POTENTATE AND FIRST LADY'S MESSAGE

by *Ill. Sir Merv Terrill
and Lady Glenda*

Hello again. We are leaving for London and Iceland tomorrow but will be back bragging when you read this. It promises to be a fun vacation and one we hope never to forget.

There has been quite a bit of activity during the period since the last Dust: parades, a stated meeting, CSSA in Tulsa, Oklahoma, Official Visits, and all those "small" things you do normally. This last week Glenda has been severely under the weather and we were forced to miss three different events due to that, so sorry, and our apologies to the Pueblo Shrine Club, the Mule Train Fish Fry and another personal event. She better stay well for London!!!

Again, thanks to everyone who has been showing up to support the various events we have had. Your vigilance during the year has been wonderful and we appreciate it more than words can express. As soon as we arrive back home from the trip we will be having the Pipe and Drum OV...and this one is always a blast with the Haggis and the Pipers.

Don't forget the upcoming calendar events. The Chili Cookoff should be a great event with so many different types of chili to choose from for your burgers and dogs during the lunch time. The entrants need to get their applications in for this event soon so we can figure how to set everything up. If you don't have an application form at hand contact Asst. Rabban Jim Eaches who will be carrying them with him everywhere from now on. The prizes are already made thanks to Emily Carter...AND we need petitions for the Ceremonial before the chili lunch. Remember how much fun you have

had and the sense of accomplishment you feel when you see one of our "kids." Share this with a friend.

Ladies, take note. The Penny War will end on November 23. That will give us time to count all the copper, separate them from the silver and green, and figure out who wins the Dead Mouse Award. If you'd like, you can bring everything to the Potentate's Appreciation Event on that date – funny how that worked out on the same day, huh? If you want your own bank to count your "jar" or you want to do it yourself that is fine. If you want to bring it intact Glenda and Merv will count everything and let everyone know all of the totals. Everyone is on their honor, if we can't trust each other... We can't say Thank You enough to everyone in Al Kaly for their participation in this fun event. The girls had a great time competing and the rest of you donated every time

you remembered pennies... THANKS ALL!!

We would, also, like to remind the clubs and units to be certain to notify Chief Rabban JD as soon as you have elected officers for next year. We vividly remember how important it is to get this information rapidly.

See you as soon as we return...

Shrine Ladies

by Sheila Aldrich
President

We had our October meeting at Walter's Bistro with 15 members in attendance. It was a delightful lunch in a beautiful setting on a fabulous fall day. We welcomed a new member, Beverly Linebaugh. She and her husband, David, are new to Al Kaly Shrine and will be a great asset to our Shrine. We also celebrated the marriage of our Vice President Marlene and her Noble, Bob Mouirguies. Our next meeting will be on November 17th at the "Egg and I" at Citadel Crossing at 11:30 am. Our usual meeting date is the first Monday of the month, but a change was voted on because of the visit of the Supreme Queen to our Nile on November 3rd. At the meeting on the 17th we will be collecting items for our November Thanksgiving Basket give-a-way. We normally raffle our baskets at the monthly dinner meetings but in November everyone is given a ticket to thank them for the support throughout the year. Our December Christmas meeting will be held at the Stagecoach Inn in Manitou Springs. I cordially invite any ladies that are not members to come and join us for fellowship and fun. We would love to have you be a part of our club.

The price is \$15.50. We usually collect our yearly dues \$2 on this date as well. Bring a couple of gifts to raffle off. They can be fun, drinkable or pretty gifts. It is the first time in anyone's memory that we won't be at Merlino's Belvadere for our OV.

We always have great fun and we look forward to seeing you and creating new memories. Oh, yes, and the Officers will be sworn in (not at, or you get the office) by Lady Betty Burr. See you soon.

garden sale a success

by Mary Burger

The garden sale at the Pig Roast was a great success this year. We were able to raise about \$230.

All year long, I have enjoyed picking out great produce when we were returning from distant Official Visits; Peaches from Palisade on our way home from Cortez; Tomatoes from Rocky Ford; Chilies from Pueblo, and preserving them for sale at the garden sale. I also enjoyed working in small batches, and making a few loaves of zucchini bread every week. Then, when the big day came there were peppers, and tomatoes, and other fresh things from my garden to add to the list, and viola! We had a garden sale.

Special thanks go to Marie Moran and Phillis Allen who also shared their extra garden produce. We learned some things from this sale: People prefer peach jam to whole peaches. People prefer salsa to whole canned tomatoes. People will buy any kind of fresh produce. And, everyone enjoys free samples.

So, next year, hopefully we will be able to do this again. Hopefully, we will decide early enough in the year to have more people involved, and sell even more great homemade, and home grown goodies. I had fun, and I think everyone who came had a good time too.

QUIET SERVICE

What does it take to keep Al Kaly Shriners moving forward, having fun, providing for the continued good works of the hospitals? It requires the quiet worker who is there to help keep Al Kaly Shriner families happy and the events scheduled moving right along. Noble Bob Allen and his wife of fifty-two years, Phyllis, are regular fixtures in the Hospitality Rooms for Shriners parades and OVs and any other function where the Potentate requests it. He has served as Chief Aide, Assistant Chief Aide and combinations of the same for several Potentates. He is wonderfully welcoming and the food and refreshments always plentiful. You know his smiling face and now here's the rest of the story.

