POTENTATE AND FIRST LADY'S MESSAGE

by Ill. Sir J.D. Potter
and Lady Stacey

NORTH TO ALASKA

The year is winding down. We just returned from the Potentate's trip to Alaska. It was absolutely the most wonderful trip my Lady Stacey and I have been on. We left Anchorage and headed to Mt. McKinley Lodge. The leaves were already changing colors, and they were so beautiful. The next day, we traveled by bus to the Denali Lodge. While in Denali, there were about 6-8 of us that took a 60 mile bus ride through Denali National Park in hopes of seeing Alaska's wildlife. Good news is during that 8 hour bus ride we saw

caribou, lots of Grizzly bears, one right next to the road digging for food, moose fighting in the road right in front of the bus and Dall sheep. There also was a group of us that attended the sled dog tour, it was really fascinating to hear how all of the work done in the park is by using only the dog teams. Wow, what wonderful animals they are!

Then we all boarded the train for a 9 hour ride to Whittier to board the Coral Princess where we met the rest of our group and spend the next 7 days. I think the most exciting part of the cruise was the time we all spent in the Wheel House before dinner every night talking about the tours we all had been on during that day. We also saw wildlife from the ship almost every day. There were whales, otters, porpoises, and many different types of birds.

I would like to remind all the Nobles that we will

We had our quarterly meeting at the Villa in Pueblo, and as usual, the setting, food and the people were wonderful. Our next meeting will be Dec. 12 at the Village at Skyline and is our Official Visit as well as our annual Fund Raiser, Christmas Party. We all bring gifts wrapped and then buy Raffle tickets and all have a great time.

We have a new phone caller for Pueblo, Donna Samuelson. We welcome her help. Thanks, Donna.

At our annual Memorial Service, we remembered long time members, Jan Side, Lucy Muench, and Ann Elridge.

Norma Harre reported on the new Montreal Hospital which is twice the size of the older one and has a state of the art CAT scan. PP Bob Burr, our sponsor, talked about third party insurance and how it is used. He also reported that the Shrine Hospitals are now making prosthetics for veterans.

Our Chaplain, Jeanne Gibson, closed with a Blessing, Thank you God for Everything.

See you in December, the OV is such fun!

Pueblo Area

Shrine Ladies

by Glenda Terrill

Have you seen the TV commercial about the guy who needs help moving? His friends rapidly decline due to "being buried" (in the sand by his children) or having a "previous engagement" (while giving his girl an engagement ring). The "double booked" is me. I told Guy Hammerland I would help with the Al Kaly Golf Tournament, not knowing it conflicted with the Pueblo Ladies meeting. Due to my absence I have no idea what high jinks the gals got up to but I do know they met at the Hen House. Vice President Carol Krutzke presided over the meeting in style.

We have procured 3 booster chairs and a crib for the Pueblo Club to offer to those with small children at any of our meetings or events. High chairs and a rocker are in the offing, as well as some other ideas to make it easier for younger people to attend.

I'm not sure what happened with our plans to visit the Colorado Springs Ladies meeting on September 21. Check back next month for details and new plans!!

Guess Who!

by Rose Enyeart

Our Featured Shriner this month is a man of many talents and experiences. He has served his country faithfully in war and in peace both in an active military position and as a civilian holding the country together from home.

He has performed his daily duties working at "the office" on an 8-hour shift in varied positions, and many of those days were 10 hours long before he finally returned home. Other days he went to work driving a bus; once a front end loader, and even a fire truck. He has protected and helped his fellow man and his community diligently and fearlessly.

Schooling was a priority, but after public school it, periodically, had to be put on the back burner while he made money to support his family before the return to a college classroom. Our Noble has, although, graduated with an Associates Degree, this one has a BA Degree and this Noble even has a Doctorate. Hard work does not evade him - both as a teen-ager and now as an adult.

Having talked with him often I find his interests vary greatly. Music, cars (old and new), the fine arts and

industrial arts. He has learned much, taught professionally and as a volunteer and often serves as a fantastic role model. Many a child and adult has learned from him during his lifetime. He may not ever know how many other lives he has touched.

Our Shriner is well-travelled. He knows his way around the streets of his town as he has travelled them often helping others. A road map of Colorado, where he is often seen visiting around, is imprinted in his brain. He has been through many states, and some time has been spent abroad visiting or working. He spends time alone and yet is often with others who share his similar employment or hobbies.

Oh, and his hobbies. This crazy Noble likes quilting, woodworking, mechanics, home improvement, golf, brewing beer in his basement and puzzles. He climbs anthills and Fourteeners, he swims, hunts, fishes and often - just relaxes.

He became a Mason because his father was one and because his friend was, also. He joined because he wanted to and thought the fraternity was a worthwhile ambition. Then one day he found himself asking advice on a plumbing project when he was told he should be a Shriner, also. With so much already on his plate he balked some but in the end signed the petition and joined the Shrine - and now look at him.

Figured him out yet? This month our Featured Shriner is YOU! You are one of those men who always says "yes" when asked to help a friend in need whether it is a Shrine function or a personal request. You share your talents with those who need you and ask nothing in return. You drive a friend to the doctor, fix their front door, mow their lawn and many more things.

PHOTOGRAPHERS NEEDED

Al Kaly is looking for Nobles who are interested in photography. If you have a digital camera or a smart phone, and an interest in taking pictures of Al Kaly events, we need you. If we get enough Nobles who would like to pursue this hobby, we can start a Photography Unit to increase our skills and learn how to become more proficient on the computer with digital technology. We would have picture-taking outings, and social events. Email Roger Mendenhall at rogerm52@q.com if you are interested.

SHRINERS ARE NEVER IDLE

by *Jim Eaches, Sr.*
Chief Rabban

Greetings,
As usual we receive a lot of information from Imperial on a regular basis. My hope is to pass this information on to everyone who receives the Dust hoping to keep all of you as up to date as the Divan. So let me get started with some of these articles and I will try my best to keep them short but not miss the highlights. August 20 more than 2,000 people attended the Shriners Hospitals for Children – Canada dedication and ribbon cutting ceremony in Montreal, Canada. The impressive 207,000 square foot facility includes 22 single-patient rooms, four surgical suites and an education center that seats 200. It even houses an ambulatory clinic designed to resemble a hockey rink. The hospital will provide services and support for patients needing pediatric orthopedic care or reconstructive hand or plastic surgery.

