August 19, Al Kaly Picnic and Short Form Ceremonial

August 20, Golf Tournament

POTENTATE'S MESSAGE

by IS Jim Burger

The Last Quarter

August was full of events; the first weekend on August 4th we were in Dolores for the Four Corners Ceremonial in which we had 6 candidates become Nobles followed by the OV with the Escalante and San Juan Basin Shrine Clubs.

Off to Lamar the next weekend and then Rocky Ford and Cripple Creek Parades the following weekend followed by the picnic, and a Short Form Ceremony which brought in 2 new Nobles. Thank You Ill. Sir Mike Palmer and Lady Nancy for the great job you did on the picnic.

The next day was the Golf Tournament. Thank You Noble Larry Newman and Lady Mary for the great job you did on the Golf Tournament.

The next day it was off to Branson for CSSA. I had forgotten what it was like to have rain all day and never feeling quite dry. But, a good time was had by all. August was busy but fun and the memories will never fade.

September will be another ceremonial with a few more Nobles joining our ranks along with an Octoberfest. Great times will be had by all who attend.

October has a parade in Penrose which should be the last one for the year along with a few OV's and the trip to Playa De Carmen Mexico. Then in November the Basketball Tournament in Pueblo at CSU Pueblo which is always a great time.

Then it is time to get ready for Christmas parties and the last raffle of the year for a Henry Collector's rifle with Masonic or Shrine emblems along with a few other prizes, or a \$1,100.00 Bass Pro Gift Certificate. Please support this raffle; it helps the Shrine to continue what we do.

I would like to thank everyone who has supported Lady Mary and me in the past year. Without you we cannot continue the mission of helping the less fortunate children.

Remember if you do not participate you are not having fun. See you at the events.

Is It Possible To Have Too Much Fun?

First Lady Mary Burger

The third quarter of this year has been busy, but wonderful. According to AARP, if time is going too fast, try something different and time will slow back down. It is true. This seemed to be the never ending summer. With parades, official visits, and all the side trips we could handle, Jim and I kept running all summer long. From the time we returned from Imperial, until we returned

from CSSA, we were never home for more than three days in a row. And, it was all fun.

I would love to share the details, but that would make this note too long, and Glenda would have to cut it anyway. It is good to be home now from all the travels, and planning to stay home for a month and a half. I want to thank all the wonderful people who hosted our visits, and worked so hard to make every visit memorable. Your Shrine love really came through, and buoyed me up through it all.

There are a few more parades, and a couple more official visits, and then our trip to Mexico. I expect to have great fun at all of them, and hope to see you there.

BEST RECIPES SEARCH

In our continuing search for the best recipes from our Nobles (and Ladies) I was given this one from Dean Dooley of the San Juan Basin Shrine Club. After reading this mouth-watering recipe I immediately thought of The Bushwacker, a top-selling sandwich from a restaurant in Pueblo West just like this...it's fantastic!!

PASTRAMI REUBEN SANDWICHES

- 12 slices Russian rye bread
- Butter for bread
- 18 thin slices Muenster cheese (Sargento is best)
- 1 can Bavarian sauerkraut (don't substitute)
- Very thinly sliced beef pastrami – 4 per sandwich
- Thousand Island dressing

Butter one side of the bread and lay out on waxed paper with buttered side down. Top 6 slices of bread with 1½ slices of cheese. Add a generous layer of sauerkraut and 4 slices of pastrami. Top with another 1½ slices of cheese. Apply a generous layer of Thousand Island dressing to the other 6 slices of bread and place them on top of the sandwich, buttered side will be up.

Grill sandwiches on medium heat for 4-5 minutes, cut in half and serve hot.
 Makes 6 sandwiches.

REMEMBER WHEN...?

Cleaning a drawer, a closet or any other place in your house can bring back memories. You pick up an old movie ticket or a particular piece of clothing and remember a night ten years ago. You move a piece of furniture and find a newspaper article or you clean off a shelf and go through an old scrapbook, oh the memories which flood into your mind. These are almost always great memories and often spark others in their wake.

