POTENTATE'S MESSAGE

by IS James Hinojosa

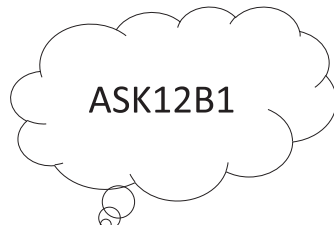

Nobles, Ladies and All,

My Lady Liz and I want to make 2019 a fun full year of laughter and relaxation, our goal is to see as many of you laughing and smiling and having fun! I personally want to thank all of the Nobles for the vote of confidence and I'm truly humbled to be your Potentate in 2019. I will do my best to serve you well and try my hardest to make you proud. As we began our journey toward the future there will be some changes made, I believe for the best of the fraternity. We need to start thinking of the future Nobles and how we communicate with all involved. The days of written letters are just about a thing of the past and the younger generation are turning to instant gratification. If we don't begin to move forward with them, I'm afraid we could be missing out on some great Nobles. We need to start developing new traditions along with keeping the old alive to an extent of not being overbearing with them.

Remembering why our fraternity was developed, to have fun and help children. Our motto "the children are key" is what we want you to remember when you are attending each meeting, OV, circus, parade or any community event. Remember that without the children our philanthropy would not exist. As Shriners, we need to enjoy every moment we can, not for ourselves but for the new Nobles we are trying to encourage to join. I want to encourage each of you to try and visit a Shrine Hospital and invite a Noble that has never visited one. Realizing that the children are truly the key to why we do each event and why we have fun, as we are having fun our smiles lift each child up knowing that a Shrine is there to help.

In 2019, we want you to have as much fun as possible and while doing so always be looking for a child that we might be able to help. Our new Marketing & Communications Committee has come up with a new Al Kaly Shriners business card that can help us reach out to the parents and friends of children in need. All you have to do is contact a member of the committee and they will provide the business cards to you. Also this year we have a new Membership Chairman that is fired up to help you get new Nobles and we all know we need them to survive. He is a former military recruiter and he is anxious to put his skills to work for you.

So let's make 2019 a fun year and always remember "the children are the key" to our success.

NEW YEAR AND NEW ADVENTURES

by **Michael A. (Bo) Cruz**
First Ceremonial Master

Greetings to all Nobles and Ladies: Back in December, I was selected as the Illustrious Potentate James Hinojosa's Chief Aide. While I have known many of you for several years, I trust this venue serves as an appropriate segway for introducing myself to the rest of you for the first time. If Chief Aide wasn't enough of a surprise, I had the honor of also being appointed 1st Ceremonial Master in the Divan during the recent January Installation—a position that I will reverently serve to best of my ability.

Many of you have already met my wife, Nicola, who assumed the position of Editor for the Al Kaly Dust in December 2018, which now makes two Al Kaly "fanatics" in our household...what were we thinking?!?

Both of us come to Al Kaly on the tail ends of two successful military careers involving world travel in numerous diversified roles, much of which we hope will serve as a platform from which we can better support Al Kaly Shrine, and Shiners International in their mission.

Nicola and I look forward to the enjoyment we will share with all of you over the next few years, and wish you the best in 2019.

Fraternally yours,

Michael A. (Bo) Cruz

PLEASED TO RETURN

by Dave Stevens, P.P.
Treasurer

Dear Nobles, and Ladies, I am pleased to return to the Divan as your Treasurer for 2019. I am looking forward to working with all of the Divan and more especially with all of the Nobles in Al Kaly. Thank you for the vote of confidence in electing me.

We all owe Noble Larry and his Wife Mary a big "THANK YOU" for their dedication to Al Kaly over the years. Noble Larry has provided sound leadership and judgement in his role as Treasurer and I will be striving to live up to his and your expectations in the future.

First Act: Club and Unit Officers, your annual reports are due!

By the way, Larry and Mary are not disappearing as you will still be able to find "Three Putt" on a nearby golf course (he is also on my speed dial).

Larry and Mary, Thank You for your many years (and continuing) of service to Al Kaly and the Shrine, FORE!!!

HOUSEKEEPING ITEMS

by Bart Guthrie, P.P.
Recorder

Once again, it's time to turn in old Al Kaly fez strips, name badge ladders, and even officer badges. We spend a lot of money replacing these items that could be handed down. Please check your fez cases and anywhere else you might have placed these items and please return them to the Office.