On August 16, the Melha Riders rolled in to Shriners Hospital for Children – Springfield to present a donation in support of our health care system as part of the family – friendly fundraising event. The Melha Riders have donated approximately \$190,000 throughout the years, and are proud of their efforts.

Taking our knowledge global, Ted Huang, M.D., plastic and reconstructive surgeon at Galveston Shriners Hospital, recently shared his expertise on pediatric burn care and reconstructive plastic surgery with Chinese Television (CTS) in Taiwan. In June, nearly 500 individuals were injured after an explosion at a water park outside of Taipei, Taiwan's capital. Representatives from Shriners Hospitals for Children – Galveston will attend the upcoming meeting of the Taiwan Society of Burn Injuries and Wound Healing to consult with medical professionals and assist any way they can.

To show that we are growing worldwide, at the 2015 Imperial Session of Shriners International, the petition of Hikmat Shriners U.D., for a charter to form and open a temple of the Order in Cuiaba, Mato Grosso, Brazil, under the title of Hikmat Shriners, was granted. Hikmat is our first temple in South America. We wish them every success and look forward to their active participation in Shriners International.

POTENTATE'S TRIP AND NEW UNITS

by *Ron Bowen*
Assistant Rabban

Greetings Everyone!
The time is really flying by and we've had several events since the last Dust was published!

Of course the Potentate's trip was the highlight event. Alaska is so beautiful and if you get a chance to visit it is well worth the time. A big "well done" to Cindy for making this a great trip! The pre-cruise tour to Denali was awesome!! We actually got to see the top of Denali as a cloud granted us a short peek of the mountain top. I can't even begin to tell you how beautiful everything was. We boarded a train in Denali and had a fantastic scenic five hour ride to Whittier where we boarded our ship and started the trip home. Unfortunately, there was a downside to the trip. Just about everyone who took the Denali pre-cruise trip came down with either the flu or a bad chest cold. I can say it was a great time, and a huge thanks to Illustrious Sir J.D. and his Lady Stacey for taking us along for a new adventure. Of course, all of our thoughts and prayers are with Tom and Sherry and wish Tom a speedy recovery. They are home now and I'm sure they would welcome a card from all of us.

We now have a new Unit to welcome into the Shriners and our parades: our Racer Unit! Bart has ordered six of them and at least two will be on display at the Ceremonial at the CSSC on November 21. Oh yes, they are not propelled by motor; but rather by leg power! If you're interested, contact the office for more information!

We also have the possibility of another new unit starting soon. There seems to be interest in the formation of a Brewing Unit. If you are interested in becoming a member of the Brewing Unit please give Doug Gabel a call at: Home: 1-719-564-1862 or Cell: 1-719-250-0224.

Please, let's all come together with our lodges and or friends to bring some new blood into the Temple. We need new members and we need your help in doing so. Remember we make a difference if we work toward the common goal. Together, we can work miracles.

Hope to see you all soon! Take care and stay healthy!!

FALL IS HERE!

by Jim Burger
High Priest and Prophet

November already! Where did the summer and the rest of the year go?

My Lady Mary and I wish each and every one a Joyous Holiday Season.

We have a Ceremonial for new Shriners on November 21. Do you have Petitions in for New Shriners? Now we are getting ready for our annual Basketball Tournament at USC Pueblo which will be held November 13 & 14. The quality of players in this event is amazing, especially the women's basketball teams. They are very serious on what they do!

Election of officers is next up in a few weeks, after the Tournament.

Parade Season this year was great, Thank you to all that helped support the parades.

We had a blast participating in all of the Parades and OV'S this year. What a great group of people we met being there, participating with the Shrine Family. Seeing the many parts of Colorado was a plus. We live in a great state.

I would also like to thank Butch Holmes for his great service as the Dust Editor for the Past few years, what a great job you have done.

My Lady Mary and I thank you for your Support and remember being a Shriner is Always Fun! (That's what we do!) As always, participation is the key ingredient of having FUN!

Till next Time

(Chief Rabban, continued from page 8)

Lastly, summer is over, the parades and Official Visits were fun and interesting as usual. My Lady Rosa and I wish all of you a wonderful holiday season as it is fast approaching. It would be nice if we had a way to slow down time however, none of us have that magic wand to do so. We must cherish every moment we have with our families and friends and never forget those who we have lost. As Shriners, let us continue to grow and prosper and ensure that the world knows that we are the World's Greatest Philanthropy. WE ARE SHRINERS!

Yours in Shrinedom

TIME FOR RACING

by James Hinojosa, C.R.L.
Oriental Guide

Nobles as the time has passed us by like a race, I'm taking this opportunity to say it's been fun this year attending all of the OV's, Parades, Dinners, Meetings and Picnic. It's been wonderful serving as your Oriental Guide. The Nobles and Ladies Liz and I met out West was a great joy; they treated us with open arms and made us feel welcomed. Every function we attended was awesome and I'm thankful for the opportunity to serve.

This year has come and gone. Next month in December we will be discussing some important items at our Stated Meeting so it would be nice to see many Nobles attend, we will be having elections as well so come out and make your voice heard. Also in this November Ceremonial on the 21st we will be introducing a new unit to Al Kaly. The Al Kaly Racers will be showing off their new Race Karts! So come on out to the Winter Ceremonial and get your very own racer autograph (just kidding).

But seriously come on out and get your friend, brother and fellow Master Mason signed up for the Shrine. We need more Nobles to help the children and without Nobles we can't keep doing this. The Hospitals will continue without us. Think of how sad of a day it would be when they remove our name from every Hospital. So instead of Shriners Hospitals for Children, every hospital will simply read Hospitals for Children. I know we don't want that day to come so we need to begin spreading the word about the fun and philanthropy that we do. Just as any fraternity we are going to have our decline in members, but now is the time to make the change and begin bringing in new younger members to the fraternity. With that we need new fresh ideas, new traditions started, new units like the Racers, new social activities, new music, new outings. Now don't get me wrong I'm all for traditional events however Nobles we have to face it, the time has come for some change. We are in a Race against time and if we sit in the stands and watch go by we will surely not be around to see the finish line.