Noble Bob was born and raised in Illinois and served in the US Navy for over twenty years. His grandfather fought for the Union in the Civil War. He lived in the territory of North Carolina which later become Tennessee. He wasn't welcomed home after the war and moved his family to Illinois. His great grandfather fought in the War for Independence so it seems military service is part of the family history. Noble Bob became a Mason in 1970 when he joined Lodge #95, Silver State, in Pueblo and joined Al Kaly Shriners in 1994. He is a life member and a 32nd degree in the Scottish Rite. His First Line Signer was Noble Paul Cooper who was a member of the Honda Patrol. When Noble Bob joined the Honda Patrol, he helped start the Canon City Gun Show which has been a fund raiser for Al Kaly Shrine for years. He and Lady Phyllis are members of the Nomads. When she and son-in-law Bill gave Noble Bob a 1967 Ford

Mustang, he joined the Flivers. His car collection is his pride and joy. He has two Corvettes ('81 and '86), a '87 Thunderbird, a pickup and all terrain Jeep.

In 1958, Noble Bob was working for Caterpillar Tractor Company and decided to enlist in the US Navy. His tour took him to the Philippines, Korea, Vietnam, Japan and Hawaii. When he was stationed in Hawaii, he came home on leave and his sister, Bernadine, introduced him to her best friend, Phyllis, whom she wanted for a sister-in-law. Her wish was fulfilled and they were married in 1962. Their family grew to add son Robert and daughter Gail. One of their postings took them to Pueblo at the Naval Reserve Center. When the movers pulled up in Glenn Ellyn on January 26, 1967, it started to snow. They were lucky to be able to leave as the snow kept coming. During the blizzard which lasted twenty-nine hours, twenty-three inches of

snow fell. When they got to Pueblo, they bought a house and settled into various activities. Then off to Charleston, South Carolina where it never snows. Well, hardly ever, in the last one hundred years. When the Allens got there it snowed, and they were the only ones in the naval housing with a snow shovel!

After twenty years, Noble Bob left the Navy and returned to Colorado and built their home in Canon City. Noble Bob worked for the Department of Corrections and went back to college at CSU-Pueblo where he earned a degree in Business Administration. He had three strokes and surgery that went bad and he retired from DOC. It was hard for him not to work so he became a greeter at Walmart which kept him busy until he retired again in 2002.

Fishing, hunting, gardening, bowling and woodworking have been his main hobbies. He's had to cut back on some of them because of his health. They spend time in Cripple Creek when they aren't traveling and helping with the Hospitality Rooms and other Al Kaly Shrine activities. With their son, Robert, daughter, Gayle and son-in-law, Bill, and grandson, Christopher, all living in Colorado, Noble Bob and Lady Phyllis are able to sit back and enjoy their home and land. Evidence of Noble Bob's handiwork is evident in their family room which he finished out with beautiful cabinets and paneling. It is a lovely place where they can relax and enjoy their times together.

Need a break from everyday life?

Come to Cripple Creek where you'll find all kinds of entertainment. Try your luck at one of our casinos, wander through an historic or modern day gold mine, enjoy a variety of live shows at the popular Butte Theater, or get outdoors and explore the undiscovered side of Pikes Peak.

Real Fun. Real Colorado.

2015 EVENTS CALENDAR

by **J.D. Potter**
Chief Rabban

The 2015 Events Calendar has been posted on the Al Kaly website at alkalyshrine.org, it is posted under the events tab. I would like all clubs and units to take a good look at it and get back to me at 719-240-0675 if you see anything that is in error. It is a lot easier to fix things on the website than it is after the directory has been printed.

I would like to thank all the Nobles, Ladies and guests that came out to the Calling in of the Hogs. I had a good time cooking the pig this year, and I did not have any unexpected black and white guests, aka skunks, show up in the middle of the night checking out the smoker.

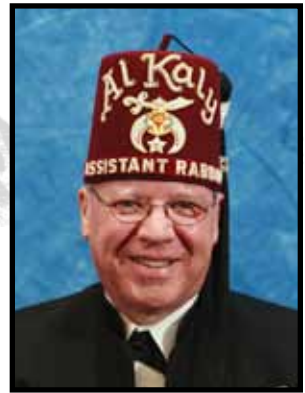

Fall is upon us, and the last parade has been run, and it's now time to look at the next group of events that are coming up. First, the Winter Ceremonial on November 22nd. We need to get as many new members as possible, so get to work in our Blue Lodges and recruit a new Noble or two. Next, is the Stated meeting on December 12th. This is the election of officers, and we need a good turnout for this.

I hope to see you at all the meetings coming up.

ANOTHER MIRACLE FROM THE SHRINERS HOSPITALS

by **Jim Eaches, Sr.**
Assistant Rabban

It has been a busy summer with many parades and Official Visits. However it has also been a great summer. A big thank you goes out to all that have participated in the parades to help show that Shriners still do exist and the Red Fezzes are there to prove it. The Bowling season has begun and I'm am happy to report that my Lady Rosa and I lost our first four games mainly because we were both in Cortez, so we will be back for the September bowling and will just have to crawl out the basement.