Ron Crawford called me the other day and told me he was cleaning out his mother's old cedar chest. That was enough to peak my interest and he had my undivided attention from then out.

It was 1948 and Ron was in second grade. Those of you who just flashed to a personal memory like I did are smiling because of where you were, who you were with or what you were doing in second grade or in 1948. I was born in 1948 and immediately went to great memories of my mother.

Coming back to Ron...The Shrine Circus had come to town and Ron's father had a special surprise for the second grade class; they were going to the circus as a group. What a wonderful time they had watching the animals prancing around and those roaring at the crowd and the clowns and other performers! They were sitting together, talking about the tight rope walkers and teasing each other, just like second graders today would be doing. But there was a difference, they were all wearing Souvenir Shrine Circus fezzes and pretending to be Shriners.

Ron's dad had gotten fezzes for all the kids in the class! Wow!! How important they must have felt.

Ron had just found his second grade fez. It was in the same condition it was in 1948 and I can't imagine all the memories it brought back, those of the circus, those of second grade and those of his father both then and from other times.

Here is the picture of the amazing 1948 fez.

Gone to CSSA and a short vacation with my Lady.

Gone to CSSA. Will be back for the next newsletter.

Well – Are You?

Are you an active Shriner
The kind that would be missed,
Or are you just content
That your name is on the list?

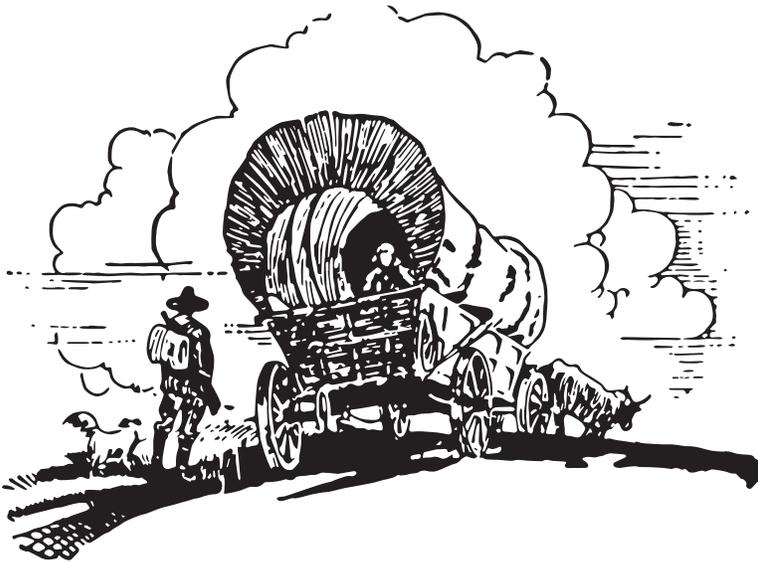

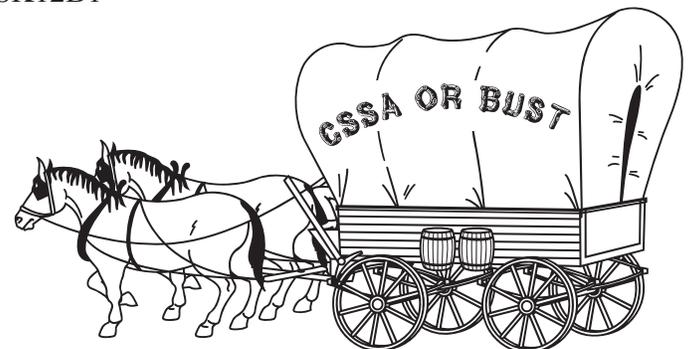

Do you attend the meetings
And mingle with the flock,
Or do you stay at home
To criticize and knock?

Do you take an active part
To help the work along
Or are you satisfied to be
The kind that just belongs?

Do you ever go to visit
A Shriner who is sick,
Or leave the work to just a few
And talk about the "clique"?

Think this over, SHRINER,
You know right from wrong,
Are you an active SHRINER
Or do you just belong?