I'm not sure how you feel but I for one don't want to see our great fraternity end. We need to do all we can to keep Al Kaly Shrine going strong so when the great race is over we are standing at the line with pride. Nobles as a parent of a

SIGN ON TO WEB FEZ

by *Bart Guthrie, P.P.*
Recorder

The conversion to 2016 on Web Fez has taken place. By now you should have received your dues notice from Tampa. Please follow the instructions and get your dues in quickly. Just like Lodge, they are delinquent if not paid by December 31, 2015. I have asked all of you to sign on to Web Fez. So far only 22 members have done so. The address is: webfez.shrinenet.org. By signing on, you'll be able to view important general information about yourself and you have the capability to update that information. Another avenue is to go to the Al Kaly web page and click on the link to Web Fez.

(Oriental Guide, continued from page 9)

Shrine child, I have to say first THANK YOU for all the support that was given. Second without the Shrine in our life at that point and time who knows what type of care my child would have received. I'm sharing this with you so you know that what we do does make a difference and I know you know this already. But sometimes I think we forget why we joined the Shrine in the first place. Fun times and helping children without any accolades. So Nobles get your Racing gear on, wear your Fez with pride, forgive any brother that has done you wrong and let us put our own personal pride to the side and get some new Nobles into AL KALY. May the race never pass us by, make sure you see an AL KALY Racer for your autograph (again, just kidding).

Love you Nobles.

Official Call of the Potentate

Stated Meeting and Election of Officers

Notice is given that the Stated Meeting and Election of Officers of Al Kaly Shriners will be held at the Pueblo Shrine Club on December 11, 2015.

You will be called upon to elect the following officers: Potentate, Chief Rabban, Assistant Rabban, High Priest and Prophet, Oriental Guide, Treasurer, Recorder and Representatives to the Imperial Council.

To gain admission into this meeting, the Shriners International By Laws require that a member must be in possession of and present his current year's membership card.

Shriners International By Laws Election Regulations:
Shriners International By Laws, paragraph 325.11, Election Regulations

(a) Electioneering. A candidate for an elected office in a Shrine temple may print, publish and circulate during the year he is seeking the elected office, a resume consisting of his educational background, his vocational history, and his Masonic and Shrine record. Except as provided in

the prior sentence, the printing, publication, circulating or distribution of resolutions, letters, telegrams, tickets, email or other devices, by a unit, club, Noble, or group of Nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the temple is prohibited.

(b) Expenditures Prohibited. The expenditure of money for gifts, favors, or entertainment on behalf of a candidate for elected office is prohibited.

(c) Violation. For any violation of (a) or (b), the Imperial Potentate may suspend any offending Noble, and he may declare the election of the officers void and order a new election.

(d) Notice. At least one week prior to the annual meeting or any election, the temple Recorder shall mail to each member a notice thereof containing this section.

A Chat at Sam's

Dee Burger has an eye out for Shriner children and she called me about Scott Walker who is part of the lawn service at her complex. If you know Dee you know she is dedicated to helping people. She was chatting with Scott and said that she was a member of the Daughters of the Nile and explained that they were related to Shriners. Well, in a few minutes, I got a call that she'd found another Shriner Child for me to interview. This is her second referral and I am grateful for her dedication to telling the story of Shriners and their hospitals.

by Rose Enyeart

A busy mom, Terry Walton, tried to help her six year old son, Scott, into a shopping cart at Sam's when a Shriner came up to her and began talking to her. He asked about Scott and commented on his brace which looked very uncomfortable and was difficult to maneuver for Scott and Terry. That conversation was what Terry calls a "God Thing" because it changed Scott's life from that moment on. They were referred to the Colorado Springs Shrine Club's monthly Saturday morning clinic, and the rest as they say is history.

When Scott was four, his mom noticed a slight limp beginning. She took him to the doctor who told her that he thought he knew what it was but that he'd have to refer her to someone else because it was out of his expertise. He was diagnosed as leg perthes, translated as a disintegrating hip bone. Scott was referred to a pediatric orthopedic doctor in Denver. There he was fitted with a "cowboy brace" which was designed to stabilize the ball and keep it from disintegrating further. Surgery

was seen as the ultimate outcome. When four year old Scott heard "Cowboy" he was all ready to hop on the brace and ride away into the sunset. It, however, was not about to happen because the brace spread his legs out to the side and reduced his movements to a slow torturous waddle. He had difficulty walking and couldn't keep up with his brothers although they were careful and gentle with him, he couldn't play. They tried to find a stroller device to help him get around but Terry was often called upon to carry him. He was embarrassed and she was struggling to carry him as he grew. This struggle went on until that fateful meeting in Sam's.

They were off to Salt Lake Shriners Hospital for Children within weeks and the main descriptions were of the Happy Clowns and the smiling people who helped him. The doctor who saw them said, "I'm going to make your day," as he took off the brace. "You won't ever have to wear it again." Scott being a little boy wanted to beat it to death. The

doctor explained that it was made of titanium and was indestructible. Little Scott nearly six made the doctor promise that no other little child would ever wear it again. That was an easy promise to make.

The Shriners started physical therapy and he was part of the Telamedicine that was used by the Salt Lake Hospital and the Colorado Springs Shrine Club. Every six months they checked to see how Scott was progressing. His range of motion was checked and this service was done from age six to eighteen. The great news is that the hip bone grew back and surgery was not needed. For a long time Scott was the youngest person to be diagnosed with this disorder.

In Memoriam

as of September 30, 2015

Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush.
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.

Shriners Hospitals for Children Staff Participate in World's First Double Hand Transplant on a Child

In July, Chief of Staff Scott Kozin, M.D., and Dan Zlotolow, M.D., of Shriners Hospitals for Children — Philadelphia, joined a team of 40 medical experts from Philadelphia to perform the world's first bilateral hand transplant on a child. Continuing our tradition of innovative and collaborative care, surgeons successfully transplanted donor hands and forearms onto 8-year-old Zion Harvey, who at the age of 2 underwent amputation of his hands and feet following a serious infection.

