  - Illustrious Sir, Illustrious Sirs, and Nobles all:  
I would like to propose in the form of a motion that the nobility approve the traditional Potentates trip for 2021. Obviously, things are unique and different this year 2020. Many Nobles know (**OR all of you now know**) the sitting potentates 2020 is trip put on hold, not for lack of participation but circumstances beyond his control. Many Nobles are still signed up and anxious to for the trip Sooo... . The good news is I.S Brian and I have agreed to combine 2020 and 2021 trips and proceed effectively with the same Ireland trip approximately one year later Sept/Oct 2021. With the approval of the nobility.
  - Vote for approval. No objections, passed.

- Reports from Clubs and Units, report from Pueblo and Colorado Shrine Clubs. Nobel Joe Albo gave an update on the golf tournament.
- Good of the Order/Sick Report. MWB Ben Crossno, WB John Montoya, WB Robert Smith, WB Vern Wolf and Lady Connie. Noble Jerry Proctor has passed away.

The Recorder and Nobility thanked Noble Troy Hanson for fifty years as a Shriner! Noble Troy also stated the Al Kaly Band was donating \$1,000 to the general fund!

Close Prayer and closed at 8:40pm, peace and harmony prevailing.
