sat in the family room because ♪“We are Fam-ily.”♪ Come on Sing it! Better yet, you can be part of the FAMILY just by becoming a social member. It a great deal.

Our Christmas part is coming up in December and it sure to be lots of fun. We have had our Potentates Visit every December for the last several years but this year we changed to Spring leaving us time to have a nice party for the Escort.

Remember, if you see a motorcycle or trike on the road, be nice to them because it might be one of us.

# KALYKLOWNS

by Howard "Cuz'n Clem" Magan  
Dust Reporter

Well, the Kalyklowns have been a busy group since last there was an issue of The Dust! The month of September ended with the Florence Parade and a picnic hosted by Noble Dick Mills and Lady Mary in their "private" park across the street from their home.

Next, Nick Forgit (Pocket Change), Vern Wolf (El Lobo), and Howard Magan (Cuz'n Clem) attended a craft and game day at The Lamb Branch of the Pueblo Public Library on October 1, but then only after Nick and Howard, along with Howdy (Wayne McKey) and Poo-Bah attended the Apple Day Parade in Penrose.

*Penrose Parade*

The following weekend saw IS Mike Palmer (Poo-Bah), Pocket Change, Cuz'n Clem, Doug Gabel (John Deere) and IS Gary Sears (Panhandle Slim) were in attendance at the Third Annual Tractor Pull and Antique Farm Implement Exhibition at Millberger Farms in Pueblo County.

Next, several nobles were invited by the movie production company to re-enact the Florence Parade on October 10. Those attending were Nick Forgit IS Mike Palmer Wayne McKey, and IS Gary Sears. Some stars were born!

Our final event of the month saw Vern Wolf, Nick Forgit, and Howard Magan entertaining the local children at a Halloween Party sponsored by the Knights of Columbus Council #557 on October 28. Despite the recent rash of evil doings by certain bad elements dressing as clowns and causing mayhem in the local area, we were greeted with open arms. We also were honored that evening to serve as judges for the guests' Halloween Costume Contest. Also, our hospital visits continue, thanks to the efforts of Vern Wolf and Ron Crawford (Rosee).

In November, we will once again be in attendance

*The newly-rebuilt Kalyklown Kalliope.*

at the Al Kaly Basketball Tournament, where we will hold our election of officers whose installation will take place at Walking Stick Country Club in December.

Lastly, the newly rebuilt Kalyklown Kalliope trailer will make its debut at the Pueblo Parade of Lights on November 26. Most of the labor was performed by Bro. Werner Groeslinger, a newly made Master Mason from Pueblo Lodge #17. Our Thanks to Bro. Groeslinger for his many hours on this project.
