# HERE WE GO!

**Jared Maddox**  
*Potentate*

The Month of May has already been a busy one and things are about to get much busier!

First of all, I want to report that Lady Alex and I had a wonderful time at the parade in Canon City. We were impressed with the wonderful reception that Al Kaly received from the community, as well as the display of Patriotism along the Parade Route. As we walked behind the Legion of Honor, we were touched by the number of people who we saw standing and putting their hands over their hearts as the Flag of our Nation passed by. One more experience that makes me proud to be a Shriner.

Second, I would also like to thank all who came with us on the Potentate's trip to Salt Lake City, UT. We had an amazing time and experienced many things that we will not soon forget! Getting a tour of the Shrine Hospital and being reminded of why we as Shriners, do what we do, was certainly a high point of the

ASK12B1

trip for me. Between meeting the amazing and dedicated staff, to visiting with some of the kids, all I can say is I left there a more dedicated Shriner. The money and materials we donated, as well as the support we gave at the Gala Fundraiser, Al Kaly Shriners definitely showed up and left no doubt in anyone's mind that we are dedicated to the cause of helping Shriners Children. Way to go Al Kaly!

Now, with that behind us, let me move on to what I said above, we are about to get much busier! The coming summer months mean parades, OV's, Imperial Session, CSSA, and our picnic. It is my hope that the Nobles and Ladies of Al Kaly will continue to support all the events that you possibly can. Participation builds brotherhood within our own ranks and also shows the community that we are dedicated to our philanthropy, which will then help us grow and gain greater support for our cause.

As always, I am very grateful to all of you Nobles for all that you do for Al Kaly. In the upcoming months I look forward to having fun and serving with all of you. I am confident that our efforts will pay off and we will have a summer to remember.

# FROM THE CHIEF RABBAN

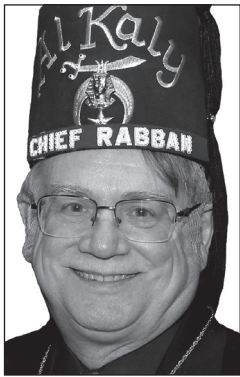

Scott Rhea  
Chief Rabban

Parade season is upon us and I urge all Nobles to help Al Kaly! Show our support for the communities we serve either by parading in a unit, walking the route, or simply standing on the sidelines and wearing your Fez. Parades are one of our most visible public events, but it is difficult to be noticed if only a few attend.

Imperial and Central States sessions are coming at the end of June and August, and official visits continue during the summer. Keep up to date with "Nuts and Bolts" emails or ask a Divan member so that you can enjoy the fellowship and fun of being a Shriner. It just isn't the same without you!

"Christmas in July" promotions are a great way to talk about the Festival of Trees coming in November with your business connections. I will be sending out sponsorship packets to the providers of last year's trees, but we need your support to grow and make this fundraising event truly successful.

In addition to supporting our Illustrious Potentate and the 2025 activities, I am also planning for 2026, in the event I am elected to serve next year. In that vein, I am excited to announce the 2026 Potentate's Trip, A Taste of "Scott-land", a tour of that United Kingdom country leaving May 5th and returning May 18th next year. It will be a fun-filled adventure with bus, boat and train

journeys, and activities from the stone and iron age all the way to castles and kilts, whiskey or Irn Bru, seeing in addition to great scenery some 90,000 Puffins, 150,000 Gannets, 100,000 books, and (if we are really lucky) one lone "Nessie". We plan to fill this trip by November this year, space is limited, and it is open to non-Shriners as well. Look for the flyer in this issue of the Dust, in the "Nuts and Bolts", or at one of our events. You can contact me with any questions or contact Kathie Mayer at Travel Experts (719) 694-8809 for more information.

AL KALY BOWL-A-THON '25

Richard “Swede” Hanson

We had a turnout of only 7 bowlers for the Bowl-A-Thon on April 27th, 2025. I want to thank my co-captain WB Randy Sanger for the help he gave me, and my daughter Vicki. The Bowl-A-Thon raised \$2,122 dollars for the Shriners Hospitals for Children. Because of the love there was for Cindy Stivers the people who showed up but didn’t bowl contributed and some mailed in donations. When I went to the spaghetti dinner, I received additional donations. This day brought in what I usually get when 20-28 bowlers donate, and I get on the side.