Webfez, again. Are you logged in? Instructions are on the home page of the Al Kaly website to register. Once logged in, you can view all personal data on yourself and make updates to these items, such as address, phone number, and email address. I also suppose you could delete your lady's name and replace it with another; but, you're on your own there. Also, on your webfez home page there is a block that will allow you to pay your dues online with a credit card. A couple of you have taken advantage of this item and now that we have worked out the bugs it seems to be working well (or at this time, at least OK).

Last, again I thank you for your confidence in electing me as your recorder for another year. As Ill Sir Dick Sater stated when he nominated me, I've given Al Kaly two good years. Out of 13 years, I guess two is not bad. Let's hope that 2019 will be a third good year.

FEATURED SHRINER – T'CHRIS GARDNER

by Billie Nigro

T'Chris was born and raised in the beach areas of Los Angeles, California. His name is Scottish – subsequently, the “T” is simply the letter T. It's just T'Chris. His dad is of German descent and his mom is Dutch and Irish.

When he was a young child, he was diagnosed with Klippel-Feil syndrome, a bone disorder characterized by the abnormal joining (fusion) of two or more spinal bones in the neck (cervical vertebrae). The doctors told him they could either fix it or he would be paralyzed by 15 or dead by his 30's. “The surgery must have worked because I'm still here and mobile.” T'Chris says he has always been a go, go, go person; he was afraid he wouldn't be done by the time he was 30! He used to think “Wow, 13 surgeries by the time I was 13 is so many!” But getting to know the Shriners Hospitals, he realizes it's not that many after all.

He earned his first degree from Ft. Lewis College in Durango, Colorado, a bachelors in communications - that was just the beginning. He went on to earn a masters in computer science from the University of Phoenix and a masters in systems engineering from Colorado Technical University. Eventually,

he hopes to complete his doctorate in computer science from Colorado Technical University as well. He's currently a software development instructor at Colorado Technical University.

T'Chris' hobbies includes working at the Renaissance Festival (nearly 20 years selling turkey legs), home brewing (stout beer is his specialty) and rocket building. One year he lost track of time on a batch of home brew. It wasn't until a buddy called asking if he had any beer for an upcoming event did the light bulb go on. He decided to bottle it in wine bottles.

T'Chris and a friend dabbled in building rockets. They had successfully made 13 launches out of Roswell, New Mexico. During one launch they were testing a new deployment system; it worked, the rocket went up. However, it came down through a cloud – and it never came out of the cloud! They went out in search of the rocket and it should have been easy to locate; the parachute was bright orange. A couple of weeks passed when the pilot they hired called saying he located the rocket; about 100 feet from where it was projected to land. Ironically, the parachute was neatly folded up beneath the rocket. During that time, it had snowed and there was no weather damage. Even the windows on the fuselage

were still clean! They decided to review the onboard electronics for data feedback. While the equipment was all there, it was completely “clean”. It was as though it had never been turned on; no data as if it had never been activated...nothing! To this day, they’ve never been able to figure out exactly what happened. Aliens?

His interest in Masonry began in New Mexico when an acquaintance invited him to become a member. Life got in the way and between one thing and another he never made it to the

Roswell lodge and he lost contact with the individual. Their conversations about Masonry made a lasting impression with him, so much that he sought out a lodge here in Colorado. As time passed, and he learned the craft and was elected into the position of Secretary. He currently holds a “line” position and hopes one day to become a Worshipful Master. It was

one of his Masonic mentors that asked him if he would be interested in becoming a Shriner...the rest is history! T’Chris is associated with the Corvettes unit. While he’s still technically part of them, he always ends up helping out the band – just driving the trailer, not playing in it!

Periodically T’Chris can be found tending bar at the club. He is TIPS certified (Training for Intervention Procedures); he attended class to learn how to serve and when to cut alcohol off. He started bartending when someone asked him to fill in and lend a hand. He has worked several wedding receptions and the Oktober fest. He plans to assist with bar duties during the Fall Ceremonial.

T’Chris Gardner...our Featured Shriner!

NATIONAL BURN AWARENESS WEEK

FEBRUARY 3-8, 2019

Burn Awareness Week is an opportunity for parents to remind their children of the procedures for fire safety and prevent accidents and injuries from happening.

Each year Shriners International sponsors Burn Week material to all children in the primary schools. El Paso & Teller county school systems are provided with Burn Safety booklets to all 4th graders. Noble Dr. Ralph Hathaway of El Paso county and Noble Wayne McKee for Teller County distribute over 6000 Burn Booklets throughout the various schools.

Results from an independent survey conducted by Shriners Hospitals for Children shows many parents do not practice fire and burn prevention in the home.

Safety in the home requires plans for the family to have an escape route in case of fire. All family members should practice their escape safely; don’t forget pets as well.