Ready for a Fall Frenzy? By the time you read this we will have already spent our first week in the Fall of 2018! Yep, that's right, Fall 2018 began Saturday, September 22 at 9:54PM! We actually started celebrating it a bit earlier with the Fountain Fall Festival Parade on Labor Day! Then we had the Pueblo Shrine Club OV on September 7th, followed by the La Junta Parade on the 8th of September.

On September 15 we then had the Florence Parade, preceded by the Colorado Springs Shrine Club Stated Meeting on the 14th followed by the Fall Ceremonial and Oktoberfest on September 29th. Congratulations to all the new Shriners from the ceremonials, picnic, and Shrine Club functions.

Lady Helen and I have found there is so much to do, attending OVs, the Ceremonial and San Juan Basin and Escalante Shrine Club OV in Dolores, the CSSA functions with the Nomads and other Al Kaly members in Branson, and multiple other parades and OVs this summer, and the just completed ceremonial and Oktoberfest!

Now we've got the Apple Harvest Festival Parade coming up October 6 in Penrose as the last parade of the season. We are also looking forward to a great Potentate's trip to see the Mayan pyramid in Chicken Pizza (Chichen Itza, Yucatan) the last full week in October. A lot of things are beginning to happen to get ready for the holidays.

As I have traveled more and more this past year attending Shrine functions, I have been so impressed by how much can be done by people working together for the good of everyone. I have seen so many dedicated folks—in the service of our Al Kaly elected and appointed divan, in each of the Shrine Club's officers and members, in each of the units, in the Daughters of the Nile and the other ladies' organizations, and in the youth organizations, particularly the DeMolay and Job's Daughters, really in everyone who come out to attend the Shrine and other functions throughout the state, and throughout the country!

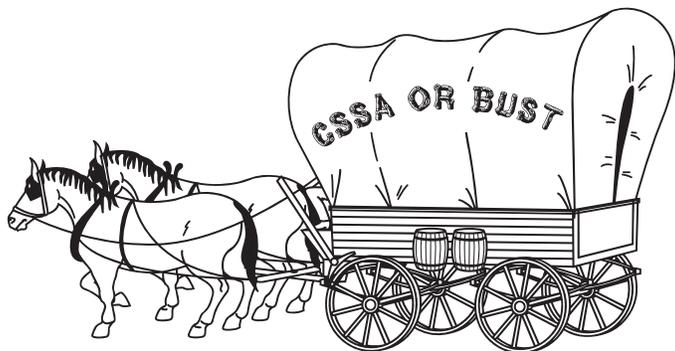

"Participation is Key" – Potentate Jim Burger's motto has really been evidenced in making a difference and helping meet the challenges, facing the goals and missions of Shriners International and Shriners Hospitals for Children, and getting this all done especially on the local level. It's really great to see everyone working so hard together to make things happen, and having fun in the process! Enjoy the rest of a great year, participating, supporting family and friends, and "Live Life Fully"!

GREAT SUMMER

by *Larry Newman*
Treasurer

As summer draws to an end, it's been a great time! I hope you all have had as much fun as I have.

My thanks go out to all of the members, units, and clubs who supported this year's Golf Tournament. I think everyone there had a great day, and it was a success for Al Kaly as a fund raiser. I want to give a special shout out to Noble Arnold Montoya who brought a number of sponsors again this year. Also, many thanks to the Nobles and Ladies who worked as volunteers at the tournament.

Financially, we're running on track for the year in our general fund operating budget. On the Patient Transportation Fund, we've provided over \$20,000 to assist families in getting their child to our hospitals for treatment. Our spending has been at a little slower pace than the previous couple of years, and I don't really know why that is, but we're providing assistance to all those who we know need our support

As usual, we've still got money so I've still got a job. Thank you for letting me serve you and Al Kaly Shrine. See you on the streets!