Thanks to those who attended and made it a beautiful day of bowling. We had a few of the past Potentates attend to support our function, I.S. Bob Burr’s Lady Betty and family, I.S. Ray Singmaster and Lady LorAnn, I.S. Larry Weed, I.S. Dave Stevens, Chief Rabban J. Scott Rhea and Lady Karen. Since I.S. Jared Maddox was unable to attend, Assistant Rabban Mark Giffin and I.S. Ray Singmaster threw out the first bowling ball to start the event. Thank you all and Bless you for attending and donating. This fundraiser will again be done next year or earlier. I hope to see more people come out and enjoy a fun day of bowling. Thank you all for your support.

Proud to be INDEPENDENT

At Montgomery & Steward Funeral Directors, we’re proud to be independent- just like you. We’re owned and operated by lifetime Puebloans - not by any of the giant funeral home chains. This means we only answer to the families we serve, not to outside stockholders.

Your independence allows you to select which funeral home you will call at the time of need, or when considering a pre-need plan. That same independence allows you to choose a local funeral home where you know your wishes will be followed to the letter.

We honor most funeral plans made with other funeral homes. Just call us and we’ll be happy to explain your options and handle the details for you.

Since 1922, we’ve worked hard to make a positive difference in the Pueblo community by providing service and care for families of all faiths and ethnic origins.

Please call us today. We never use high pressure sales tactics. And we’ll be happy to answer your questions and discuss your options at your convenience at our funeral home or in the privacy of your home.

Share Your Fraternal Pride on June 6

On June 6, 1876, the Imperial Council, the original governing body of the Shriners fraternity, was founded. To honor this important milestone in our history, Shriners International has declared June 6 as Shriners International Awareness Day. On this day, nobles everywhere are encouraged to celebrate their great fraternity and raise awareness of its importance in their communities.

The leadership of Shriners International is mindful that June 6 is also honored as D-Day, the day in 1944 when Allied forces landed on the beach in Normandy to begin the invasion of northern France. While Shriners International certainly honors the valor and courage of everyone who served on D-Day, many historic events happen on a single day; and June 6 also holds a separate, special meaning for our fraternity.

A Time to Honor and Celebrate Our Rich Heritage

On June 6, Shriners International asks all nobles to publicly display their pride in their fraternity by wearing a fez (when appropriate), hat, shirt, lapel pin, or other item with the Shriners International logo.

In addition to wearing Shriner apparel, Shriners International also encourages all temples and Shrine clubs to organize special events at their temples and in their communities to honor our fraternity’s incredible history and achievements, and invite others to participate, as well.

Along with increasing awareness, these events will also support membership efforts, because the more information we share with our communities about Shriners International, the more potential we build for membership growth. Participating in this international day of recognition will motivate potential members to learn more about us, and also inspire our current members to become more involved.

Shriners International Awareness Day is the perfect opportunity to showcase our pride; share information about our fraternity and the benefits of becoming part of an organization dedicated to fun, fellowship and philanthropy; and highlight the different ways our organizations impact the world around us.

On this day, we ask you to honor our history by sharing both our heritage and your own unique story of being a Shriner, as well as our philanthropy’s mission to improve the lives of children and make the world a better place.

Here are a few ways both nobles and temples can get involved:

- Wear your fez on Shriners International Awareness Day when appropriate (during an official Shriners function).
- Show your pride in Shriners International by wearing a hat, shirt, lapel pin, or other item with the fraternal logo. Your family members can also wear appropriate clothing items that promote the fraternity.
- Organize an event at your temple or in your local community. Inviting the public to participate will increase awareness and interest in both your local temple and Shriners International.
- Promote Shriners International Awareness Day on your temple website and social media pages. Announce the date at all club and unit meetings to ensure all nobles are informed.
- Post information about our organizations on your own social media pages on June 6.
- Distribute fraternal literature and pocket petitions to potential prospects during community events.
- Hold an Open House at your temple.
- Contact your local media about your Shriners International Awareness Day events.
- Host a Media Night.
- Ask family members to take fraternal literature to their place of employment, if permitted.

During this time, we hope you also take the time to reflect on why the fraternity is important to you personally, and why you became a member. We are all a part of the greatest organization in the world – we should be proud to share our enthusiasm for the fraternity with the world around us, and Shriners International Awareness Day is a great opportunity to do so.

We hope that every Shriner and every temple will participate in this important opportunity to honor our fraternity.