Just when you think you have heard all that the Shrine Hospitals can possible do a new story comes to surface. It seems that that a special little person named Ana Paula arrived at Shriners Hospital for Children-Los Angeles to receive a life-changing surgery not available in Panama. Ana was born a conjoined twin, twenty days after birth she underwent her first operation. Joined at the pelvis with her twin who did not survive the operation, Ana was left with a third leg, three kidneys and possible reproductive issues.

The medical team at Shriners Hospitals for Children-Los Angeles has developed a reconstructive surgical and treatment plan for Ana with hopes she will be able to lead a happy healthy life. This condition is so rare - there are only 12 survivable cases like it in the world each year. Ana is expected to undergo multiple surgeries including the removal of her two non-functioning legs before being fitted with a prosthetic.

Dr. Song states that she may never be able to run as fast as other children, but she will be able to move about and keep up with her peers. Just another incredible story of the miracles accomplished in our wonderful Shriners Hospitals.

In closing, Nobles, we belong to the Greatest Philanthropy in the world and our achievements in hospital care are nothing short of miracles. However there are millions of children out there still needing our help so our work is far from done. Together we make a difference in a children's lives.

Yours in Shrinedom

BUSY TIMES AS THE PARADE SEASON ENDS

by Ron Bowen

High Priest and Prophet

Nobles, Ladies, and Friends,

I apologize that my article didn't make it into the last Dust. I'm sure it won't happen again. One important item from my article that you didn't get to see was my welcome to Butch Holmes. I would like to say welcome aboard! Taking over the Dust is an awesome task, but I know you'll do great. Your first Dust publication was fantastic, and I wish you all the best for the future!

Like every other Dust we have had busy times - two O.V.s, eight parades (Fountain and Trinidad were on the same day at the same time, so we split to cover both parades) and the parade season ended with the Penrose parade.

In between were other events - the Sky Sox ball game (who doesn't love a good ballgame?), the Al Kaly annual picnic (the first time in John Metcalf Park - what a nice place for the picnic!), and of course we can never forget the annual Pig Roast! J.D. did a phenomenal job smoking it as he always does. This was the first time that it was held at the CSSC.

For the first time in a very long time I was able to play with the German band during the different Oktoberfest celebrations. We played at the Consistory, at senior homes, churches, senior centers, and the Black Forest Community Center. There were around twelve gigs in about twenty days. A lot of traveling, a lot of playing, and a lot of fun! I sure had a great time!

The 2015 calendar has been proofed and there are seven or eight minor corrections that are left to be made. The printing will be completed before you read this. All we need you to do now is let me or the office know how many you would like to have and we will get them to you.

Remember, at the Stated Meeting the promise was made to get out and sell them. Don't forget that that each Club, Unit, and Ladies Organization will receive seven dollars for each calendar you sell. Now let's all come together for the big push to sell them for the Temple! These will make great gifts for the holidays!!

Stay healthy and take care.

SUMMER? OVER ALREADY?

by Jim Burger

Oriental Guide

Wow where did summer go? We were so busy attending OV's and Parades that when we stopped to catch our breath and looked at the mountains, we saw the start of the Aspens turning! What a fun filled summer, meeting all of the great people that make up the Shrine Family.

The Labor Day parades in Fountain & Trinidad were well attended by Al Kaly members.

The Pig Roast and JD's Smoking of the Piglet was well attended and Delicious! The garden produce table was well received and ideas for next year came from the people that were there. Wait and see what is coming up for next year.

The annual Potentate's Trip will be blast. We go to Scotland, London and Iceland. Very Beautiful Country and the History there is just Awesome.

November is here and the start of the holiday season. First of all is the annual Shrine Basketball Tournament at CSU Pueblo. This is a great time to see some basketball from some of the good teams that are not nationally ranked, but should be.

The annual Holiday of Thanksgiving is the week after, and a great time to share with family and friends, giving thanks to the many blessings we have in this great country.

The beginning of December we have the annual Al Kaly Shrine Christmas Party which will be held at the Iron Springs Chateau in Manitou Springs, CO on Saturday, December 6. Cost is \$35 per person which includes dinner and melodrama. Nobles and guests are invited. Make reservations through the Al Kaly Office no later than November 28. Payment must be received prior to the event.

My Lady Mary and I wish everyone a joy full and very happy Thanksgiving.

THANKS AND APPRECIATION

by **James Hinojosa**
First Ceremonial Master

Dear Nobles,
As the year is coming to an end I would like to acknowledge some people that have led the way for me.

First, Noble Brian Bate and his Lady Roberta. Brian is the backbone to this walk we're on. Brian and Roberta took us under their wing in Blue Lodge during his year as Master. After completing my degrees, he didn't hesitate to introduce me to the Shrine and get me in with the Elite unit, encouraging me to be involved. Through his guidance I gained confidence to get more involved.

Then came Assistant Rabban at the time, J.D. Potter, the blood in my walk, who then got me involved in the Shrine Club bar, asking me to help him with a few events. I should have known then it was a trap. Just kidding, J.D. The more I helped, the more I enjoyed meeting all the Nobles and knew I wanted to do more. Chief Rabban J.D., became a confidant and friend. He and his Lady Stacy, as well as Noble Brian and his Lady Roberta, treated us like family. Taking my Lady into their circle of friends was great for us. As time passed I had no idea of what was going to be ahead of me. Chief Rabban Potter saw something in me that made him ask if I would like to get in the progressive line. Not knowing what to expect, I hesitated for a bit and had lots of questions, not knowing what was to be and thinking I had time to explore my options. Things in the Shrine changed and Ill. Sir Merv gave me a call to discuss the possibility of getting involved sooner, knowing that I could step up to the plate. I had no problem saying "yes." I have had to learn a lot in a short time and have a bunch still to learn and gain.