USE WEBFEZ

by *Bart Guthrie, P.P.*
Recorder

"Use WebFez to verify your personal information, payments, and Shrine Activity." When you received your 2019 dues notice, this statement was there along with guidance as to how to register for WebFez and Login information. About one-fourth of our membership is registered into WebFez. Once registered and logged in you can verify and change your personal information to ensure it is updated. I'm not sure it would stand up in court; but, you can delete your Lady's name and type in a new one. Please take the time to register and stay current. The address is: webfez.shrinenet.org and follow the instructions.

We are also on a campaign to have current email addresses for all our members. With the WebFez program we also have the capability of storing your Lady's email address in our system. With your current email and your Lady's current email you can now both get the Weekly Update (Nuts and Bolts). Just let the Office know and we'll ensure both emails are listed for this weekly communication.

Some of our membership would rather have an electronic Dust instead of a printed copy. Again, let the Office know and we will get you on that list. Lady's too! Many of you travel or have winter homes away from your permanent address can stay current with the Dust. This helps us in that we can reduce the number of mailed Dusts saving us some money and it reduces the number Dusts returned by the post office because you are "temporarily away". Each returned Dust cost's us \$.57 – it adds up over a year's time.

OK! Although summer is over and we are well into Fall it doesn't mean Shrine activities are over! In the coming months there is still one parade (Penrose), OVs, the Scottish Rite Reunion, and Daughters of the Nile Supreme Queen Visit. In addition there are still two fund raising events yet this year. The weekend before Thanksgiving is the annual College Basketball Tournament and, as usual, the tournament will be held at CSU-Pueblo. Men's and ladies' games are planned for both days. Come watch a game or two and cheer the teams on. If you haven't seen some of these ladies play you are in for a real treat. Their games can be as exciting as the men! Visit with us in the hospitality room. Be sure and wear your fez!

The other event is the Holiday Bazaar at the Pueblo Shrine Club on the Saturday and Sunday following Thanksgiving. Watch the Nuts and Bolts for information and schedule on these events.

Shrine Clubs and Units continue to hold their monthly meetings, breakfasts, and dinners. Your local area Shrine Clubs and Units need your support. Check with them to find out when they have their events and come participate. To quote the Potentate: "If you do not participate you cannot have fun".

Over the next couple of months the PR Committee will be working to set goals for 2019 and would like your help. Everyone is invited to join us at our monthly meeting. Come share your thoughts and ideas. If you can't make it to a meeting send your idea to one of the committee members. The meetings are held on the 2nd Tuesday of the month. Meeting locations are alternated between the North IHOP in Pueblo and the Western Omelette (formerly Coke's Diner) in Fountain. Remember! We are all public relations ambassadors, both internally to our Shrine and externally to the local communities.

PUEBLO SHRINE CLUB

Howard Magan, President

The Pueblo Shrine Club has been at rest for the summer, but as we begin the Fall, our Friday night dinner meetings will resume. Our OV with IS Jim Burger coincided with the annual Steak Fry with over 80 people present. We were thrilled to host such a great meeting.

We have continued with our monthly breakfasts and wish to thank all those who came and gave extra help at the August breakfast when Lady Glenda and IS Merv Terrill were at the Four Corners Ceremonial. IS JD Potter was there as well as Noble Wayne McKey and grand daughter Heather, and Nancy Anderson representing Daughters of the Nile came to help us out.

This is short since we haven't been as busy this summer, but to all members: Come out and join us for dinners and breakfasts! More people make the events more fun!

In Memoriam

As of: August 31, 2018

"Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush.
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.

THEY EVEN MARCHED IN THE MARDI GRAS PARADE!

Larry Weed

Larry was born and raised in Santa Cruz, CA where his dad was a journeyman printer and his mom a beautician. They were long-time residents of Santa Cruz when Larry was born in the Dominican Hospital - just three weeks before Helen! He was two months premature so they kept him as in 1949, you had to be 5 pounds to be released from the hospital. Helen's cousin, Gayl, was born the day before she was and Gayl was the one who introduced them - a few years later, of course.

They met the first day of college at Cabrillo College in Aptos, CA. Both had led their high school pep bands and they both played saxophone - Helen needed one and Larry had an

extra one in his car.

Larry also played in the DeMolay band which played at the East/West games when they were played in California.