# FEATURED SHRINER MACK WORD

by **Billie Nigro**

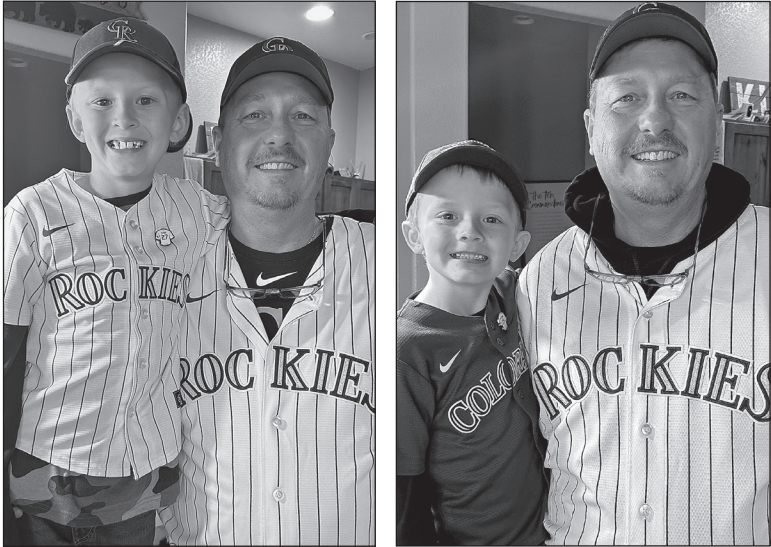

Mack was born in Lubbock, Texas, to Bob and Maurine Word. Mack is the youngest of three children. He has two sisters, Vanessa and Teresa. Teresa passed away shortly after she was born. Mack graduated from Frenship High School, Wolfforth, Texas. He earned his Bachelor's degree in Business Administration with an emphasis in Adult Corrections at East Central University in Ada, Oklahoma.

Mack's first job was installing landscape sprinkler systems. His following jobs were more in line with his college degree. He was with a security company, Network Security based in Lubbock, Texas. Then he joined the Littlefield Police Dept, followed by the Lubbock County Sheriff's Office and then the Carter County Sheriff's Office located in Ardmore, Oklahoma. He retired from the Federal Bureau of Prisons in Florence, Colorado. He is currently the Executive Director of the Canon City Golden Age Council; a non-profit organization providing services to the senior community of Canon City, CO. There was an incident while he was serving as a patrolman in Littlefield. It is funny now but not so much at the time. He arrested 11 little green men ....and they all fit in the back of his patrol car. An elderly lady called and said her house was being broken into by several men. When he and his fellow officers arrived, it was discovered the little lady had been hallucinating. She believed there were little green men running around her house. So, to help calm her and put her at ease, they were all arrested.

He met his wife, Melanie, in Lubbock, Texas, at a little night club called The Hub Club.

He was attracted to her because she was absolutely gorgeous, and she could sing! She's the singer and Mack is the talker! They dated for three years before marrying in 1986. Two years later, their son Mitchell was born and seven years later a daughter, Macy (Robert). They have 3 awesome grandkids Brantley (8), Jamesyn (6), and Oaklee (2). Mack and Melanie love to go camping with their kids and grandkids.

Mack collects (to an obsession) Harley Davidson poker chips and all kinds of challenge coins. His leisure activities include motorcycle riding, fishing, yard work, gardening, traveling, and camping – with his family. He's currently planning a mission trip to Uruguay. He said he is blessed to have made many, many

friends in several states.

He became a Mason in 1986. He knew nothing about Masonry except that his grandfather was a Mason. He was the inspiration for him joining. He was a good, honest man and Mack wanted to be like him in that way. Mack became a Shriner in 1992. He said it looked like a lot of fun and he wanted to help with the Ardmore Shrine Club rodeo. Plus, he always wanted to drive a Corvette. Mack said he's able to do that now with Al

Kaly...and he's having a blast!

He said he's blessed to be married to the love of his life, Melanie, since August 1986. His grandkids are the best. They've given him another purpose in life. He loves spending time with the whole family and he enjoys teaching the grandkids. The boys love riding with him on his motorcycle and he looks forward to the time had can take his granddaughter on a ride too.

His optimistic attitude is "Never expect something in return of a good deed done and you'll never be disappointed."

Pessimism: "Murphy lives in my bubble."

His Favorite saying: "I couldn't be happier if I was twins." I

asked if there was anything else. He told me this:

"I place my faith in God almighty. Without Christ I could very easily be spending my life in prison. God is my light, Savior, and it is He to whom I owe my life."