To perform this complex procedure, Shriners Hospitals for Children partnered with Children's Hospital of Pennsylvania, Penn Medicine and Gift of Life. Doctors expect Zion to gain full use of his new hands and achieve his dream to throw a football and climb on monkey bars.

GUY HAMMERLAND MEMORIAL BASKETBALL TOURNAMENT

NOVEMBER 13 AND 14

I'm told it is Basketball Tournament time again. Guess I better wake up and get going. As we are still in Denali, Alaska I find it hard to believe that time is still moving on...

Our vacation and the tournament are similar in a couple respects. On both occasions we see friends we haven't chatted with in a long, long time and we spend Shrine time over more food; isn't that what Shriners do best? Food!! There will, again, be a downstairs hospitality room for all Shriners. It is complete with CHAIRS, food, soda and a lot of discussion. This year, however, we will sadly miss Illustrious Sir Steve Jordan's "Just Dandy".

Nobles in fezzes will soon be talking to everyone they meet and watching basketball players in their free time. This year the fun begins at CSU-Pueblo Massari Gym at 5 p.m. both Friday and Saturday. Several of you have been asked or will be asked to assist us. Help and fezzes are always welcome, even if you can only stay a short time. Fezzes in and out are still fezzes to be seen.

The entry table will have Shrine information and a Shriner to answer questions. Clowns with smiles and balloons will be on hand for the kids and adults; tournament programs will be handed out and the days will be a buzz of fun.

These two days also provide Al Kaly Nobles and their families opportunities to ask questions on ideas, people, events and a problem or two. Typically there are Shriners from Lamar, Trinidad, Canon City, Pueblo, Colorado Springs and places in between, so questions and answers flow freely.

We are presented with dilemmas to solve, also. Chili or stew for lunch? M&Ms or hot cookies to munch? Watch the game or greet visitors? So many problems to work on.

But our most important opportunity is to spread the word about Shriners Hospitals and promote membership. Our future is in our Blue Lodges but the Blue Lodges depend on NEW and YOUNG men to become members. A college campus is ripe with those people. Talk to them - take time to explain the fraternity and show them how much fun they can have while doing so much good for "our kids".

We need you. Put on your fez, your clown face, your smiles and join us for any or all the games. Enjoy a laugh, a bite to eat, a soda, and a day of fun with your fellow Shriners. SEE YOU THERE!!

ANNUAL RAFFLE WINNERS

Congratulations to the following winners from the annual Al Kaly raffle:

The Al Kaly Shrine Transportation Fund is in need of a financial boost.

The increasing cost of transporting our Shriner Kids to one of the Shriners Hospitals combined with the number of kids being served is putting a strain on our Transportation Fund. The Dust each month will highlight those who have contributed to the Transportation Fund.

Help us fill this page!!!! For your contribution, your name or "in Memory of" will be listed in the Dust for one year (10 issues).

Support the Al Kaly Shrine Transportation Fund. Send your donation to: Al Kaly Shrine -P.O. Box 193, Pueblo Colorado 81002. A date will be posted behind each name indicating the year and month of your last donation.

2015 AL KALY SHRINE GOLF TOURNAMENT SUMMARY

by Guy Hammerland

Another successful golf tournament! I would like to thank everyone for participating and for helping out. We had 23 hole sponsors and/or made donations & contribution to the tournament. This total came to \$1800.

This year we had 17 four-man teams pay, and actually 14 teams participated. The winning team was JR ROOFING shooting an outstanding 53; 2nd place went to Main Electric shooting a 56; 3rd and 4th place were Mountain View Electric and Pueblo Electrics #1 shooting a 60. Second flight was won by Team Newman/McDermott shooting a 63; 2nd, 3rd, & 4th was teams C.D. Jones, Team Adams/Coke, and team Maricopa shooting a 64. Closest to the pin for women was won by Mary Newman, and the men's winner was Henry Brooks. We collected \$8510 from Hole Sponsors Players, Mulligan's, Closest to the hole, Dixon Golf, and Donations.

Expense for green fees, lunch, prizes, awards, and signs totaling \$4912.35. Total amount to the Al Kaly Shrine \$3597.65. Could we have done better, of course, but all in all not a bad outing.

Featured Worker - Jina (Lee) Fagerburg

by Glenda Terrill

Author's note: This month the Featured Shriner article has taken a left turn. Several of the older Nobles and I contemplated and decided two things... 1) there are many people who are important to Al Kaly Shrine who are not Shriners and 2) Jina was one of the most important.

(For those of you who, like me, can't pronounce her name right...it is JEAN-a.) Jina is the wonder who puts the Dust together every month for the last 8 years or so. She is the graphic artist who does the layout (that means she finds pages for the articles and makes them look good) and makes the photos fit the article and fit the page with the words. There are other things involved, but that puts it in the vernacular most of us can understand.

She is a Lady Shriner at heart and knew everyone I mentioned during our interview, from reading the articles in the Dust during the layout process.

Those of you who know "Jina" know her as Jina Lee. However, her husband Josh knows her as Jina Fagerburg. That's a combination of German, Swedish and Irish with the Swedish holding claim to the surname. Diversity is full-blown in their home as Jina is full-blooded Korean.

Our girl Jina was born near Binghamton in upstate NY, where her father was an engineer for IBM (February 9, 1982 but don't tell her I spilled those beans. *I won't! - Jina*). Being born in the US she spoke English as her first language, along with a little Korean at home. When she was nine, her father decided to move the family to Seoul, Korea, where she was hit with immense culture shock. Immersion being chosen as the quickest way to learn the language and culture, she was enrolled in public elementary school, and within a year the pantomime and the language barrier had faded away. Soon she was a "native" and settled into life in Korea. Then, when she was 15, she and her mother moved to Los Angeles...culture shock all over again and with a vengeance.

On her return she was introduced to her first large modern supermarket with miles of food on miles of shelves,

so unlike the small grocery stores in Korea. Then there was the trip to WalMart...never before had she seen anything like that. And the difference in schools was unbelievable.