Smoke detectors should be placed on each floor and near bedrooms to alert occupants of a possible fire. Fire extinguishers should be readily available in strategic locations such as in the kitchen.

Cooking is the number one cause of home fires. Small children are at particularly high risk for burn injuries due to their immature motor and cognitive skills, inability to self-rescue, and dependence on adults for supervision and danger-avoidance intervention.

Over 350,000 scald burn injuries associated with consumer household appliances and products (e.g., stoves, coffee makers, tableware, cookware, bathtubs. etc.) were seen in hospital ER’s in the U.S. between 2013-2017, 78,526 (21%) of these occurred to children 4 years and younger.

Did you know that hot water will burn skin at temperatures much lower than boiling point (212 degrees/F)? In fact, it only takes 3 seconds of exposure to 140 degrees of water to cause a burn serious enough to require surgery. All water heaters should be set at 120 degrees or just below the medium setting.

A safe bathing temperature is 100 degrees/F.

Most of the Burn injuries occur in the home; tragically, children are especially vulnerable to burn injuries. Almost one-quarter (24 %) of all burn injuries occur in children under the age of 15.

The good news is that 96.7 % of those treated in burn centers will survive and unfortunately, many of those survivors will sustain scarring, life-long physical disabilities, and adjustment difficulties.

Parents! Please take the time to teach your children safety tips that will prevent injuries in the future. If any parent is interested in avoiding such injuries, they can log on to Shriners International and select “Burn Week” or contact “Doc” Hathaway at amdochat@gmail.com.

“We love our children and want to keep them safe”

Kilee gives back to help other burn patients

On November 10, 2014, 16-year-old Kilee arrived home from school and discovered a bad smell in her house. What she did not know was that the odor was coming from a gas leak. She lit a scented candle to eliminate the smell and the gas fumes ignited in a fiery blast. Kilee was thrown backwards and knocked unconscious. She awoke to her dog barking over her, felt flames enveloping her body and got up to run to neighbors for help.

After being medevacked to an emergency room for initial care, Kilee was in critical condition with burn injuries over 45 percent of her body. She was later transferred to Shriners Hospitals for Children — Cincinnati where she underwent treatment for 38 days.

Kilee has since undergone surgeries, skin grafts and painful ongoing physical therapy to regain her independence and relearn simple tasks like tying her shoes and even turning a doorknob.

Remarkably, less than a year after the explosion, Kilee was back to playing varsity soccer. She says, “I’ve gotten my life back because of Shriners Hospitals, and I want to spread the word

about the work they do.”

In Memoriam

As of: December 31, 2018

"Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush.
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.

As the New Year begins for the Kalyklowns, we have a new slate of officers for 2019 -- Dennis "Fluffy" Bright as President, Vern "El Lobo" Wolf as Vice President, and Gary "Panhandle Slim" Sears as Secretary-Treasurer. The officers in the Shabob unit are, Larry Ruiz, President, Wayne McKey, Vice President, and Gary Sears as Secretary-Treasurer.

We held our annual Christmas Party/Installation of officers on December 9 at the Pueblo Elks Lodge. Ill Sir William Sheard performed his accustomed duty serving as installing officer for the evening. In addition, Lady Glenda Terrill served as auctioneer during our White Elephant Auction, which is also an annual event; some great items were purchased by many. Members of the Elks Lodge both catered and served us with a very nice dinner for the event. As the guest of Ill Sir Gary Sears, we had Bro. Jim Wiley, who after he finishes his proficiency as a Master Mason, will be joining Al Kaly and the Kalyklowns. His area of expertise is that of riding a unicycle; something that I do not recall seeing done by any of Al Kaly's members.

MARKETING & COMMUNICATIONS

by Larry Weed

Our Al Kaly Shrine Marketing and Communications (M&C) and Membership Teams have been supercharged by our participation in the Shriners International Seminars in Tampa. We received a lot of good information and a boatload of ideas. With the information coming out of Tampa as a base, we have been putting our own plans together and focusing on getting the word out to the community.

Our Basketball Tournament at the Massari Arena @ CSU Pueblo was again a big success. In addition to participating in the official parades, several units and individuals have participated in community events that help keep Al Kaly Shriners in the public eye.

In December, the Motor Escort and Clowns of Al Kaly, participated in the CO Springs Christmas parade and the Mule Train was part of Calhan's parade; both viewed by thousands. The children enjoyed spending time with Santa at the Children's Christmas Party at the CSSC. Noble Harold "Rox" Roxburgh (Membership Committee Chairman) did a great job working with Buffalo Wild Wings setting up a local Watch Party for the East-West Shrine Game and in getting some Shriner Blitz for the attendees. Everyone had a great time!