Mack's wrap up: "My career as a law enforcement officer was very rewarding. I enjoyed the opportunities I had to serve those who needed help. I have been blessed to be able to serve in my current position at the Golden Age Center. I am also blessed to be a member of the Christian Motorcyclists Association having served as the chapter Chaplain in the past. I am a Past Master of Lone Grove Lodge #25, Lone Grove, Oklahoma, and currently serving Mount Moriah #15 in Canon City, Colorado, as Junior Warden. I am also a member of the McAlester Scottish Rite, McAlester, Oklahoma, and India Shrine in Oklahoma City, Oklahoma, and Pueblo Shrine Club. I am also a member of the Rotary in Canon City, Fremont Economic Development Corporation, and Sons of the American Legion."

## THE IMPORTANCE OF LAWN MOWER SAFETY

### Shriners Hospitals Wants Kids to Stay Safe

Shriners Hospitals for Children® is committed to helping keep kids safe, and injury-free. Although they may seem like a common household tool, lawn mowers are one of the most dangerous items in our homes. Thousands of people are hurt while using lawnmowers each year — these injuries can include deep cuts; loss of fingers, toes, and even limbs; burns and broken bones. However, many lawn mower-related injuries can be prevented by following some safety guidelines.

### Lawnmower Usage Safety Tips

#### Keep Children Safe

- Children under 6 years of age should be kept indoors during mowing.
- Make sure children are a safe distance away from the area you plan to mow because rocks and debris often can shoot out while the lawn mower is running.
- Keep a close eye on children when a lawn mower is in use. Make sure they do not run into the mower's path.
- Never allow children to play with the mower, even when it is turned off. A lawn mower is not a toy.
- Children should be at least 12 years old before operating a walk-behind lawn mower and at least 16 years old to operate a riding mower.
- Never allow children or any other passengers on a riding lawn mower because of the potential for falling under the mower and sustaining serious injuries.

#### Weather and Terrain

- Do not cut grass when it's wet because it can cause your feet to lose traction and slide.
- Do not use a mower on hills or slopes, to avoid having it tip over and cause injury.

#### Prior to Mowing

- Read your mower's instruction manual and familiarize yourself with the product prior to use.
- Use a mower with a control that stops it from moving forward if the handle is released.

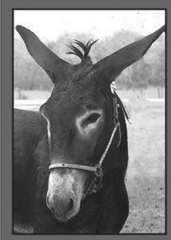

- Clear your lawn of items such as nails, sticks, rocks, toys, sports entertainment, dog bones, wire and equipment parts, so the debris does not cause damage or hurt anyone.

#### During Usage

- Wear close-fitting long pants and long-sleeved shirts, eye protection and heavy gloves.
- Do not wear sandals or be barefoot. Wear sturdy shoes with good traction.
- Do not wear jewelry.
- Always fill and start lawn mowers outdoors.
- Never fill the tank with gasoline when the lawn mower is on or hot.
- Do not remove safety devices or guards on switches.
- Never reach underneath a mower because the blade remains engaged even when it is shut off.
- Do not mow in reverse unless absolutely necessary.
- To remove debris from mower use a stick or broom handle, not your hands.
- Always shut off the engine before leaving the mower unattended.
- Stay away from the engine cooling, as it can become very hot and burn unprotected flesh.
- Wait for blades to stop completely before crossing gravel roads, unclogging the chute, or removing the grass catcher.

To learn more, watch our animated educational video about lawn mower safety, available for viewing on our YouTube channel, [youtube.com/shrinershospitals](https://www.youtube.com/shrinershospitals), and share with your friends and family. In the video, Fezzy, our cute and cuddly Love to the rescue® ambassador and mascot, shares tips on lawn mower safety in a fun and engaging film for all ages.

Should an injury occur, the physicians and staff of Shriners Hospitals are here to help. For patient referral information, please call 800-237-5055 in the U.S. or 800-361-7256 in Canada. Both lines are staffed weekdays.

## In Memoriam

*As of: June 1, 2025*

"Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.  
Mary Elizabeth Frye

## Helping A Child Is Just A Phone Call Away

Determining whether a child is eligible for care at Shriners Children's is as simple as calling 800-237-5055 (toll free in the U.S.), or 800-361-7256 (in Canada) from 8 a.m. to 5 p.m. Eastern Standard Time, Monday through Friday. During the initial phone call, you will discuss the nature of the child's condition, age and location of residency with a patient referral coordinator. Based upon the information provided, you will be referred to a specific Shriners Children's location that can best care for the child. Additional information is available on [shrinerschildrens.org](http://shrinerschildrens.org).

Shriners Children's specializes in treating orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate.