Her Korean schools had single gender classes, mandatory uniforms with strict requirements on hair length, style, and accessories. The idea of school girls in long hair wearing shorts, tank tops and high heels to school was very strange, coming from the strict Korean culture. After wearing required skirts and tops for so long, it was only in her junior year in LA she wore her first skirt to school.

Unused to seeing her in the black skirt with a flowered print, one of her friends thought that someone in her family must have died.

With the common co-ed classes came the hand holding and "making out" common in high schools here but unheard of and prohibited in Korea then. Culture shock on steroids.

In 2000 Jina graduated from Crescenta Valley High School and went to Northwestern University in Evanston, IL, with the idea of going into veterinary medicine. Her

parents wished her to pursue a medical career; Doctor Jina Lee was their dream and her mother encouraged her in that direction. But Jina's mother's father was an accomplished artist, having moved to Los Angeles

when Jina's mother was eighteen. In Korea he had painted many award-winning pieces, and to this day a photo of her grandfather with the Korean President is one of the family's prized possessions. Having a grandfather who was such an accomplished artist and loving the artistic field, she found herself studying biology interspersed with a few art courses "as a hobby."

During this time she worked as a customer service rep for three years at the Pick-Staiger Concert Hall at Northwestern. Her time there in customer service as a "work study student" was invaluable as she continued her career life.

After graduation, she returned to California and got a job as a bilingual customer service rep for Culligan Water, while also tutoring high school students. California couldn't hold her, however, and when her brother moved to Colorado Springs, he invited her to come to Colorado, too. A mother-

daughter talk later she and her mother were on their way to Colorado Springs.

Now what to do? Bank of America needed help in their call center so... but this wasn't her ideal occupation, and she was burnt out on biology. She kept remembering her time in high school where she had worked on the school newspaper editing articles, doing graphic design and layout. Soon after, her mother told her about an opening for a layout designer at a Denver paper. Although the job cemented her determination to go into graphic design, any of you who have driven Monument Hill in winter will understand her decision to take a position at Signal Graphics in Colorado Springs after eight months of commuting. One day, two Shriners needing a graphic and layout person for the Basketball Tournament program came into the store. Those Shriners were Past Potentates Bob Burr and Steve Jordan, and when the Dust needed a new designer a few months later, Ill. Sir Bob remembered her and we have been blessed with her since.

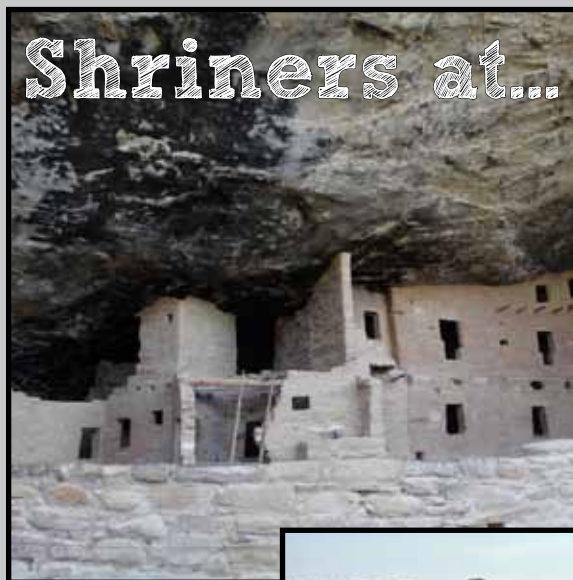

After her stint with Signal Graphics, she began taking contract design jobs in Colorado Springs with Ingersoll-Rand and the Gazette newspaper. As a lifelong gamer, she also ventured into online gaming to stay connected with friends, who were now scattered around the country. One of these was an acquaintance named Josh, who was a boom operator in the Air Force, stationed at Kokomo, Indiana, and flew around the country as part of his assignments. One day he was coming to the Air Force Academy and emailed his friend Jina asking if she would consider meeting him for coffee so they could put faces on the names. As they say, "the rest is history."

Over the next year they met periodically and Skyped often, and in early 2009 Jina moved to Chicago to fulfill her college-era dream of living there, but also to be closer to Josh. Although she loved Chicago, she eventually moved to Kokomo to be with Josh and found a job as a graphic designer in Indianapolis. During this time, Jina visited the yearly International Festival in Indianapolis, and was soon volunteering at the Korea booth. Each year after that, she spent a day at the festival discussing Korea and drawing free anime portraits for visitors and children.

In 2013, Josh's re-up date arrived and he opted not to remain with the Air Force, so he was issued his Honorable Discharge while the couple was preparing to be married. Although their first meeting was not a date in the common sense of the word, it had become the beginning of a wonderful friendship, a courtship and their marriage on September 28th, 2013, at the Butterfly Pavilion in Westminster, CO.

With both available to do what they wanted and no strings holding them anywhere, in May 2014 they returned to Colorado. Josh has family and friends in Denver and Jina has family and friends in Colorado Springs. Josh was also

Shriners at...

Mesa Verde

looking to follow his desire to become a nurse, and with Colorado Springs having a premier nursing college at UCCS, the decision to move here was made. With the mountains, hiking areas, camping and outdoor activities available here, the decision was a perfect fit for them and Josh is now attending classes at UCCS. Jina has followed her dream of an artistic career (in her grandfather's footsteps) and has just recently joined the staff at UCCS in their marketing division after working in a print shop in Woodland Park for the last year. She continues to work on the Dust, having done so even while out of state.

We want to thank you, Jina, for your dedication to our fraternity and people.

Thank you to Glenda for writing such a nice article! I have truly been humbled by all the love and appreciation I have received from the Shriners over the years. Thank you all, and thanks also to everyone I have worked with, such as Ray Clark and Doug Gabel, and particularly Butch Holmes, Bart Guthrie, and of course, Bob Burr, for giving me excellent references that led to my getting hired at UCCS. The Shrine is such a great organization with great people, and I look forward to working on the Dust and reading your stories for a long time to come! - Jina Fagerburg

Ruhamah Temple No. 71 - Daughters of the Nile

by Jo Anne Sube
Queen

Greetings,
Well, looks like fall is upon us (at least for a day or two) aren't the colors beautiful?