Last, to the Elite unit and Ladies, thank you for being great friends and helping us along the way. The ladies of the unit have treated my Lady great and have made my walk easier by being there. The Nobles have taken me in and always are great friends who listen without hesitation. With that, to all the Nobles of Al Kaly, thank you for allowing me into your fraternity and allowing me to grow within it. I am sure I will have lots of questions. I look forward to making a lifetime of friends and brothers. It is with great respect and gratitude I say, "Thank you all."

THE SPENCER SHIPLEY ANNUAL TURKEY COLLECTION

by **Bart Guthrie, P.P.**
Recorder

For the past couple of years, Colorado Springs Lodge 76 has sponsored an annual "Take a Turkey to Lodge Day". The turkey collection benefits "Care and Share" for Southern Colorado. For the first couple of years Noble Spencer Shipley and I worked this project for Lodge 76. Spencer was a terrific young man, a Lodge officer in "76," and a member of Al Kaly Shriners. His life was cut short by a motorcycle accident. Last month, we voted to rename the project the Spencer Shipley Annual Turkey Collection in honor of him. Southern Colorado Care and Share will still benefit. The date is November 21, 2014. The collection point is between 8:00am and 10:00am at the Masonic Center, 1150 Panorama Drive, Colorado Springs. Not only do the needy in Southern Colorado benefit; but, if your Lodge is need of a charitable event to fulfill an Honor Lodge requirement, this is a great one since Lodge 76 is doing the work. Our goal is 125 turkeys.

IMPORTANCE OF SELECTING QUALIFIED CANDIDATES FOR THE POSITION OF ORIENTAL GUIDE

by **Bart Guthrie, P.P.**
Recorder

From the Office of the Imperial Recorder. When the members of a Shrine Temple elect a Noble to the office of Oriental Guide, they are virtually starting that Noble through the Divan line on the assumption that he will prove qualified for any merit achievement to the high office of Potentate.

Hence, it's quite evident that the nominations for Oriental Guide should be based upon a thorough and accurate evaluation of character, ability, and interest.

A Noble can be a good fellow, a hard worker, and a loyal Shriner...and yet lack the basic qualifications which make a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to his temple in seeking the office or in permitting his fellow nobles to support and promote his candidacy.

The normal starting point of Shrine leadership is the office of Oriental Guide. The following checklist may prove helpful in evaluating potential candidates for the office of Oriental Guide. However, no thinking man would be so naïve or presumptuous as to all the virtues, talents, and qualifications which are set forth in this checklist for advance evaluation of potential candidates by the voting members.

- Leadership
- Executive ability
- Business sense
- Community standing and influence
- Financially secure
- Free to donate ample time
- Capable of building good public relations
- Good habits and moral character
- Interest in Shrinedom
- Ability to give and get cooperation
- Diplomacy

Many temples have placed a definite limitation upon their progress as a result of hasty judgment in connection with nominations for the office of Oriental Guide. Every Noble is not fitted to meet the rigorous demands imposed upon Potentates.

So let's be fair, honest, and wise in the all-important matter of electing to office only men who are eminently qualified for the job. We all know that with honor comes responsibility. And while there is high honor associated with a Divan office, the ensuing responsibilities entail a lot of time-consuming, energy-consuming WORK! Eternal vigilance must be wisely and thoughtfully exercised by the voting membership in order to perpetuate a high caliber of leadership!

Memorial Brick Project Underway

The Memorial Brick project to benefit the Colorado Springs and Pueblo Shrine Clubs is well underway. The first order of bricks was laid next to the statue in Colorado Springs by Leroy Lindsey, Doug Cook and IS Roger Mendenhall. Roger also laid the first bricks at Pueblo along the sidewalk next to the memorial plaque, which the Pueblo Board selected for the permanent site. Blank bricks fill in for future memorial bricks and will be replaced as orders arrive.

A second order has been submitted and will be close to installation at the time of this printing. We are now working on a third order, and would like to invite everyone to view our progress at one of the clubs. Several clubs and units have also ordered bricks, and others are invited to participate. If you would like to buy a brick, contact one of the Shrine Clubs or Roger Mendenhall at 719-495-0678 (home) or 719-651-4568 (cell) for the information.

The Roving Ambassador

by Richard Mills

The busy Summer is coming to a close. The fun at parades and picnics will be put on hold until next year but the fun and fellowship at the Blue Lodges and unit meetings will fill the Gap.

As Shriners, we need to take advantage of every opportunity to put our presence before the public. The laying of cornerstones is a Masonic function that we should support. Be aware of the historical reasons of the cornerstone as people at the ceremony will ask about the purpose. This is a good time to talk about the Masonic Families. The cornerstone function that I attended this year were not well represented.

The Pioneer Day parade, in Florence, was well attended. The weatherman cooperated with a beautiful day. A great time was had after the parade with a picnic and Bistro held at "Mills" Park. Lots of food and fun was enjoyed by both Nobles and Ladies. We were honored with the presence of Ill Sir Merv and Past Potentates Ill Sirs Bob Burr and Gary Sears.