Larry was enlisted for his first 6 years in the Air Force. He had many assignments in the Air Force, from Lackland AFB in TX to Peterson AFB, including the Pentagon. He went to OTS and then to the Pentagon as the Computer Systems Engineer. He completed his BS in Computer Science at the University of Louisiana in Lafayette, LA. He completed his MA in Contract Management at Webster University in Colorado Springs and did some post-grad work at Walden University in St Louis, MO. Larry retired at the rank of Major in 1989. After retirement, he began a civilian career with Northrop Grumman and then Boeing. He retired again in 2016.

One of his Air Force assignments was to Woomera AB in South Australia in the outback. While they were there, the family took a trip in the outback in a Land Rover. They stopped at a gas station and son, David, wanted a pack of gum. OK, David (reluctantly).

About halfway home, the fuel gauge started dropping rapidly. It was discovered they had picked up a rock on the outback roads. Larry got under the vehicle and put his thumb in the hole the rock had made. They were in the middle of nowhere and wondered what they were going to do. There

wasn't enough fuel left to get back to the gas station and Larry's thumb wasn't even a good temporary solution. They remembered David's gum so everyone started chewing gum as fast as they could. They plugged the hole with the gum and made it back to the gas station!

During their Australia assignment, they rescued and raised an orphaned baby kangaroo for about 6 months. They called her "Tilley" - short for Matilda. She slept in a pillowcase hung on the door. She'd jump in the pillowcase and sleep there. Larry was a teacher at the University of Maryland while they were there and Tilley became their mascot.

Larry's job was as a programmer in the program shop. He took over Computer Operations and, as a captain, had about 70 people working for him. He was also in community theater where he had the male lead in the play "Blithe Spirit". His daughter, Kimberley, played the ghost of his wife, Elvira.

Australia was their favorite assignment. The timing was perfect for their family - the kids were old enough to enjoy it. Larry was the educational liaison at the school there. In Australia, the high schools only go through the 11th grade; but you can leave school at year ten.

After 10th grade, most go right into the work force. The students in the 11th grade are deciding what subject they are going to study in 12th grade. You go to year 12 if you are going to go on to the university and you have to have a certain grade point average to even go on to the university.

Larry arranged for curriculum to be made available so the American students were able to complete the graduation requirements according to the American standards. Their daughter was valedictorian since she was the only one in her class! In his position as liaison, he actually took some of the students to Adelaide about 4 hours away where they went to a rock concert with Iron Maiden. It was his first exposure to hard rock!

Larry's introduction to "Shrinedom" was at an East-West game in California. He saw a Shriner playing soprano sax near him and decided he wanted to play saxophone like that Shriner. He played all through high school and college, but always had the desire to wear a fez. They moved back to Colorado Springs in 2002 where he became a Mason in Ramah Lodge #165. He was Master of the lodge in 2008, Wise Master of Scottish Rite in 2006, and is now a Past Master and Secretary of his Ramah Lodge. He is also a member of York Rite. He has been Secretary, Treasurer, and President of the Al Kaly Band, playing his sax and enjoying the fun of being a Shriner. In 2017, Larry and Helen went

to the East-West game in Florida after picking up their son Phillip (a drummer) and grandson Gus (also a drummer). During the tailgate period, they got to play their music on the field!

Their daughter lives next door and has season tickets to the USAFA football games so they go to some of the games. She used to be the ambassador for the AF Intelligence Agency at San Antonio and would go on to represent the general at special events for the Alamo Descendants. She got to meet then Governor George Bush and got a picture with him. When her now husband graduated from the USAFA, President Bush was the speaker, so he got a picture with him, also. They didn't know each other at the time and actually met through E-Harmony!

Larry is an ordained minister through St Luke's Evangelical Ministries. He showed his certificate to the USAFA Chapel staff and was able to perform his daughter's wedding ceremony at the USAF Academy Chapel. Larry is very active in the Stephen Ministry at his church. They don't spread it around that he's a minister – mostly good friends who want to get married.