The Clowns of Al Kaly are very active. Every Tuesday (for nearly 10 years) there's a clown at the CO Springs Golden Corral for 2 hours making balloons for the children. In the last year, the clowns have been at the Divide Kite Flight festival, passed out circus tickets to the elementary children in Lamar and Monte Vista, and entertained at children's Christmas parties being held by local civic groups. Additionally, the clown's golf cart was the trophy cart at the I-25 Speedway on Shriner's Night; taking the trophies and presenters to the center of the track for presentations. The clowns also "played" at Home Depot's Children's Workshop in January.

The M&C Committee thanks everyone who is helping to keep Al Kaly Shriners in the public eye. We would also like to challenge all the units, clubs, and individuals to search out opportunities in your communities to participate as Shriners. We are all Ambassadors for our Hospitals and our Fraternity!

Lastly, I would like to thank Lady Glenda Terrill for her fantastic job as the Dust editor these past several years and a special thanks for her support and contributions to the M&C Committee

COLORADO SPRINGS SHRINE CLUB

by Roger Mendenhall, P.P.

A great big thank you is in order for all who participated in making our Christmas programs successful. The children's party involved many people working to make a "fun time" for all that attended, including the Academy Optimist Club "elves", and the

Shriners' Ladies. Everyone seemed to enjoy the format that engaged the children at activity tables along with the cookies, Santa Claus and the gifts. The new Al Kaly Dust editor (Nicola Natale), posted the children's pictures on the Al Kaly web site, so take a look! For those of you who attended the Christmas dinner, Frank Klein's magic show was a real treat. Thank you to Frank for the great entertainment.

At the December dinner the Shrine Club accepted a donation check for Shriners Hospitals for Children, Salt Lake City from the president of Good Luck Sams RV club; their son was a Shriner Child growing up. The donation was made possible due to several of our club members assisting with beer sales during the El Paso County Fair out in Calhan, CO this past summer. We also acknowledged a third donation to the Shrine Club from Intermountain

Steel for "building maintenance of your Shrine Club". We thank these donors who make us feel appreciated for what we do.

The next time you are at the

Colorado Springs Shrine Club, you will notice the ballroom is much brighter. New LED lights have been installed in the ballroom and the ceiling panels have been updated.

The whole atmosphere now has a brighter appearance and will help save on our utility costs. Thanks to the following Shriners for their help with the project: Arnold Montoya, J.D. Potter P.P., James Hinojosa C.R., Earl Sandman, LeRoy Lindsey, Roy Decker, Paul Nigro, Cliff Weiger and his son-in-law and myself. When you see them, please say "thanks" to these workers who put in a long hard day working overhead to bring our ballroom up to 2019 standards.

Lastly, at the January dinner we installed our new Shrine Club officers. We are happy to have our present board returning for another year, as well as some new Shriners who will be helping us go forward.

You are cordially invited to attend the

The Al Kaly Shrine General and Transportation Fund are in need of a financial boost.

Help Us Fill This Page!

The increasing cost of operating Al Kaly Temple and transporting kids to the hospital combined with decreasing membership has put a strain on the General Fund and Transportation Fund. Please remember both of these funds when donating. Your contribution will be listed as below for one year (6 issues). The date posted indicates the year and month of your donation. MON-ARK SHRINE CLUB

by Bob McCormick

We had a good turnout for our Christmas Observance Social "Luncheon" held on Thursday, December 20th at the "Shallots" Restaurant in downtown Salida. The Buffet of Roast Beef and Fried Chicken was enjoyed by all -- Ill Sir Jim Burger Potentate and his Lady Mary were in attendance. Ill Sir Jim Burger presided over the installation of the 2019 Club Officers. President-Bob McCormick, Vice President-Jim Dickson, Ed Kinzie-Secretary and Forest "Keith" Franklin-Treasurer. It was good to see PP, Ill Sir Mervin Terrill and his Lady Glenda attend the occasion.

A Christmas gift basket drawing was held -- Lady Judith Kinzie and Lady Geri Shirk each received a basket. Ill Sir (PP) Don Taylor won a Christmas Express Train and Noble Keith Franklin received a Santa Claus Tower each filled with goodies. All the Ladies present received a gift from the club as a token of our appreciation for their support.

Just a reminder! The Club's monthly business meetings are now held on the 3rd Monday of the month. The time will remain the same (10:00 a.m.) and will take place at the Masonic Lodge Hall.

Wishing all Nobles and Ladies a fabulous, healthy and safe New Year!!!