The Honda Patrol closed out the year with a gun show in Canon City. The show was not the success that it has been in the past. The Shrine Club in Salida canceled theirs this year for lack of dealers, and Pueblo canceled theirs due to conflict with other bigger shows. It may be that gun shows have run their course and we need to look for other fundraisers.

I'm sure some get tired of my constant writing in support of the Blue Lodges, but remember.... No Blue Lodges...No Shrine. This time of year the Blue Lodges will be electing officers for the coming year. It is an important day in the life of a brother when he assumes the role of Master of his Lodge for the first time. When a Lodge has the installation of officers, let us make it a point to attend and offer the congratulations from Al Kaly.

There Goes Henry

Shriner Child Henry Gott IV

by Rose
Enyeart

Better look quickly as Henry runs through the grass, up a tree, or onto the slide. Watching from a picnic table in Shooks Run Park are his parents Laura and Henry III. They are so happy to see their six year old son and their four year old daughter Cloe having such a good time. They are also grateful for Al Kaly Shriners part in their son's life.

According to Henry IV the braces he wears are to help his feet. They are really nice and he doesn't mind them because, although he can't run as fast with them on, he has a good time. Henry was born with contracted Achilles Tendons. When he started walking, he walked on his tippy toes. His parents asked their pediatrician about it when he was a little older and still didn't walk on his whole foot and his feet turned out some. They were referred to a physical therapist who wanted him to do occupational therapy and wondered if it was a psychological problem. His parents were concerned about his mobility in that his dad had always had problems with his own feet. They were also surprised that the PT thought it might be something other than a physical problem.

Laura's dad is in a men's group that includes a Shriner. Grandpa told them about his grandson and the frustration that the parents had in trying to find help for him. The Shriner told him about the Shriners Hospital for Children and how to get their help. Of course, once in the Salt Lake Hospital for Children, the doctors knew what was causing Henry's tippy toe walking and what to do about it. It was the shortened Achilles tendons, and braces were designed and created so that Henry's feet were on the ground and Henry was back running around and climbing whatever was in front of him.

He's only been in the braces since June and his parents can see the change in how his feet are pointed more straight ahead. Convincing Henry that braces were the way to go was a process. The longer he wore them, the more confident he

became in them. Dad Henry and Laura were certain that Henry would benefit and firmly encouraged him to learn to get around with braces. His school, Buena Vista Montessori, has been supportive as well. You see, they have inside shoes and outside shoes, which require getting the braces into the shoes with each change. The mobility in the braces is really good. He knows and understands the need to wear them so that someday he won't need them.

Dad and mom are so happy to see how just a few months has changed his walking. If they see him slip into the tippy toe walk, they remind him that he needs to walk on his feet and he obliges. Dad particularly is pleased to see how his feet are more flat on the floor even without the brace. They will go for a six month check in December so doctors can evaluate his progress and to order new braces if needed.

This is another success story that happened because the parents were concerned and would not give up on looking for a solution. Both parents are very grateful for not only the help their son and their family is receiving from the Shriners, but also for the way that their family is being helped. To have the answer to their child's gate problem and to know that help is there for him to have a normal life. Henry is interested in Martial Arts and they are happy because they know that with his athleticism and desire he will do well.

The challenge, as always, for the Shriners is to get the word out not only to the public, but to the pediatricians. Henry's gate will be corrected when he's young. Had it been done sooner even better. So this young family will be our ambassadors and tell others about what miracles the Shriner Hospitals can do. Aren't you proud to be a Shriner?

Greetings, our summer is winding down....well what summer we did have. I truly think it was too short and the thought of all this cool weather rapidly coming is putting everyone in the football mood. And, of course you know that God is a Bronco fan.... why else would our spectacular sunrises and sunsets be orange and blue!!!! So let's hope that they win the Super Bowl this year!

We had the drawing for our quilt, I want to thank everyone for supporting us. Every dollar collected went right to our CRA/CRF account, which in turn goes to the Shriners Hospitals for Children. The lucky lady who won is Princess Mary Lee Del Rio, or should I say her Noble Kevin will be warm watching those football games!

By the time you read this we would have had our Alligator Party...and there should be some new Alligators running around... Princess Badoura showed us how to have a good time New Orleans style! We have the White Rose coming up on October 25th and this event is open

to everyone. Please see the flyer for information or call Princess Cindy Stivers. We have our Supreme Official visit on November 3rd which is a Monday and we will be having a banquet to honor our Supreme Queen Marsha Sowers. We love to put our best foot forward for this, so we will be "shining" on our special day.

Please mark your calendars for our High Tea on February 7th. This is an annual event that you don't want to miss. I am putting out a challenge to all the ladies to call your friends in your church groups or Red Hat Clubs to join us and of course you know that the men are invited as well. We have a group of our Nobles dressed in their finest tuxedos serving us tea made from a secret recipe that only our "TEA QUEEN" Past Queen Mary Lou Bailey knows!!! More info will come out later.