Ruhamah Temple is back in the swings of things--our first meeting was in September. When this article is published we will have had our visit from our Supreme Queen, Sharon K. St. John (who was Queen with me in 2005- she certainly has come a long way and I am so proud of her.) I want to thank all the Officers and Units for making this such a special day for Ruhamah and the Supreme Queen.

In September, my Noble "Doc," myself, Noble Garnic and Marilyn Kidwell visited Salt

Lake City Children's Hospital for their Hospital Days. We delivered many items that the Hospital Request Committee of Ruhamah Temple spent hours making for the children.

What a wonderful group of staff and children. We were thrilled to see some children go home with some of the items that next day.

If you ever are in the area or just want to take a trip to Salt Lake City, be sure to stop in the Hospital. You won't be disappointed. It really warms your heart to see the faces of the Children and the great work the staff and Nobles do those children have such a great outlook on life.

Angels hugs~

Ruhamah Temple #71 Visits Hospital Days at the Shrine Hospital for Children in Salt Lake City

Jo-Anne Sube and Marilyn Kidwell and their Noble's "Doc" & Garnic traveled to Salt Lake City via SUV on September 13 and 14, carrying several large black plastic bags of homemade goodies, consisting of 32 hair bows, 36 quilts, 12 Fleece Throws, 14 pillow cases and 36 neck pillows, all made by the Sewing unit of Ruhamah Temple Ladies, with exception of a lady in Alamosa, who made the 36 Quilts. She is not a member but wanted to help the temple and support the Children's Hospital. These items were available for all the children in the hospital to take home with them.

The team of Queen Jo-Anne, Doc and the Kidwells had a very eventful visit and was given tours of every department and briefings from the Administration, Staff and Board member. The Hospital is in very good financial shape and discussed the joint partnership with the University's hospital in Salt Lake City and their staff.

The Administration staff also gave a short briefing of a new Children's Shrine Hospital in Montreal, Canada. Other news was that the Shrine Hospitals for children has joined the Mayo Clinic Care Network as of August 20, 2015.

"Our two days were filled with briefings, demonstrations and patient visits, which the later was the a delightful chance to be one on one with several children. They are such happy and wonderful kids.

We had demonstrations of the movement analysis laboratories, Orthotics & prosthetics departments' capabilities for creating a full range of devices and the Wheel Chair Lab, where old donated equipment is custom rebuilt into new chairs that are custom fit for each child.

The visit culminated into an excellent Barbeque on Sunday and a very nice dinner on Monday.

Tuesday we left Salt Lake City in a rainstorm, that soon dispersed and on Rt. 80 we held tight to the steering wheel while fighting 50 mile/hr. winds side swiping our vehicle. However, we made it back home safely with fond memories of our visit and Ruhamah Temple's generous donation."

What it's all about: "Having fun helping kids."

CLUB AND UNIT NEWS

BAND

by Larry Weed
President

Hard to believe that Summer is over and that Fall has fallen until you see those leaves turning and the snow on the Peak! Wrapping up the month of September, our Fez Band played for the Florence Parade, and our German Band unit followed up that day playing for the folks at the Florence Veteran's Home. In October, we played our last parade of the year for the Penrose Apple Festival, and afterwards our German Band did a double header at the Regent Retirement Center in South Pueblo.

Our band came through with a sound tribute to Ill Sir Steve Jordan for his Celebration of Life at the Colorado Springs Shrine Club – we loved Ill Sir Steve and we miss him immensely, and we also love Lady Deborah and we wish the best for her and her family as we remember Steve's lifetime of service to us all.

We played another German Band performance this year at the Bridge Retirement Center on October 7, and then we mustered a small group for the dinner for the Scottish Rite Consistory that evening. That was followed by multiple additional Oktoberfests, including the one in Hugo at the city Railroad Park, culminating their annual two-week long German festival. In all, we performed in seven Oktoberfest performances at various Shriner and other venues, including several performances at Senior Centers. We have a great time at all these functions and we get the word out about how much fun it is to be a Shriner!

We're now rapidly making additional plans for the holiday season, and adding to our repertoire for next year. In November, we will, again, plan to play for the Consistory dinner, and the Basketball Tournament, as well as the Fall Ceremonial at the Colorado Springs Shrine Club. In December, we've got another Consistory dinner performance, a stated Shriner meeting in Pueblo on the 11th, and our annual play at the Kid's Christmas Party at the Colorado Springs Shrine Club on the 19th. Our Winter Party this year (like last year) will be in January (January 17th), and we're looking at the Mason Jar in Colorado Springs. They've got a great party place and their prices are reasonable.

Our Al Kaly Band has a heritage that goes back 100 years and consists of nearly 30 of our own musicians, plus some very talented friends from the Southern Colorado area. The band is active year round, playing in parades during the summer months and performing in concerts throughout the area. The Band rehearses once a month, on an occasional basis with quarterly business meetings alternating between Colorado Springs and Pueblo. If you are interest in joining the band there are no auditions – just come and join us! Please contact us so that we can speak to you about how to become a member of our great organization.

Lady Deborah has done a wonderful job of putting together the attached photo assembly for the October Month of the Shrine Calendar for next year. Don't forget to buy one!

AL KALY MULE TRAIN

by Jim Johnson
Vice President

September was a very busy month for work and improvements at the Mule Train. President Allan Ake oversaw the removal of stacks of old car and tractor tires that had been accumulating for years in our scrap pile down by the railroad tracks. They're gone – good riddance.

The big event, of course, was the US Air Force Academy Workday on 25 September. The Mule Train hosted and was the recipient of 46 cadets who came south to perform a day of community service. Mule Train members contributed to building an exhaustive task list that was nearly worked off during the workday. While there still is a lot of work remaining to be completed, we and the cadets accomplished more physical tasks and jobs that would have taken years to complete had we not had the assistance of the cadets.