Larry and Helen like to spend time at their cabin near Florissant. It's still there but was only about 3 miles from where the fire was this summer. Their son lives in Florissant so he keeps an eye on things when they aren't there. They enjoy traveling and went on the Potentate's trip to the Danube last year. Before the trip they went to Paris for a couple of days then on to meet everyone in Belgium. While in Belgium, they went to the field where Helen's dad's plane had crashed in WWII; the crew all survived. The people there showed them all around. One of the ladies they met had played in the plane when she was a child. When she found out they were coming she made a cross out of part of the plane which Helen wears on a chain Larry gave her.

The Weeds recently celebrated their 50th wedding anniversary with a trip to the island of Oahu in Hawaii, taking the whole family along. They stayed at a gated villa- big enough for the entire family - on 5 acres on the Northshore. Takes a long time to get from one side of the island to the other during rush hour! Don't know why it's called "rush" hour – that's the one thing you don't do!

Larry considers it an honor and privilege to serve with the Al Kaly Shrine Divan. He firmly believes the Shriners' Creed is a great read and should be followed by all. He enjoys the fellowship of the masonic community and supporting the life-saving philanthropic work of the Shriners Hospitals for Children.

KALYKLOWNS

Howard Magan – Cuz'n Clem

Well, summer is almost over and school has begun! The clowns continue to brighten the days of patients at Parkview Hospital on Tuesdays and Thursdays. "Thank you"s go out to Larry Ruiz, Vern Wolf, and Ron Crawford for those visits. Vern, Nick, Larry, and Cuz'n Clem continue to attend the races at I-25 Speedway at Beacon Hill this summer. The night of September 8 will find Al Kaly collecting donations from the crowd to benefit Shriners' Hospital as we hold another Shriners' Night at the Races. Anyone available to attend this event in the future will be welcomed!

IS Gary Sears and Larry Ruiz (Panhandle Slim and Sleepy) have attended several parades this year and, although we are few, we make the presence of Al Kaly known when we are there! Coming up are the La Junta, Penrose, and Florence Parades and more will be heard about that later.

BAND

Larry Weed

Almost Over for 2018 - just one more Parade, October 6 in Penrose! In the past two months the band has had to miss a few parades due to the lack of trailer lighting and truck availability. We got back on track in September and are planning to finish out the season with the last parade in Penrose. We sure enjoy those parades!

We have also been missing a few of our band members this year – some due to traveling, some due to illness, and particularly our Band President Jerry Campbell who was in the hospital battling an ulcer. We participated in one parade in August and three in September plus the Stated Meeting at CSSC with the German Band playing at the Oktoberfest in late September. In all of these venues, we are especially blessed to be joined by our Friends of the Band (you know

who you are), and we very likely would not have been able to play these functions without our friends. When we play, we never turn down a donation for the sake of the Shriners Hospitals and are blessed to send it on to them through the Temple – we love supporting the Shriner kids.

In addition to the Penrose Parade, October and November will see more German Band performances (contact Troy Hansen to stay tuned for the schedule). Our Dixieland Band and Fez Band are, also, providing entertainment whenever possible, including as the pep band for the Basketball Tournament November 16th and 17th in Pueblo.

We're always working to increase our playlist to provide more variety of music for the enjoyment of our audience. Regardless of your ability, if you are looking for a good time, whether it's sunny and hot or not, come on out and join us for the fun -- or just come out and listen!

CLOWNS OF AL KALY

Larry "3 Putt" Newman, Boss Clown

It has been another busy year for the clowns. It's been a great summer of parades and other appearances for the clowns and it's not over yet. We've got a couple more parades on the calendar, and then the usual very busy Christmas party season.

I'm sure many of you have seen the Clowns of Al Kaly Shrine golf cart out at the numerous parades. It's been a great way for us to allow some of our more experienced members to continue to play with us. We continue to look for Nobles who would like to join us and walk (or ride) the parade routes bringing smiles to kids of all ages. We meet on the 2nd Monday of each month, usually at the Colorado Springs Shrine Club, at 7PM. Stop by and check us out if you're looking for a great way to have a lot of fun.