We are continuing to work on projects for the Hospitals, collecting the can tabs and if you have soup labels or education labels we will gladly accept those. Even if you think that the little bit that you save doesn't matter you are so wrong. Check out the website www.labelsforeducation.com to see what products have these labels. There is a hospital that used the labels to purchase 4 new TV's for the waiting rooms. Just save the labels for education for us and we will make sure that they get to the hospital. Until next month Shine on!!!!

AL KALY MULE TRAIN

by Ill. Sir Allan Ake
President

There are so many cool things that go on in the Shrine. As we were preparing for our annual Fish Fry, a local resident stopped by to ask if her two passengers could take a look at the mules. Of course, I said yes. It turns out that the two passengers were special needs people and loved horses (and of course, mules). Joe Clendaniel quickly got some mule treats so they could feed the mules. The three of them were so pleased ("tickled" as we used to say) to have a chance to pet and feed our four legged friends. Later on, Lester and Mimi Nowell's granddaughter, Zoe, got a huge kick (pardon the pun) checking out the mules.

The Fish Fry was fairly well attended, although there were fewer people than last year. We served about

The German Band performing at the Fish Fry.

100 attendees, some of whom danced to the tunes of the Al Kaly German Band after the meal. The Fish Fry is one of our major fund raisers each year and we thank all who attended and worked to make the FF a success and a special thanks to the Band.

KALYKLOWNS

by Howard "Cuz'n Clem" Magan
Dust Reporter

As summer begins its descent and July has faded into August, we find the Kalyklowns still busy at the I-25 Speedway. On August 16, we held another annual "Shriners' Night at the Races" event and raised \$320 for the hospitals.

There to represent the Kalyklowns were Howard Magan (Cuz'n Clem), Bill Davidson (Billy-Bob), Doug Gabel (John-Deere), Larry Ruiz (Sleepy), and Dennis Feister (Rocky), were our Potentate Ill. Sir Merv Terrill, First Lady Glenda Terrill, Lady Rhonda Davidson, Noble Brian Carter, and the First Daughter Shadra, and First Granddaughter, Haylee. As an added treat, klowns Rocky and John-Deere walked along in front of the crowd in the stands and tossed stuffed toys to the children. This was a real treat for them! While in the announcers' booth, I encountered Amy Sais, an employee at the track, who as a child, was burned over 75% of her body at the age of 5, was treated at the Burn Center in Galveston and is now raising her own child. How wonderful to know someone whose life has been made better by the doctors and nurses and other staff at one of our hospitals!

At the parade in Rocky Ford the previous day, we saw in attendance, Ill. Sir Gary Sears, PP (Panhandle) and Wayne McKey (Howdy) parading and Cuz'n Clem doing his usual announcing bit live over the local radio station for Al Kaly.

At our stated meeting of Al Kaly, Noble Wayne McKey (Howdy) presented the Potentate, Ill. Sir Merv Terrill with a check for the \$320.00 that was collected at the speedway for the hospital.

The State Fair Parade was held on August 23, the day following our stated meeting, and Noble Nick Forgit agreed to drive the tow vehicle with Cuz'n Clem riding shotgun to assist the Al Kaly Band, who has had some difficulty in securing a regular driver for their very long trailer. Noble Nick also was on hand to perform the same duty for the band at the parade in Fountain on Labor Day.

Our next parade was the annual Kids' Day Parade on

August 30, attended by clowns Tiny (Tracy Howard), Sleepy (Larry Ruiz), El Lobo (Vern Wolf), Howdy (Wayne McKey), Pocket Change (Nick Forgit), and Cuz'n Clem (Howard Magan). We marched the few blocks down this short parade, which it has been an enjoyable experience for many years.

On Labor Day, some of the Nobility was split between the parade in Fountain and in Trinidad. Noble Nick Forgit was once again recruited to drive the truck towing the trailer for the Al Kaly Band, while in Trinidad, Panhandle (Ill. Sir Gary Sears, PP), Rocky (Dennis Feister), Sleepy (Larry Ruiz), Hooper (Larry Childs), Howdy (Wayne McKey), and Cuz'n Clem (Howard Magan).

On September 6, some of the Al Kaly team journeyed to the small community of Eads to support the nobility who live in that area by parading there. The clowns in attendance were Cuz'n Clem walking procession with Larry Newman (3-Putt) from the Clowns of Al Kaly. The others who attended were Rob Cordrey from the Potentate's Motor Escort, our Chief Rabban, J.D. Potter, with his Little "T," The First Ceremonial Master James Hinojosa on his

Elite Scooter, and Potentate's Chief Aide Brian Carter in his yellow Caddie driving our Potentate, Ill. Sir Merv Terrill. We were treated to lunch at the Kiowa County Fair by our host, Tim Weeks, President of the Southeast Shrine Club, at whose invitation we journeyed there.

Our next event was the Early Settlers' Day Parade, which was

held in La Junta and found Panhandle and Sleepy walking in the front of the Al Kaly portion with Howdy bringing up the rear on his trusty trihorsecycle. If you've never seen this vehicle, you're missing an icon that appears whenever Howdy is parading. In fact, he has even taken it to some out of state parades in the past!