Thanks to those who helped construct the Task List (Debbie, LD, Robertsons, Tedrows, and Gale) and much thanks to those who participated during the workday (Debbie, LD, Bob Colgrove, Suzanne Johnson, Geno and Mary Fran Romero, Carol Krutzke, Kathy Tedrow, and Shirley Fortney). And thanks to Barb Bills for building the

Two female cadets climbed our Tack Room trees to cut out deadwood and trim the trees.

Noble LD Younts briefing the cadets on safety and administrative items before work began.

One of the big projects completed was the painting of the Tack Room exterior and the supply shed. Cadets also painted the wooden fence that runs along the property line. Five boards were replaced.

first aid kit that was used to treat the minor injuries, and thanks to Lester Nowell for providing ice.

Other tasks completed were the cleaning of the Barn (top and bottom), cleaning of the parade tack room, cleaning of the riding tack room, cleaning of the garage, cleaning of the hay barn, rearranging of the hay in the hay barn, removal of rocks in the corral and parade area, removal of metal waste, and many others.

PROVOST GUARD

by Jim Gibson

Well, 2015 CSSA Golden, Colorado is now just a memory and I hope those Units that went had a great time. I know our Unit did.

On Thursday, August 27th, the Provost Guard Units within CSSA met at Colorado Clays in Brighton to compete in the pistol and shotgun competitions. The morning started with a safety briefing at 9:00 AM followed by the first event of the day, which was the balloon shoot. The balloon shoot consisted

of first busting the balloon, then shooting at the target for score. The more shots it took to burst the balloon left you with less shells for score. Hitting the balloon at 25 yards is harder than it sounds. PP Tom Holmes and Noble Lloyd Collins competed in this event and though they did not win the event, they gave it their best try and I think they still had a great time.

After that event was over, the next event, which was shooting trap, started and PP Tom, Lloyd and myself joined two friends I knew from Tangier Temple to make up our team

PUEBLO SHRINE CLUB

by Glenda Terrill

The Pueblo Shrine Club has kept up with the monthly breakfasts, periodic rentals and the normal day-to-day operation with aplomb. The Board of Directors met the first Tuesday of October (and talked and talked) and caught up with the summer events and needs and started new endeavors.

Our Official Visit was great. It was held September 4th and was the annual steak fry. What a great evening with our Potentate, Illustrious Sir JD Potter and Lady Stacey. As they come from our club, we are extremely proud of their dedication and hard work this year and will continue to support them for the remaining portion of their term.

The Potentate's trip to Alaska was well supported by members from our club and a superb time was had during the event. Several members on that trip were felled by the flu and a cold lovingly referred to as the "Princess Cough". Luck was with us and none of the Pueblo people were among the "really sick". Everyone coughed once or twice and a couple could have done with a little less tossing on the seas, but we survived well and have wonderful memories and pictures to remember the time.

Come visit us on the first Friday of the month at 6pm for Oasis/Social time and 7pm for a memorable dinner and meeting...see you then.

(Provost Giard, continued from page 23)

of five. Again, even though we did not set any records, we had a great time and the guys from Tangier Temple were great guys to shoot with, as we all cut up with each other, which is what this is all about, as far as I'm concerned.

On Friday, PP Tom and Lloyd were unable to shoot and since I did not have a team of four, I did not shoot the pistol event which consisted of 10 shots at 10, 15 and 25 yards for a total of 30 shots, and after looking at some of the targets, as they were turned in, I am glad I did not shoot, as I was not in the same class as some of them.

After the pistol competition, the final of the day, Sporting Clays started. I teamed up with four Nobles from Mirza Temple in Pittsburg, Kansas and were they ever a great group of guys. They had me laughing constantly. I really had a great time and only wish there had been more there to represent Al Kaly Temple. I am hoping that some of you Nobles, who are reading this, and who like to shoot might be interested in joining the Unit. We aren't a parade

Unit, so joining us would not interfere with parade activities.

There are two Units within the Provost Guard Unit: the Security Unit, which provides security for the Colorado Springs Shrine Club, and the Shooting Team. If enough are interested in the latter, we could shoot against El Jebel prior to CSSA. Women can compete as well, in their own class.

I could really use some help with the security team. Right now I am the only member performing security at the CSSC. There has been only two incidents, but it would have been nice to have some back-up. Sometimes I have an El Paso County Deputy to assist me, but not all of the time.

It was thought, to be a member of the Unit, you have to either be active, past or retired Military, or a past or present police officer, but that is not true. You just have to have concern for the security of the Shrine.

If this sounds like something that might interest you, get in touch with me, Noble Jim Gibson, and we can talk. Here is hoping we can have a full team for the pistol and shotgun events for CSSA 2016 in Little Rock.

BOWLING LEAGUE

by **Rich "Swede" Hanson**
President

On the 4th of October we had 23 Bowlers attend our Bowling session at Circle Lanes and had a fun day of Bowling. The scores for today's Bowling are as follows:

Men's Series		Women's Series	
599	Grandson Rich Hanson	397	Kathie Winters
577	Brandon Ballinger	350	Rosa Eaches
456	Dwain Jack	307	Barbara Ballheim
Men's Game		Women's Game	
233	Darrell Hansen	136	Sally Marley
215	Dave Eckman	119	Nita Brehm
180	Don Stewart	98	Diana Wieger

We are still looking for people who like to Bowl for fun and exercise and the Shriner's Children. All Shriners and Masons are allowed to Bowl with their families and we would be glad to see you all come out and join us in doing this for our Shriner Children which is the Bowl-a-thon on April 3rd 2016. When we collect donations to support the Shriner's Children Hospitals. The more bowlers we have help make our donations larger. Please come out and join us in this endeavor. Our next Bowling will be at Harmony Bowl on November 1st 2015 at 10 AM

CLOWNS OF AL KALY

by **Noble Larry "Three Putt" Newman**
Boss Clown

This space is normally reserved for some upbeat items of interest as the Clowns interact with the rest of the Clubs and Units. Today we send a message of concern and a reason to say a few kind words of the passing of a Clown. Not just any clown, but Steve "Dandy" Jordan.