On Saturday the 20th of September, the Kalyklowns took to the road once again to attend the Pioneer Days Parade in Florence. We were privileged to have in attendance Panhandle (Ill. Sir Gary Sears, PP) El Lobo (Vern Wolf) and Sleepy (Larry Ruiz) and Howdy (Wayne McKey) driving his black and white 1954 Ford Mainliner 4-door sedan. Cuz'n Clem (Howard Magan) was as usual, announcing the Al Kaly units as they passed. Noble Nick Forgit (Pocket Change) was

(Kalyklowns, continued on page 22)

(Kalyklowns, continued from page 21)

reassigned in plainclothes that morning to act as driver for the Al Kaly Band. It is nice to see how the members of all units are able to share their talents when needed. Following the parade, all were treated to a picnic in the park directly opposite the home of Noble Dick Mills and his Lady Mary. Great food and fellowship was enjoyed by all. Thanks to all those who helped prepare a great meal!

On Saturday September 27, Vern Wolf (El Lobo), Frank Caffey (Halftrack), Larry Ruiz (Sleepy), John Montoya (Buttons), and Gary Sears, PP (Panhandle) took the long ride to Holly, Colorado for the parade.

The following day, the annual end of summer picnic was held at Pueblo City Park with Nick Forgit (Pocket Change) doing the cooking of hamburgers and hot dogs. Also in attendance were Cuz'n Clem and Lady Chris, Rascal (Tony Quintana) and Lady Sadie, John Deere (Doug Gabel) and Lady Kathy, Tracy Howard (Tiny) and Lady Jan, William Davidson (Billy-Bob) and Lady Rhonda, Vern Wolf (El Lobo) and Lady Connie, and

Honored Lady Ronnie Robbins.

Our final official parade was the 79th Apple Days Parade in Penrose. Among those attending from our clown unit were Ill. Sir Gary Sears, PP (Panhandle), Larry Ruiz, VP (Sleepy) and Dave Jones (Choo-Choo). Also attending, and driving as his passenger, Past Potentate "Poo-Bah" from San Diego was Wayne McKey (Howdy), once again in his 1954 Ford Mainliner Sedan.

Our meetings are continuing as scheduled with very good attendance. This is good because regardless of what subject we decide to discuss and work on we get very good thoughts and ideas coming from all of the members.

In August, Noble Guy Hammerland gave us an excellent report on the then-upcoming Al Kaly Golf Tournament, and it looked like we had a real good turnout. In September, he was back to tell us that it turned out just as good as expected and maybe even a little better. Nobles and Ladies, if you have the opportunity, thank Noble Guy for a job well done, once again. In September he also brought us up to date on the upcoming Basketball Tournament to be held at CSU-Pueblo Massari Gym on November 14th and 15th. He has said it before, but he said it again: "We would like to see a lot of Fezzes in the audience." Our committee members will be there both days. Will you?

LEGION OF HONOR

by **Richard "Swede" Hanson**
Commander

Let me start this way. A special thanks to all Members of LOH who stepped up to carry the Colors in the many parades, and Shrine Stated Meetings. If you Nobles happen to be the ones watching, I'm sure you were just as proud to see their performances as I was.

With that said, now I would like to say a few words about membership. As most of you are aware, our Unit membership in the Legion of Honor is limited to those serving our Country or those who have served and have been Honorably Discharged. We meet the second Wednesday of each month at 7:00 PM at the Colorado Springs Shrine Club. If you happen to fall in those categories and are interested please plan to attend one of our meetings and meeting our members, your Brothers in Arms.

Next parade season, you could be one of those members of this Unit proudly presenting the colors to our Communities.

Continuing right along, at the September meeting IS Bob Burr briefed us on a visit Nickels the Clown made to a Methodist church in Colorado Springs. They asked "Nickels" to visit on what they call "Change for Change" Day, when they take up a collection for various organizations. This time it happened to be for the Shriners and IS Bob spoke to the congregation about the Shriners before the services. At the end of the day, they gave our Children's Transportation Fund a check for \$235. Thanks, IS Bob.

It was suggested that we seek out something to include with paid dues card, when returned to the Noble, such as some kind of membership decal. One of the members picked up that idea and was going to make inquiries at the Imperial level to see if anything was readily available and will report back at the October meeting.

In closing, Noble Doug Gable reminded everyone about the Shrine Christmas party to be held at the Iron Springs Chateau in Manitou Springs, December 6th. Spread the word. We need a great turn out.

POTENTATE'S MOTOR ESCORT

by **Dave C. Dickey**
President

Happy Fall to All!!!

The Escort parade season has come to a close. Our last parade was the Apple Fest in Penrose, Co. It is always fun to go to Penrose for a piece of yum Apple Pie. There were 7 riders at the parade. It was a beautiful day and a few riders took off for a tour into Pueblo for lunch and then a nice run down to the little community of Beulah. We hope the weather is beautiful for the upcoming Christmas Parade. Our riders always like to participate in that one.

The Escort met on October 9th for their final meeting of the year. The meeting took place at the home of Dave Dickey, dinner was served at 6PM with the business following. New officers were nominated and elected for the year of 2015.

Officers will remain the same for the 2015 year with the exception of Vice President. Dave Dickey / President, Terry Collinson / Vice President, Mike Kruse / Treasurer, Tim Carson / Secretary.

The September 25th Social was in Monument at the Casa La Fiesta Mexican Restaurant. Several riders met at Denny's on North Academy and had an enjoyable ride to and around Monument before the dinner. Once again the unit thanks Terry Collinson for his efforts in putting together the monthly social for the group.