Yes, for the past 20 years "Dandy" was a very active member of this Clown Unit. He worked his way through our Officer line from 1996 through 1999 and did an outstanding job. Like many of our Clowns, Dandy made many trips to our Shrine Children's Hospitals, fifteen to be exact. Additionally he attended numerous Imperial Sessions in various cities and entertained the Children along the parade routes.

As much as Ill. Sir Steve enjoyed Clowning I'm sure the highlight of his Shrine years was 2010 when he was the Potentate of Al Kaly Shrine. He and his Lady Deborah were everywhere and they did an outstanding job. He was always ready with his famous response when asked how he was doing and that was "Just Dandy". I pass along a comment from many our Clowns, Dandy, you will be missed by one and all.

The parade season is over, but that doesn't mean we quit clowning. We will be at various activities around the city, supporting the Shrine and our Children's Hospitals.

KALYKLOWNS

by Howard "Cuz'n Clem" Magan
Dust Reporter

The month of August found the Kalyklowns very active again. Hospital visits at Parkview continue with Vern "El Lobo" Wolf, Ron "Rosee" Crawford and Larry "Sleepy" Ruiz providing Clown Therapy there.

Our annual "Shriners' Night at I-25 Speedway" was held on August 15 and once again, The Shriners' Hospital benefited to the tune of about 130 dollars. This amount was not nearly as much as had been collected in the past. The same evening, the fans dug deep to help a 17-year-old race driver who was critically injured, but still found enough compassion for our kids to donate to our hospitals anyway. This just demonstrates the depths of compassion we find when there are two worthy causes that need support. Thanks again to all the fans of I-25 Speedway!

The next big event was held in Golden, Colorado for the annual CSSA convention. The following clowns were there to represent the Kalyklowns: Wayne "Howdy" McKey, then was Past Potentate, Ill. Sir Gary "Panhandle Slim" Sears, Doug "John Deere" Gabel. Noble Doug was a first-time competitor in the Senior Character Clown Category and garnered a third place prize in that category. Not a bad showing for a first-timer! Congratulations, Noble Doug!

September 5, saw three of the Kalyklowns walking the very short Pueblo Kids day parade. Our unit has participated in this event for many, many years. In attendance were Larry "Sleepy" Ruiz, who was also celebrating his 80th birthday that day, Frank "Halftrack" Caffey, who turned 68 just a couple of days earlier, and Howard "Cuz'n Clem" Magan. We always enjoy that parade since it is truly all about the children!

Labor Day gave two options, Trinidad and Fountain. Ill. Sir Gary Sears, PP (Panhandle Slim) and Larry Ruiz (Sleepy) chose Trinidad. No others attended parades that day.

On September 19, The Florence Parade saw Cuz'n Clem doing the announcing live on the radio with Vern "El Lobo" Wolf and Larry "Sleepy" Ruiz riding on the Kalliope. Our next parade was held in Holly, Colorado and the kalyklowns were well represented by Past Potentate, Ill. Sir Gary "Panhandle Slim" Sears, Nobles Vern Wolf, Larry Ruiz and Frank Caffey. Our final parade of the season was held in Penrose, for its 80th annual Apple Days celebration. With Howard Magan announcing the Shriners, and Vern "El Lobo" Wolf towing the Kalyklowns Kalliope and Frank Halftrack" Caffey riding along. Wayne "Howdy" McKey was also in attendance driving his 1954 Ford Mainliner sedan.

POTENTATE'S MOTOR ESCORT

by Dave C. Dickey
President

Hard to believe the parade season has come to an end. The Escort finished up the season at the Apple Fest Parade in Penrose. Seven riders were present and also a prospective new member to Escort, Ill Sir Bill Sheard.

We will participate in one more parade if the weather is biker friendly. The Festival of Lights parade on December 5 will be our final for the 2015 year.

Active members will have a dinner meeting on October 22 at the home of president, Dave Dickey. Election of officers will take place at this meeting. Final plans will be made for the upcoming OV that will be on December 3, 2015 at the Pueblo Shrine Club.

Hope everyone is out enjoying the beautiful fall weather. Great for riding!!

Until next time, Riders, Keep the Shiny side up!

AL KALY PR COMMITTEE

by **Ill. Sir Bob Burr**
Chairman

The first thing on our agenda for the next meeting is the support we hope to see at the Basketball Tournament on November 13th and 14th at Massari Arena, located at CSU Pueblo with games at 5:30 PM and 7:30 PM. There has been a change: instead of Girls and Guys teams, this year there will be four girls teams competing. Please put this on your schedule and be there to support the teams and Al Kaly Shrine.

When you receive this issue of the Dust, we will be days away from our November 10th scheduled Public Relations meeting at Denny's in Pueblo. It's that time of year when we need to be putting together our agenda for 2016. Please take a few minutes now, and put together what you consider the five most important items for that agenda.

This month we will continue our discussions about Shrine Membership, the wearing of the Shrine shirts, jackets, etc, Screening Clinics, and building our Public Relations participation. Hope to see you there.

COLORADO SPRINGS SHRINE CLUB

by **Roger Mendenhall**
President

Our 50's party in September was a lot of fun for those who were able to attend. Folks could be seen trying to bring back their yoyo and paddle ball skills. I found my old Imperial yoyo from my youth, but it didn't seem to work as well as it did back then. Three of our ladies were all decked out in poodle skirts, and Earl Aldrich wore his high school letterman jacket. Fifties music rocked the night, and a number of our ladies enjoyed doing the Twist with Chubby Checker. We will have another 50's theme next spring since so many were on the trip and missed the fun.

Our Shriners Ladies' Club will be decorating for Christmas on Tuesday, November 24 at 10:00. We could use some men there as well to help with the big tree and with moving the boxes for the ladies. We will take a break at noon and order in some pizzas. Let me know if you can be there to help make our club festive for the holidays.

As is our tradition, we will hold a Thanksgiving type dinner for our November meeting. The ladies will be giving away four turkeys complete with baskets full of fixings and homemade pies. We will also be auctioning off several nice things that were donated by Club members. These auctions will benefit the Club. You won't want to miss it. As usual, call the club with your reservation by the Monday before the meeting (632-3881). You won't need to specify an entrée choice this time as we will have both ham and turkey.