Final plans were made for the upcoming Christmas OV. The gathering will be held at Bambinos Restaurant on the evening of December 4th. Mark your calendars for this fun party. Our new officers will be installed at the OV.

Keep the Shiny Side Up! Hope to see you soon.

Another very strenuous Parade Season is behind us and, yes, we had a great time.

I would like to take just a minute and thank one of our clowns for all of his support. It seems that Noble Larry "Three-Putt" Newman was just about everywhere. For

PUEBLO SHRINE CLUB

by **Glenda Terrill**
First Lady

Summer has been anything but slow and we are still going strong. Last weekend had the regular October monthly meeting, a wedding the next day and breakfast on Sunday. Whew....

The Official Visit on September 5th was a smashing success with the melt-in-your-mouth steaks seasoned to perfection by Bill and Irene Sheard, Stacey Potter's famous pasta salad and all the rest of the trimmings. So glad so many of you could attend.

The Potentate and First Lady were presented with a beautiful wall clock from the club with a plaque noting the date and reason for the presentation.

Breakfasts continue to thrive but would be better if you were there next time. October found the Nomads eating and then meeting in one of the rooms; often the Widow's Sons use the breakfast for their meetings, also. This is a great way for some of the groups to support each other.

Remember the first Friday and the first Sunday at the Pueblo Shrine Club...they always prove to be fun.

NOMADS

Wagon Masters

Nomads Final Campout: Labor Day Weekend 2014

Eight Motor Homes and 5th wheels headed for KOA South and the continuation of "Route 66" that had occurred early in the spring. The idea was to savor the food along Route 66. There were lots of different foods from the states that encompass Route 66.

The KOA had many events, for which we participated in. The children enjoyed the swimming pool and adults played miniature Golf and several other events. We enjoyed evening gathering with every one pitching

in with "Pot Luck dinners" and IS Tom Holmes was our official Marquita maker from his very elaborate mixer. Day trips to the "Bishop's Castle" and was able to observed to fast improvements since last we visited. Some of us went to Trinidad for their parade. Doc took his Semi trail truck, Mija and Lady Jo-Anne, the toy truck was a hit with the locals.

Our last dinner had to have the heavens open up with rain and wish us well for another year.

As President of the Nomads, I want to thank you all for your participation. Thanks to all the Ladies (especially Jo-Anne) for creating our meals. There seem to be a bit of competition by Doc and Rick Martin, as to whom could make the best pancakes. As I am writing the article, I WIN.

BAND

by Larry Weed
President

Hard to believe that Summer is over and Fall has fallen until you see those leaves turning and the snow on the Peak! Our German Band unit launched into the month of October on the 1st by playing at the Bridge Retirement Center and then the dinner for the Scottish Rite Consistory, followed by multiple Octoberfests, including the one at the Al Kaly Mule Barn, seven other performances at various Shriner and other venues, including several performances at Senior Centers and churches. We also enjoyed the Apple Festival in Penrose as the last parade of the season! We have a great time at all these functions and we get the word out about how much fun it is to be a Shriner!

We're now rapidly making plans for the holiday season, and adding to our repertoire for next year. The Swingin' Shriners unit plays some fun dance tunes at a couple of venues starting out the month of November, including the Consistory dinner and the Consistory Reunion, and the entire Fez Band plays at the Basketball Tournament in November, and the Fall Ceremonial at the Colorado Springs Shrine Center. In December, we've got another Consistory dinner performance, a stated meeting on the 12th, and our annual play at the Kid's Christmas Party at the Colorado Springs Shrine Club on the 20th. Our Winter Party this year (like last year) will be on January 18th, at Bambino's in Colorado Springs.

They've got a great party room and their prices are reasonable.

The Band has a heritage that goes back 100 years and consists of nearly 30 of our own musicians, plus some very talented friends from the Southern Colorado area. The band is active year round, playing in parades during the summer months and performing in concerts throughout the area. The Band rehearses once a month, on an occasional basis with quarterly business meetings alternating between Colorado Springs and Pueblo. If you are interest in joining the band there are no auditions – just come and join us! Please contact us so that we can speak to you about how to become a member of our great organization.

PIPE & DRUM CORPS

by Dave Doll
Clan III Vice President

Official invitations are on the way, but be notified there is going to be a super fun OV at Bambinos on the 26th of October at 6pm. Please, please make time for this fun event and a taste of haggis if you so choose. I have officially tasted it as of last year and find it not at all distasteful. If you like braunschweiger you will like this. I am amazed but I really liked it.

Anyway..... off to London, have fun while we are gone and we will see you at the OV if not before.

(Clowns of Al Kaly, continued from page 25)

those who don't know, Larry is back working full time and yet he found time to be in so many of the out of town Parades, as well as everything here in the area. Three Putt, a special thanks from all of us for your continued support of our Unit, as one of the Officers, and being present as Three-Putt at so many of our activities.

Oh yes, the rest of the Unit was also very busy. I don't believe there was any parade in the area that we were not well represented. This is nothing new. I believe this Unit continues to show that strong Shrine support that I've witnessed over the past many years.

I'm keeping this month's Dust article brief. Thanks to all of the Clowns for all they do for the Unit and the Shrine. It has been my pleasure to serve as President, or is that "Boss Clown" for this year.
